का.आ. 2060.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात् यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दो गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) तथा बाट और माप मानक (मॉडलों का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि लगातार प्रयोग की अविध में भी उक्त मॉडल यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा प्रदान करता रहेगा;

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) और (8) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए मैसर्स टेक्नोवेग इंडिया, 1/11447, सुभाष पार्क एक्सटेंशन, गली सं. 2, नवीन शाहदरा, दिल्ली-110032 द्वारा विनिर्मित मध्यम यथार्थता (यथार्थता वर्ग-III) वाले ''टेक्नोवेग'' शृंखला के स्वतः सूचक, अस्वचालित, अंकक सूचन सिंहत तोलन उपकरण (टेबल टाप प्रकार) के मॉडल का, जिसके ब्राण्ड का नाम ''टेक्नोवेग'' है (जिसे इसमें इसके पश्चात् उक्त मॉडल कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी/09/2004/514 समनुदेशित किया गया है, अनुमोदन प्रमाण-पत्र जारी और प्रकाशित करती है;

उक्त मॉडल विकृति गेज प्रकार का भार सेल आधारित अस्वचालित तोलन उपकरण है। इसकी अधिकतम क्षमता 24 कि. ग्रा. और न्यूनतम क्षमता 100 ग्रा. है। सत्यापन मापमान अन्तराल (ई) का मान 5 ग्रा. है। इसमें एक आधेयतुलन युक्ति है जिसका शत-प्रतिशत व्यवकलनात्मक धारित आधेयतुलन प्रभाव है। प्रकाश उत्सर्जक डायोड (एल ई डी) प्रदर्श परिणाम उपदर्शित करता है। उपकरण 230 वोल्ट, 50 हर्ज प्रत्यावर्ती धारा विद्युत प्रदाय पर कार्य करता है।

स्टाप्पिंग प्लेट को मुद्रांकित करने के अतिरिक्त कपटपूर्ण व्यवहारों के लिए मशीन को खोलने से रोकने के लिए सीलबंद भी किया जाएगा।

और केन्द्रीय सरकार उक्त अधिनियम की धारा 36 की उपधारा (12) द्वारा प्रदत्त शिक्तयों का प्रयोग करते हुए यह घोषणा करती है कि उक्त माडल के अनुमोदन के इस प्रमाणपत्र के अंतर्गत उसी विनिर्माता द्वारा उसी सिद्धान्त, डिजाइन के अनुसार और उसी सामग्री से जिससे अनुमोदित मॉडल विनिर्मित किया गया है, विनिर्मित उसी शृंखला के वैसे ही मेक, यथार्थता और कार्यपालन के तोलन उपकरण भी होंगे जो 100 मि. ग्रा. से 2 ग्रा. तक ''ई'' मान के लिए 100 से 10,000 तक की रेंज में सत्यापन मापमान अंतराल (एन) और 5 ग्रा. या उससे अधिक के ''ई'' मान के लिए 500 से 10,000 तक की रेंज में मापमान (एन) अंतराल सिहत 50 कि. ग्रा. तक की अधिकतम क्षमता वाले हैं और ''ई'' मान 1 × 10^क, 2 × 10^{के} या 5 × 10^{के}, के हैं, जो धनात्मक या ऋणात्मक पूर्णांक या शून्य के समतुल्य हैं।

S.O. 2060.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of the Model of non-automatic (Table top type) weighing instrument with digital indication of "Technoweigh" series of medium accuracy (Accuracy class-III) and with brand name "Technoweigh" (herein referred to as the said model), manufactured by M/s. Technoweigh India, 1/11447, Subhash Park Extension, Street No. 2, Naveen Shadara, Delhi-110032 and which is assigned the approval mark IND/09/2004/514;

In addition to sealing the stamping plate, sealing shall also be done to prevent the opening of the machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instrument of similar make, accuracy and performance of same series with maximum capacity up to 50 kg. with verification scale interval (n) in the range of 100 to 10,000 for 'e' value of 100 mg to 2 g. or with verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g. or more and with 'e' value of 1×10^k , 2×10^k or 5×10^k , k being a positive or negative whole number or equal to zero manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved model has been manufactured.

The said model (see the figure given below) a strain gauge type load cell based weighing instrument with a maximum capacity of 2000kg, and minimum capacity of 4kg. The verification scale interval (e) is 200g. It has a tare device with a 100 percent subtractive retained tare effect. The Light Emitting Diode (LED) display indicates the weighing result. The instrument operates on 230V, 50Hertz alternative current power supply.

In addition to sealing the stamping plate, sealing shall also be done to prevent the opening of the machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instrument of same series with maximum capacity above 50 kg. and up to 5000kg and with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 5g or more and with 'e' value of 1×10^k , 2×10^k or 5×10^k , k being the positive or negative whole number or equal to zero manufactured by the same manufacturer with the same principle, design and with the same materials with which, the said approved model has been manufactured.

का.आ. 2062.—केन्द्रीय सरकार का, विहित प्राधिकारी द्वारा उसे प्रस्तुत रिपोर्ट पर विचार करने के पश्चात् यह समाधान हो गया है कि उक्त रिपोर्ट में वर्णित मॉडल (नीचे दी गई आकृति देखें) बाट और माप मानक अधिनियम, 1976 (1976 का 60) तथा बाट और माप मानक (मॉडलों का अनुमोदन) नियम, 1987 के उपबंधों के अनुरूप है और इस बात की संभावना है कि लगातार प्रयोग की अवधि में भी उक्त मॉडल यथार्थता बनाए रखेगा और विभिन्न परिस्थितियों में उपयुक्त सेवा प्रदान करता रहेगा;

अतः अब केन्द्रीय सरकार, उक्त अधिनियम की धारा 36 की उपधारा (7) और (8) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए मैसर्स टेक्नोवेग इंडिया, 1/11447, सुभाष पार्क एक्सटेंशन, गली सं. 2, नवीन शाहदरा, दिल्ली-110032 द्वारा विनिर्मित मध्य यथार्थता (यथार्थता वर्ग-III) वाले ''टेक्नोवेग'' शृंखला के स्वतः सूचक, अस्वचालित, अंकक सूचन सहित तोलन उपकरण (तुला चौकी के लिए संपरिवर्तन प्रकार) के मॉडल का, जिसके खाण्ड का नाम ''टेक्नोवेग'' हैं (जिसे इसमें इसके पश्चात् उक्त मॉडल कहा गया है) और जिसे अनुमोदन चिह्न आई एन डी/09/2004/516 समनुदेशित किया गया है, अनुमोदन प्रमाण-पत्र जारी और प्रकाशित करती हैं;

उक्त मॉडल विकृति गेज प्रकार का भार सेल आधारित अस्वचालित (तुला चौको के लिए संपरिवर्तन किट) प्रकार का तोलन उपकरण है। इसको अधिकतम क्षमता 50 टन और न्यूनतम क्षमता 100 कि.ग्रा. है। सत्यापन माप्पान अन्तराल (ई) का मान 5 कि.ग्रा. है। उसमें एक आधेयतुलन युक्ति है जिसका शत-प्रतिशत व्यकलनात्मक धारित आधेयतुलन प्रभाव है। प्रकाश उत्सर्जक डायोड (एल ई डी) प्रदर्श परिणाम उपदर्शित करता है। उपकरण 230 बोल्ट, 50 हर्ट्ज प्रत्यावर्ती धारा विद्युत प्रदाय पर कार्य करता है।

स्टाभ्यंग प्लेट को मुद्रांकित करने के अतिरिक्त कपटपुर्ण व्यवहारों के लिए मशीन को खोलने से रोकने के लिए सीलबंद भी किया जाएगा।

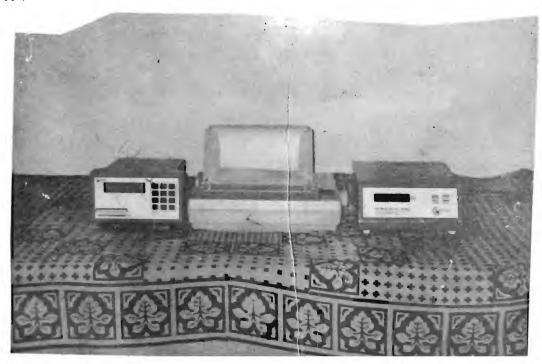

ें प्रनिधारा (12) द्वारा प्रदत्त शिक्तियों का प्रयोग करते हुए यह घोषणा करती है कि उक्त गाँडल के अनुमोदन के इस प्रमाण-पत्र के अनुमोदित माँडल के अनुमोदन के इस प्रमाण-पत्र के अनुमोदित माँडल विनिर्मित किया गया है, विनिर्मित उसी शृंखला के वैसे ही मेक, यथार्थता और कार्यपालन के तोलन उपकरण भी होंगे जो 1 कि.ग्रा. या उससे अधिक के ''ई'' मान के लिए 500 से 10,000 तक की रेंज में सत्यापन मान सिहत 5 टन से अधिक और 100 टन तक की अधिकतम क्षमता वाले हैं और ''ई'' मान 1 × 10[‡], 2 × 10[‡] या 5 × 10[‡], के हैं, जो धनात्मक या ऋणात्मक पूर्णांक या शुन्य के समतुल्य हैं।

S.O. 2062.—Whereas the Central Government, after considering the report submitted to it by the prescribed authority, is satisfied that the Model described in the said report (see the figure given below) is in conformity with the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) and the Standards of Weights and Measures (Approval of Models) Rules, 1987 and the said Model is likely to maintain its accuracy over periods of sustained use and to render accurate service under varied conditions;

Now, therefore, in exercise of the powers conferred by Sub-sections (7) and (8) of Section 36 of the said Act, the Central Government hereby issues and publishes the certificate of approval of the Model of the self indicating, non-automatic (Conversion kit for weigh bridge type) weighing instrument with digital indication of "Technoweigh" series of medium accuracy (Accuracy class-III) and with brand name "Technoweigh" (herein after referred to as the said model), manufactured by M/s. Technoweigh India, 1/I1447, Subhash Park Extension, Street No. 2, Naveen Shadara, Delhi-110032 and which is assigned the approval mark IND/09/2004/516;

The said model (see the figure given below) a strain gauge load cell based type (conversion kit for weigh bridge) weighing instrument with a maximum capacity of 50 tonne and minimum capacity of 100 kg. The verification scale interval (e) is 5kg. It has a tare device with a 100 per cent subtractive retained tare effect. The Light Emitting Diode display indicates the weighing result. The instrument operates on 230 Volts, and 50 Hertz alternative current power supply

In addition to sealing the stamping plate, sealing shall be done to prevent the opening of the machine for fraudulent practices.

Further, in exercise of the powers conferred by Sub-section (12) of Section 36 of the said Act, the Central Government hereby declares that this certificate of approval of the said model shall also cover the weighing instrument of similar make, and performance of same series with maximum capacity above 5 tonne and up to 100 tonne and with number of verification scale interval (n) in the range of 500 to 10,000 for 'e' value of 1 k or more and with 'e' value 1×10^k , 2×10^k or 5×10^k , k being positive or negative whole number or equal to zero, manufactured by the same manufacturer in accordance with the same principle, design and with the same materials with which, the said approved model has been manufactured.

MINISTRY OF PETROLEUM AND NATURAL GAS

New Delhi, the 3rd June, 2005

S. O. 2064.—Whereas by notification of the Government of India in the Ministry of Petroleum and Natural Gas number S.O. 434, dated the 04th February, 2005 issued under sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) (hereafter referred to as the said Act), the Central Government declared its intention to acquire the right of user in the land, specified in the Sci-line appended to that notification for the purpose of laying pipeline for transportation of natural gas through an interconnection between Jamnagar - Bhopal and Kakinada - Hydrabad - Goa Pipeline by Gas Transportation and Infrastructure Company Limited;

And, whereas the copies of the said Gazette notification were made available to the public on the 26th February, 2005;

The objection received from the public to the laying of the Pipeline have been considered and dissolved by the Competent Authority;

And whereas the Competent Authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Central Government;

And whereas the Central Government, after considering the said report and on being satisfied that the said land is required for laying the pipeline, has decided to acquire the right of user therein;

Now, therefore, in exercise of the powers conferred by sub section (1) of the Section 6 of the said Act, the Central Government hereby declares that the right of user in the land specified in the Schedule appended to this notification is hereby acquired for laying the pipeline;

And, further, in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby directs that the right of user in the said land for laying the pipeline shall, instead of vesting in the Central Government, vest, on the date of publication of the declaration, in Gas Transportation and Infrastructure Company Limited free from all encumbrances.

[फा. सं. एल-14014/53/2004-जी.पी.] एस. बी. मण्डल, अवर सचिव

New Delhi, the 3rd June, 2005

S. O. 2065.—Whereas by notification of the Government of India in the Ministry of Petroleum and Natural Gas No. S.O. 433, dated the 04th February, 2005, issued under subsection (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) (hereafter referred to as the said Act), the Central Government declared its intention to acquire the right of user in the land, specified in the Schedule appended to that notification for the purpose of laying pipeline for transportation of natural gas through an interconnection between Jamnagar - Bhopal and Kakinada - Hydrabad - Goa Pipeline by Gas Transportation and Infrastructure Company Limited;

And, whereas the copies of the said Gazette notification were made available to the public on 28th February, 2005;

The objection received from the public to the laying of the Pipeline have been considered and dissolved by the Competent Authority;

And whereas the Competent Authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Central Government;

And whereas the Central Government, after considering the said report and on being satisfied that the said land is required for laying the pipeline and has decided to acquire the right of user therein;

Now, therefore, in exercise of the powers conferred by sub section (1) of the Section 6 of the said Act, the Central Government hereby declares that the right of user in the land specified in the Schedule appended to this notification is hereby acquired for laying the pipeline;

And, further, in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby directs that the right of user in the said land for laying the pipeline shall, instead of vesting in the Central Government, vest, on the date of publication of the declaration, in Gas Transportation and Infrastructure Company Limited free from all encumbrances.

[F. No. L-14014/53/2004-G.P.] S. B. MANDAL, Under Secv.

नई दिल्ली, 7 जून, 2005

का. आ 12066. —केन्द्रीयं सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि मुन्द्रा (गुजरात) से दिल्ली तक पेट्रोलियम उत्पादों के-परिवहन के लिए हिन्दुस्तान पेट्रोलियम कॉरपोरेशन लिमिटेड द्वारा एक पाइपलाइन बिछाई जानी चाहिए:

और केन्द्रीय सरकार को ऐसी पाइपलाइन विछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि में जो इस से उपाबद्ध अनुसूची में वर्णित है, जिसमें उक्त पाइपलाइन विछाऐ जाने का प्रस्ताव है, उपयोग के अधिकार का अर्जन किया जाए ;

अत. अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शिक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितबद्ध है, उस तारीख से जिसको इस अधिसूचना से युक्त भारत के राजपत्र की प्रतियाँ साधारण जनता को उपलब्ध करा दी जाती हैं, इक्कीस दिन के भीतर भूमि के नीचे पाइपलाइन बिछाए जाने के लिए उसमें उपयोग के अधिकार के अर्जन के सम्बन्ध में श्री शिवदत्त गौड़, सक्षम प्राधिकारी, मुन्द्रा-दिल्ली पेट्रोलियम उत्पाद पाइपलाइन, हिन्दुस्तान पेट्रोलियम कॉर्पोरेशन लिमिटेड, डी-7 लालबहादुर नगर (पूर्व) क्लार्क्स आमेर होटल के सामने, जवाहरलाल नेहरु मार्ग, मालवीय नगर, जयपुर-302017(राजस्थान) को लिखित रूप में आक्षेप भेज सकेगा।

[No. R-31015/45/2004-O.R.-II] HARISH KUMAR, Under Secy.

नई दिल्ली, 🔊 जून, 2005

का. आ. 2067. केन्द्रीय सरकार ने पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) (जिसे इसमें इसके पश्चात उक्त अधिनियम कहा गया है) की धारा 3 की उपधारा (1) के अधीन जारी की गई भारत सरकार के पेट्रोलियम और प्राकृतिक गैस मंत्रालय की अधिसूचना संख्या का आ 2673 तारीख 18 अक्तूबर 2004, जो भारत के राजपत्र तारीख 23 अक्तूबर, 2004 में प्रकाशित की गई थी, द्वारा उस अधिसूचना से संलग्न अनुसूची में विनिर्दिष्ट भूमि में महाराष्ट्र राज्य में लोणी (पुणे) से पकनी (सोलापुर) तक हजारवाड़ी के रास्ते पेट्रोलियम उत्पादों के परिवहन के लिए विस्तार पाइपलाइन परियोजना के माध्यम से हिन्दुस्तान पेट्रोलियम कॉर्पोरेशन लिमिटेड द्वारा पाइपलाइन बिछाने के प्रयोजन के लिए उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा की थी;

और उक्त राजपत्र अधिसूचना की प्रतियां जनता को तारीख 2 दिसंबर, 2004, को उपलब्ध करा दी गई थीं;

और सक्षम प्राधिकारी ने, उक्त अधिनियम की धारा 6 की उपधारा (1) के अधीन केन्द्रीय सरकार को अपनी रिपोर्ट दे दी है :

और केन्द्रीय सरकार ने, उक्त रिपोर्ट पर विचार करने के पश्चात, और यह समाधान हो जाने पर कि उक्त भूमि पाइपलाइन बिछाने के लिए अपेक्षित है, उसमें उपयोग के अधिकार का अर्जन करने का विनिश्चिय किया है ;

अतः अब, केन्द्रीय सरकार, उक्त अधिनियम की धारा 6 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह घोषणा करती है कि इस अधिसूचना से संलग्न अनुसूची में विनिर्दिष्ट उक्त भूमि में पाइपलाइन बिछाने के लिए उपयोग के अधिकार का अर्जन किया का तरिहें

और केन्द्रीय सरकार उक्त अधिनियम की धारा 6 की उपधारा (4) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, यह निदेश देती है कि उक्त भूमि में उपयोग का अधिकार इस घोषणा के प्रकाशन की तारीख से केन्द्रीय सरकार में निहित होने की बजाए, सभी विल्लंगमों से मुक्त, हिन्दुस्तान पेट्रोलियम कॉर्पोरेशन लिमिटेड में निहित होगा;

[फा. सं. आर-31015/29/2004-ओ.आर-॥] हरीश कुमार, अवरं सचिव

New Delhi, the 9th June, 2005

S. 0, 2067. Whereas by notification of the Government of India In the Ministry of Petroleum and Natural Gas number S.O. 2673 dated the 18th October, 2004, issued under subsection (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) (hereinafter referred to as the said Act), published in the Gazette of India dated the 23rd October, 2004, the Central Government declared its intention to acquire the right of user in the land, specified in the Schedule appended to that notification for the purpose of laying pipeline for transportation of Petroleum Products through Mumbai-Pune Pipeline Extension Project from Loni (Pune) to Pakni (Solapur) (Via Hazarwadi) in the State of Maharashtra by Hindustan Petroleum Corporation Limited;

And whereas copies of the said Gazette notification were made available to the public on the 2nd December, 2004;

And whereas the competent authority has, under sub-section (1) of section 6 of the said Act, submitted report to the Central Government;

And whereas the Central Government, after considering the said report and on being satisfied that the said land is required for laying the pipeline, has decided to acquire the right of user therein;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the said land specified in the Schedule is hereby acquired for laying the pipeline;

And further, in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby directs that the right of user in the said land for laying the pipeline shall, instead of vesting in the Central Government, vest on the date of publication of this declaration, in Hindustan Petroleum Corporation Limited, free from all encumbrances.

[No. R-31015/29/2004-O.R.-II] HARISH KUMAR, Under Secy.

### नई दिल्ली, ७ जून, 2005

का. आ. 2068. — केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि गुजरात राज्य में कोयली से दहेज तक पेट्रोलियम उत्पादन के परिवहन के लिए इंडियन ऑयल कार्पोरेशन लिमिटेड द्वारा, एक पाइपलाइन बिछाई जानी चाहिए;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि उस भूमि में, जिसमें उक्त पाइपलाइन बिछाए जाने का प्रस्ताव है और जो इस अधिसूचना से संलग्न अनुसूची में वर्णित है, उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की धोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसची में वर्णित भूमि में हितबद्ध हैं, उस तारीख से जिसको उक्त अधिनियम की धारा 3 की उपधारा(1) के अधिन भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दी जाती है, इक्कीस दिन के भीतर, भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में, श्री पी. आर. नष्ट. सक्षम प्राधिकारी, इंडियन ऑयल कार्पोरेशन लिमिटेड, मकान नं. 3/122, रिफाइनरी ठाउनाशेष, पो.ओ. जवाहरनगर, वडोदरा—391320 (गुजरात) को लिखित रुप में आक्षेप भेज सकेगा।

[फा. सं. आर-25011/3/2005-ओ.आर-l] एस. के. चिटकारा, अवर सचिव New Delhi, the 7th June, 2005

S. O. 2068.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transportation of Petroleum Products from Koyali to Dahej in the State of Gujarat, a pipeline should be laid by the Indian Oil Corporation Limited:

And whereas it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land under which the said pipeline is proposed to be laid and which is described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said Schedule may, within twenty one days from the date on which the copies of the notification issued under sub-section (1) of section 3 of the said Act, as published in the Gazette of India are made available to the general public, object in writing to the laying of the pipeline under the land to Shri P. R. Bhatt, Competent Authority, Indian Oil Corporation Limited, at office Qtrs. No. 3/122, Refinery Township, P.O. Jawaharnagar, Vadodara –391320 (Gujarat).

[No. R-25011/3/2005-O.R.-I] S. K. CHITKARA, Under Secy.

नई दिल्ली, 7 जून, 2005

का. आ. 2069. — केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि गुजरात राज्य में कोयली से दहेज तक पेट्रोलियम उत्पादन के परिवहन के लिए इंडियन ऑयल कार्पोरेशन लिमिटेड द्वारा, एक पाइपलाइन बिछाई जानी चाहिए;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि उस भूमि में, जिसमें उक्त पाइपलाइन बिछाए जाने का प्रस्ताव है और जो इस अधिसूचना से संलग्न अनुसूची में वर्णित है, उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम,1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की धोषणा करती है:

कोई व्यक्ति, जो उक्त अनुसची में वर्णित भूमि में हितबद हैं, उस तारीख से जिसको उक्त अधिनियम की धारा 3 की उपधारा(1) के अधिन भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दी जाती है, इक्कीस दिन के भीतर, भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में, श्री पी. आर. भट्ट, सक्षम प्राधिक री, इंडियन ऑयल कार्पोरेशन लिमिटेड, मकान नं. 3/122, रिफाइनरी ठाउनिशिप, पो.ओ. जवाहरनगर, वडोदरा—391320 (गुजरात) को लिखित रूप में आक्षेप भेज सकेगा।

एस. के. चिटकारा, अवर सचिव

New Delhi, the 7th June, 2005

S. O. 2069.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transportation of Petroleum Products from Koyali to Dahej in the State of Gujarat, a pipeline should be laid by the Indian Oil Corporation Limited;

And whereas it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land under which the said pipeline is proposed to be laid and which is described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said Scnedule may, within twenty one days from the date on which the copies of the notification issued under sub-section (1) of section 3 of the said Act, as published in the Gazette of India are made available to the general public, object in writing to the laying of the pipeline under the land to Shri P. R. Bhatt, Competent Authority, Indian Oil Corporation Limited, at office Qtrs. No. 3/122, Refinery Township, P.O. Jawaharnagar, Vadodara –391320 (Gujarat).

[No. R-25011/2/2005-O.R.-]] S. K. CHITKARA, Under Secy.

## नई दिल्ली, 7 जून, 2005

का. आ. 2070. — केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि गुजरात राज्य में कोयली से दहेज तक पेट्रोलियम उत्पादन के परिवहन के लिए इंडियन ऑयल कार्पोरेशन लिमिटेड द्वारा, एक पाइपलाइन बिछाई जानी चाहिए;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि उस भूमि में, जिसमें उक्त पाइपलाइन बिछाए जाने का प्रस्ताव है और जो इस अधिसूचना से संलग्न अनुसूची में वर्णित है, उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की धोषणा करती हैं;

कोई व्यक्ति, जो उक्त अनुसची में वर्णित भूमि में हितबद्ध हैं, उस तारीख से जिसको उक्त अधिनियम की धारा 3 की उपधारा(1) के अधिन भारत के राजस्त्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दी जाती है, इक्कीस दिन के भीतर, भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में, श्री पी. आर. भट्ट, सक्षम प्राधिकारी, इंडियन ऑयल कार्पोरेशन लिमिटेड, मुकान नं 3/122, रिफाइनरी ठाउनशिप, पो.ओ. जवाहरनगर, वडोदरा—391320 (गुजरात) को लिखित रुप में आक्षेप्र भेज सकेगा।

[फा. सं. आर-25011/4/2005-ओ.आर-l] एस. के. चिटकारा, अवर सचिव New Delhi, the 7th June, 2005

S.O. 2070.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transportation of Petroleum Products from Koyali to Dahej in the State of Gujarat, a pipeline should be laid by the Indian Oil Corporation Limited;

And whereas it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land under which the said pipeline is proposed to be laid and which is described in the Schedule annexed to this notification;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said Schedule may, within twenty one days from the date on which the copies of the notification issued under sub-section (1) of section 3 of the said Act, as published in the Gazette of India are made available to the general public, object in writing to the laying of the pipeline under the land to Shri P. R. Bhatt, Competent Authority, Indian Oil Corporation Limited, at office Qtrs. No. 3/122, Retinery Township, P.O. Jawaharnagar, Vadedara –391320 (Gujarat).

[No. R-25011/4/2005-O.R.-I] S. K. CHITKARA, Under Secy.

नई दिल्ली, 7 जून, 2005

का. आ. 2071. — केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि गुजरात राज्य में कोयली से दहेज तक पेट्रोलियम उत्पादन के परिवहन के लिए इंडियन ऑयल कार्पोरेशन लिमिटेड द्वारा, एक पाइपलाइन बिछाई जानी चाहिए;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि उस भूमि में, जिसमें उक्त पाइपलाइन बिछाए जाने का प्रस्ताव है और जो इस अधिसूचना से संलग्न अनुसूची में विर्णित है, उपयोग के अधिकार का अर्जन किया जाए,

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की धोषणा करती है:

कोई व्यक्ति, जो उक्त अनुसची में वर्णित भूमि में हितबद्ध हैं, उस तारीख से जिसको उक्त अधिनियम की धारा 3 की उपधारा(1) के अधिन भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दी जाती है, इक्कीस दिन के भीतर, भूमि के नीचे पाइपलाइन बिछाए जाने के संबंध में, श्री फी. आर. भट्ट, सक्षम प्राधिकारी, इंडियन ऑयल कार्पोरेशन लिमिटेड, मकान नं. 3/122, रिफाइनरी ठाउनिशप, पो.ओ. जवाहरनगर, वडोदरा—391320 (गुजरात) को लिखित रुप में आक्षेप भेज सकेगा।

एस. के. चिटकारा, अवर सचिव

#### New Delhi, the 7th June, 2005

S. O. 2071.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transportation of Petroleum Products from Koyali to Dahej in the State of Gujarat, a pipeline should be laid by the Indian Oil Corporation Limited

And whereas it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land under which the said pipeline is proposed to be laid and which is described in the Schedule annexed to this notification:

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said Schedule may, within twenty one days from the date on which the copies of the notification issued under sub-section (1) of section 3 of the said Act, as published in the Gazette of India are made available to the general public, object in writing to the laying of the pipeline under the land to Shri P. R. Bhatt, Competent Authority, Indian Oil Corporation Limited, at office Qtrs. No. 3/122, Refinery Township, P.O. Jawaharnagar, Vadodara –391320 (Gujarat).

[No. R-25011/4/2005-O.R.-I] S. K. CHITKARA, Under Secv नई दिल्ली, 7 जून, 2005

का. आ. 2072. — केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि गुजरात राज्य में कोयली से दहेज तक पेट्रोलियम उत्पादन के परिवहन के लिए इंडियन ऑयल कार्पोरेशन लिमिटेड द्वारा, एक पाइपलाइन बिछाई जानी चाहिए;

और केन्द्रीय सरकार को उक्त पाइपलाइन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि उस भूमि में, जिसमें उक्त पाइपलाइन बिछाए जाने का प्रस्ताव है और जो इस अधिसूचना से संलग्न अनुसूची में वर्णित है, उपयोग के अधिकार का अर्जन किया जाए:

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपृलाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम,1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की धोषणा करती है:

कोई व्यक्ति, जो उक्त अनुसची में र्जार्णत भूमि में हितबद हैं, उस तारीख से जिसको उक्त अधिनियम की धारा 3 की उपधारा(1) के अधिन भारत के राजपत्र में यथा प्रकाशित इस अधिसूचना की प्रतियां साधारण जनता को उपलब्ध करा दी जाती है, इक्कीस दिन के भीतर, भूमि के नीचे पाइपलाइन बिछाए जामे के संबंध में, श्री पी. आर. भट्ट. सक्षम प्राधिकारी, इंडियन ऑयल कार्पोरेशन लिमिटेड, मकान नं. 3/122, रिफाइनरी ठाउनशिप, पो.ओ. जवादरनगर, वडोदरा-391320 (गुजरात) को लिखित रुप में आक्षेप भेज सकेगा।

[फा. सं. आर-25011/4/2005-ओ.आर |] एस. के. चिटकारा, अवर सचिव

New Delhi, the 7th June, 2005

S. O. 2072.— Whereas it appears to the Central Government that it is necessary in the public interest that for the transportation of Petroleum Products from Koyali to Dahej in the State of Gujarat, a pipeline should be laid by the Indian Oil Corporation Limited:

And whereas it appears to the Central Government that for the purpose of laying the said pipeline, it is necessary to acquire the right of user in the land under which the said pipeline is proposed to be laid and which is described in the Schedule annexed to this notification:

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Any person interested in the land described in the said Schedule may, within twenty one days from the date on which the copies of the notification issued under sub-section (1) of section 3 of the said Act, as published in the Gazette of India are made available to the general public, object in writing to the laying of the pipeline under the land to Shri P. R. Bhatt, Competent Authority, Indian Oil Corporation Limited, at office Qtrs. No. 3/122, Refinery Township, P.O. Jawaharnagar, Vadodara –391320 (Gujarat).

#### 3. महंगाई भत्ता:

माइनिंग मेट/

महंगाई भत्ता ओसत अर्धवार्षिक (माह जुलाई 2002 से दिसंबर 2002 तक के) सूचकांक 2391.05 आधार वर्ष 1960 = 100 के अनुसार रुपये 2.00 प्रति अंक की घटत बढ़त के आधार पर रुपये 2485.25 प्रति माह होता है। इस समझौते के अनुसार 1 जनवरी 2003 से महंगाई भत्ते की गणना 2391.05 सूचकांक के ऊपर प्रति अंक रुपये 2.00 से बढ़ाकर 2.20 रुपये घटत बढ़त के आधार पर होगी।

दिनांक 1-1-2003 को औसत अर्धवार्षिक सूचकांक 2315.33 पर देय परिवर्तनशील महंगाई भत्ता रु. 2333.80 प्रतिमाह में से रु. 800 पुनरीक्षित वेतनमान के मूल वेतन में समायोजित किया जायेगा।

#### 4. अवकाश यात्रा भत्ता :

वर्तमान में देय वार्षिक अवकाश यात्रा भत्ता में श्रमिक संगठन द्वारा की गयी वृद्धि की माँग पर प्रबन्धन द्वारा सहानुभूतिपूर्वक विचार करते हुए सेवा-अवधि के अनुसार निम्नलिखित वृद्धि पर उभय पक्षों की सहमति हुई:

क्र.	सेवा काल की अवधि	वार्षिक	यात्रा भत्ता
सं.		अवकाश	(रुपये)
		वर्तमान	पुनरीक्षित
अ.	1 से 10 वर्ष	1200	1500
ब.	11 से 20 वर्ष	1300	1700
स.	21 वर्ष एवं उससे अधिक	1400	1800

अवकाश भत्ता की पात्रता हेतु केलेण्डर वर्ष अर्थात् 1 जनवरी से 31 दिसम्बर तक 230 दिन की वास्तविक उपस्थिति (काम पर उपस्थित होकर कार्य करना) अनिवार्य होगी।

## 5. श्रमिक गणवेश (यूनीफार्म):

समस्त स्थायी श्रमिकों को वर्ष में एक बार निम्नानुसार दो जोड़ा (कमीज और पेंट) टेरीकॉटन गणवेश दिया जायेगा। परंतु गणवेश रुल्स के अनुसार ही देय होगा। कम्पाउण्डर को एक ऊनी कोट तीन वर्ष में एक बार दिया जायेगा तथा नर्स को एक ऊनी फुल स्वेटर तीन वर्ष में एक बार दिया जायेगा।

## 6. (क) कैंटीन कूपन:

खदान में कार्यरत श्रमिकों को वर्तमान में दी जाने वाली कैंटीन कूपन की राशि रुपये 45 प्रति माह से बढ़ाकर रुपये 55 प्रति माह होगी। कैंटीन कूपन पर केवल खाद्य पदार्थ (चाय, नास्ता एवं खाना) का उपयोग खदान तथा कैंटीन के अंदर ही किया जायेगा तथा किसी भी स्थिति में कैंटीन कूपन को दूसरे सामान के लिए उपयोग करना शख्त मना है और दुरुपयोग करने पर कामगार तथा कैंटीन ठेकेदार दोनों के विरुद्ध कड़ी कार्रवाई की जायेगी।

## (ख) हाथ धोने हेतु साबुन की व्यवस्था

प्रबन्धन वर्कशॉप में कार्यरत प्रत्येक श्रमिक को 600 ग्राम प्रतिमाह से बढ़ाकर प्रतिमाह 800 ग्राम धुलाई का साबुन देगा।

#### 7. (क) पहाड़ी भत्ता

श्रम संगठन ने पहाड़ी भत्ता को संशोधित करने का प्रबन्धनतंत्र से आग्रह किया जिस पर पक्षकारों के मध्य वार्ता में विचारोपरांत यह तय हुआ कि श्रमिकों को देय रुपया 4 प्रतिदिन से बढ़ाकर रुपया 5 प्रतिदिन वास्तविक उपस्थिति पर (काम पर हाजिर होना व काम करना) होगी परंतु वैसे श्रमिक जिन्हें कम्पनी द्वारा आवंटित आवास उपलब्ध करायी गयी है वे पहाडी भत्ता के पात्र नहीं होंगे।

## (ख) साइकिल भत्ता

साइकिल भत्ता रुपये 50 प्रतिमाह से बढ़ाकर रुपया 65 प्रतिमाह निर्धारित किया गया है जिसकी पात्रता के लिए श्रमिक की माह में कम से कम 18 कार्य दिवस वास्तविक उपस्थिति अनिवार्य है तथा जो श्रमिक साइकिल एडवांस लेना चाहेंगे उन्हें साइकिल खरीदने हेतु एडवांस रुपया 1200 दिया जायेगा जिसका समायोजन रुपया 100 प्रति माह की दर से मजदूरी से किया जायेगा। साइकिल खरीद की रसीद देनी होगी। यह एडवांस सेवाकाल में एक बार ही लिया जा सकेगा।

# चिकित्सः तुविधा

स्थायी श्रमिकों को चिकित्सा सुविधा में दी गयी पुनरीक्षित वृद्धि निम्नवत है:

- भोजन भंत्ता रुपया 30 प्रतिदिन से बढ़ाकर रुपया 40 प्रतिदिन दिया जायेगा।
- अस्पताल में कमरे का किराया अधिकतम रुपया 40 प्रतिदिन से बढाकर रुपया 50 प्रतिदिन दिया जायेगा।
- स्थायी श्रमिकों के आश्रितों के लिए भोजन भत्ता रुपया 20
   प्रतिदिन से बढ़ाकर रुपया 30 प्रतिदिन दिया जायेगा।
- * स्थायी श्रमिकों के माता-पिता यदि जीवित हों एवं पूर्णतया श्रमिक पर ही निर्भर/आश्रित हों एवं उनकी पूर्व में कोई सर्विस या आजीविका का साधन नहीं हो तो कम्पनी द्वारा आंतरिक चिकित्सा सुविधा (Indoor Hospital Facility) केवल पैथालोजी/एक्स-रे तथा कंसलटेशन एवं दवाईयों की कीमत रसीद Original देने पर तथा कम्पनी के डाक्टर द्वारा प्रविष्ट (refer) किये गये मामलों में ही देय होगा तथा कम्पनी मेडीकलेम या अन्य कोई स्कीम देती है तो उसके अन्तर्गत ही क्लेम नियमानुसार मान्य होगा तथा श्रमिक को चिकित्सा संबंधी सभी कागजात जमा करना बाध्यकारी होगा। श्रमिक संघ एवं श्रमिक दोनों ही पूर्ण जिम्मेदारी के साथ श्रमिक के आश्रित माता-पिता की पहचान पत्र/चिकित्सा कार्ड बनवाये जो कि कम्पनी के मुख्य चिकित्सा पदाधिकारी द्वारा प्रमाणित ही मान्य होगा।

उभय पक्षों के मध्य यह तय हुआ कि उपरोक्त चिकित्सा व्यय की प्रतिपूर्ति लोहरदगा के बाहर राँची तक हुए चिकित्सा पर ही मान्य होगा एवं राँची के अतिरिक्त अन्य स्थान पर प्राप्त उपरोक्त चिकित्सा सुविधा व्यय की प्रतिपूर्ति कम्पनी के मुख्य चिकित्सा अधिकारी के रेफर करने पर/अनुशसा करने पर ही की जायेगी।

यह भी स्वीकार किया गया कि कम्पनी के चिकित्सक द्वारा पूर्वनिर्दिष्ट नहीं किये जाने पर किसी भी चिकित्सा व्यय की प्रतिपूर्ति नहीं होगी।

किसी भी कामगार द्वारा चिकित्सा सुविधाओं का अनुचित लाभ प्राप्त करने के लिए दुरुपयोग किया जाता है तो उनके विरुद्ध कड़ी कार्रवाई की जायेगी एवं 1 वर्ष के लिए चिकित्सा सुविधा से वंचित कर दिया जायेगा।

# 🤏 🗺 💥 सहायता

प्रबन्धन प्रत्येक स्थायी श्रमिक के स्कूल में पढ़ने वाले दो बच्चों को प्रति बच्चा प्रति वर्ष शिक्षा सहायता के रूप में पुनरीक्षित धन राशि निम्नवत देनें को सहर्ष सहमत है जिसके लिए सभी को शुल्क भुगतान का साक्ष्य मूल रूप में प्रस्तुत करना होगा। इसका भुगतान वर्ष में एक बार किया जायेगा।

	• *
वर्तमान शिक्षा सहायता	पुनरीक्षित शिक्षा सहायता

10. पक्षों के मध्य यह तय हुआ कि खनन कार्य हेतु जिन अ शायी श्रमिकों से लीज पर जमीन ली गई है/ ली जानी है उन्हें पद की रिक्तता, कार्यकुशलता एवं क्षमता के आधार पर मात्र उनके प्रकरण में स्थायीकरण हेतु आवश्यक कार्यवाही चरणबद्ध रूप से करने का प्रयास किया जायेगा जिनकी कुल संख्या 51 से अधिक नहीं है। पहले उन श्रमिकों के स्थायीकरण की कार्यवाही होगी जिनकी जमीन खनन कार्य हेतु ली जा चुकी है। कम्पनी के नयी खदान में अस्थायी कर्मचारियों को आवश्यकता, कार्यकुशलता, अनुभव एवं क्षमता के आधार पर स्थायीकरण हेतु अनुशंसा की जायेगी।

11. प्रबन्धन ऐसे कर्मकार को जो अपनी डयूटी पर काम पर उपस्थित हुआ हो और कार्य के दौरान जिसकी मृत्यु हो गयी हो वे प्रल उसके आश्रित को जो हर प्रकार से कुशल, सक्षम व योग्य हो उसको आजीविका प्रदान करने को सहमत है। परन्तु यदि कर्मकार की मृत्यु उसकी कार्य के प्रति लापरवाही, सुरक्षा नियमों की उपेक्षा, नशे की अवस्था में अथवा आपसी रंजिश व संघर्ष आदि में होती है तो प्रबन्धन ऐसी परिस्थितियों में कर्मकार के आश्रित को आजीविका प्रदान करने में समर्थ नहीं होगा। किसी प्रकार का विवाद होने पर पोस्टमार्टम की रिपोर्ट अंतिम व मान्य होगी।

12. भूमण्डलीकरण के वर्तमान दौर में जहां विश्व बाजार में अल्यूमिनियम की दर में लगातार गिरावट हो रही है वहीं दूसरी ओर कम उत्पादन एवं उत्पादकता तथा लागत में निरंतर वृद्धि हुई है। श्रम संगठन का यह दायित्व है कि इस समझौते के प्रभावी रहने की अविधि में कोई भी अव्यवहारिक कार्य/मांग नहीं करेंगे जिससे कम्पनी को अतिरिक्त वित्तीय बोझ उठाना पड़े।

# 13. सर्वोच्च उपस्थिति पुरस्कार

प्रबन्धन ने स्वीकार किया कि वैसे श्रमिक जो पूरे माह खनन कार्य पर उपस्थित रहेंगे और उत्पादन में अपना प्रत्यक्ष रूप से योगदान देंगे उन्हें प्रत्येक कैलेंडर वर्ष पूरा होने पर अगले कैलेंडर वर्ष की 26 जनवरी को सर्वोच्च उपस्थिति पुरस्कार से सम्मानित किया जायेगा।

- 14. प्रबन्धन एवं मान्यताप्राप्त श्रमिक संघ निम्नलिखित सामान्य शर्तो पर सहमत हैं:
  - (1) श्रिमिकों को देय भुगतान की संगणना 50 पैसे या उससे अधिक को एक रुपया मान लिया जायेगा एवं 50 पैसे से कम की राशि को शून्य मान लिया जायेगा।
  - (2) श्रम संगठन द्वारा प्रस्तुत मांग पत्र में वर्णित अन्य समस्त मांगें वापस ली हुई समझी जायेंगी एवं समझौते के प्रभावी रहने की अविध में कोई नयी माँग नहीं उठायी जायेगी जिससे कम्पनी पर किसी भी प्रकार का आर्थिक बोझ पडे।
  - (3) यदि किसी कानूनी प्रावधान या अन्य किसी कारणवश इस समझौते की शर्ते अवैध (इनवेलीड) तथा/अथवा कार्यान्वयन के अयोग्य तथा/अथवा अवक्रमिक (सुपरसीडेड) हो जाये तो इस प्रकार की अवैधता अकार्यान्वयनशीलता (अनएनफोर्सियेबल) या अवक्रमण इस समझौते के अवशेष प्रावधानों को प्रभावित नहीं करेंगे किन्तु इस समझौते के फलस्वरूप जो भी लाभ प्राप्त हुए हैं उन्हें उन समस्त वर्तमान तथा भावी लाभों में समायोजित कर लिया जायेगा जिन्हें उपर्युक्त अवैधता, अकार्यान्वयनशीलता तथा अवक्रमण के फलस्वरूप लागू किया जाना अपेक्षित होगा।
  - (4) श्रम संघों ने यह स्वीकार किया एवं आश्वासन दिया कि वे औद्योगिक न्यायाधिकरण, श्रम न्यायालय, उच्च न्यायालय एवं अन्य विधि विहित किसी भी प्राधिकारी के समक्ष उनके द्वारा लगाये गये समस्त वाद जो सेवा से संबंधित/लाभ आदि हैं वह समाप्त समझा जायेगा और वे पृथक से सक्षम न्यायालय के समक्ष जहां वाद लंबित है में आवेदन पत्र देकर उसे वापस ले लेंगे। भविष्य में इस समझौते के प्रभावशील रहने की अविधि में किसी प्रकार का कोई औद्योगिक विवाद/मांग अथवा लाभ हेतु कोई वाद किसी न्यायालय में प्रस्तुत नहीं करेंगे।
  - (5) श्रम संघ यह सुनिश्चित करेगा कि समस्त श्रमिक कार्य स्थल एवं कार्य के दौरान पूर्ण अनुशासन बनाये रखेंगे। श्रमिकों का यूनियन कार्य से कार्य स्थल छोड़कर लोहरदगा या अन्य स्थान आने-जाने पर उपस्थिति पाने के हकदार नहीं होंगे एवं ऐसी स्थिति में श्रम संघ भी श्रमिक के उपस्थिति के लिए खान प्रबन्धन से मांग नहीं करेगी। केवल श्रम संघ के लिखित आग्रह पर केवल कार्यकारिणी के सदस्यों के मामले को छोड़कर।

- (6) श्रम संघ श्रमिकों द्वारा निजी आवश्यकता पर लिये जाने वाली अग्रिम राशि वित्तीय वर्ष में किस्तवार अदा किये जा पाने की सीमा से अधिक की राशि के लिए प्रबन्धन से आग्रह नहीं करेंगे।
- (7) वैसे श्रमिक जो आदतन कार्य निष्ठापूर्वक नहीं करते हैं एवं कार्य स्थल में मात्र उपस्थिति दर्ज कर निजी कार्यों में लिप्त रहते हैं उनके विरुद्ध अनुशासनात्मक कार्रवाई की जायेगी एवं श्रमिक संघ ऐसे श्रमिकों की पैरवी नहीं करेगा।
- (8) श्रम संघ श्रमिकों को खदान में सुरक्षा संबंधी नियमों के पालन के लिए प्रेरित करेंगे। श्रमिक भी कम्पनी द्वारा उपलब्ध कराये गये सुरक्षा उपकरण एवं गणवेश में ही कार्य पर आयेंगे।
- (9) प्रबन्धन एवं श्रम संगठन पर्यावरण के संरक्षण एवं प्रदूपण नियंत्रण हेतु सामूहिक प्रयास करेंगे। श्रम संगठन संस्थान की पर्यावरण नीति एवं आई. एस. ओ. 14001 के मानकों के अनुरूप पर्यावरण संरक्षण हेतु हर स्तर पर जागरुकता बढ़ाने का कार्य करेंगे।
- (10) उभय पक्षों के मध्य यह तय हुआ कि वर्तमान में खदानों के इर्द-गिर्द बिगड़ती विधि-व्यवस्था के कारण प्रशासनिक सहायता उपलब्ध नहीं होने के कारण कामगारों के वेतन का भुगतान खदान के समीप स्थित बैंक से किया जायेगा। श्रम संगठन भी कामगारों को बैंक में उनका खाता खुलवाने के लिए प्रेरित करेंगे।
- (11) प्रबन्धन द्वारा उत्पादन को निरन्तरता बनाये रखने के लिए श्रमिक संघ श्रमिकों/रैयतों से लीज श्रेत्र में उपलब्ध खनन योग्य भूमि अधिग्रहण में सहयोग करेंगे।
- (12) कर्मकार पूरी ईमानदारी, निष्ठा एवं अपनी पूरी क्षमता से कम्पनी के हितवर्द्धन में कार्य करेंगे। कोई भी कामगार एक पाक्षिक अविध के दौरान तीन दिन 10 मिनट से ज्यादा विलंब से अपनी ड्यूटी के लिये आने पर प्रबन्धन उस कामगार के एक दिन के वेतन की कटौती श्रम अधिनियम के अंतर्गत करेंगी।
- (13) अपने अधीन या कब्जे में अनाधिकृत रूप से रखे गये प्रतिष्ठान के क्वार्टर, जमीन, सम्पत्ति, आहाते या दस्तावेजों को प्रबन्धन द्वारा खाली करने या सींपे जाने के आदेश को न मानना दुराचरण होगा।
- (14) श्रिमिक संघ तथा प्रबंधतंत्र संबंधित अधिकारियों को इस समझौते के पंजीयन के लिए संयुक्त रूप से प्रार्थनापत्र प्रस्तुत करने को सहमत हैं।

- (15) श्रिमिकों के प्रशिक्षण द्वारा ज्ञान, कार्य कुशलता एवं सर्वाांगीण विकास हेतु संयुक्त रूप से प्रयास किया जायेगा एवं विभागीय कार्य को सुचारू रूप से चलाने के लिए श्रिमिकों का अन्तर्विभागिय/अन्तर्खान स्थानान्तरण एवं अभिनवीकरण आवश्यकतानुसार समय-समय पर किया जायेगा।
- (16) कम्पनी में मान्यता प्राप्त श्रमिक संघों ने यह आश्वासन दिया कि वे प्रतिष्ठान में उत्पादकता बढ़ाने में व अनुशासन बनाये रखने में अपना सिक्रय सहयोग प्रदान करेंगे साथ ही भविष्य में उत्पन्न विवाद/मतभेदों का निराकरण वैधानिक प्रक्रिया के माध्यम से ही करना सुनिश्चित करेंगे।
- (17) पक्षों द्वारा उत्पादन, उत्पादकता बढ़ाने, लाभ का उच्च स्तर अर्जित करने तथा औद्योगिक शांति एवं सद्भाव के लिए निम्न क्षेत्रों में संयुक्त प्रयास करने का संकल्प लिया गया :
  - कच्चे माल (बाक्साइट) का संरक्षण करना एवं अपव्यय नहीं करना।
  - उत्पादन में वृद्धि करना एवं लागत में कमी लाना।
  - * कार्य में गुणवत्ता को बढ़ाना।
  - कार्य स्थिति एवं सुरक्षा में सुधार के प्रति निरंतर सचेत और सतत् प्रयास करना।
  - अनाधिकृत अनुपस्थिति को शून्य करने के लिए प्रयास करना।
  - पानी एवं ऊर्जा का अपव्यय न करता।
  - मशीन एवं उपकरणों का अनुरक्षण एवं सदुपयोग करना।
  - प्रशिक्षण द्वारा ज्ञान एवं कुशलता बढ़ाना एवं सर्वांगीण विकास करना।

15. पक्षों के मध्य यह आपसी समझौता प्रतिष्ठान में औद्योगिक शांति, सद्भाव परिवार भावनाएँ, सुरक्षा बढ़ाने और श्रमिकों के कल्याण और निरंतर प्रगति के उद्देश्य से आज दिनांक 24-4-2003 को सौहार्दपूर्ण वातावरण में सम्पन्न हुआ।

By Order No. L-29012/30/2003-IR (M) dated 14-11-2003 the Central Govt. in exercise of its powers under Section 10(1)(d) and (2A) of the Industrial Disputes Act, 1947 referred the following dispute to this Tribunal for adjudication:

"Whether the removal of Mr. J. K. Tiwari, Ex-Supervisor with effect from 20-12-2002 by the management of MMTC handling pool, Kolkata without issuing any chargesheet, without conducting any enquiry and without issuing a termination order is justified or not? If not, whether he is entitled for reinstatement of his service with all attendant benefits and back wages or not? If not, to what relief he is entitled?"

- 2. When the case is called out today, Advocates for both the parties state that the matter under reference has been settled between the parties out of the Court. They file a joint petition enclosing therewith the settlement dated 12-04-2005 duly signed by the parties. They pray for an Award in terms of the above settlement.
- 3. On consideration of the submission of the parties and also the settlement as filed, I find that the terms of the settlement is bona fide, reasonable and in the interest of the parties. I, therefore, accept the same and pass an Award in terms of the said settlement. The joint petition and the settlement dated 12-4-2005 is made part of this Award as Annexure-A.

This is my Award.

#### **AWARD**

The Central Government in the Ministry of Labour vide its Order No. L-15012/4/98-IR (M) dated 10-2-1999 has referred the following Industrial Dispute to this Tribunal for adjudication:

"Whether the action of the Medical Superintendent, E.S.I. Hospital, Basaidarapur, New Delhi, in terminating from service Ms. Maya Gupta, Staff Nurse w.e.f. 25-2-95 by their order dated 26-11-96 is proper and justified? If not, to what relief and benefits are the said workmen entitled to?"

- 2. Briefly stated the facts of this case are that she (the workman) was appointed as Staff Nurse on 6-10-90 and declared permanent vide order dated 17-9-91. She was admitted for delivery in the same hospital during August, 93 and was granted Maternity Leave up to Feburary, 94 and thereafter she joined duty while she sustained injuries in her spinal cord while returning from duty and remained bed ridden and applied for medical leave from 25-2-95 to 3-5-95 but despite any sympathetic view of her grave illness the management started enquiry proceedings and her services were terminated w.e.f. 25-2-95 vide letter dated 24-11-96 without giving any opportunity of being heard at her back. It is further stated that the hospital asked her to appear before standing medical board but she could not. She requested vide their letter dated 16-5-95 to the manatement/department to take her from her home for medical examination as she was bed ridden and unable to move but the department decided the enquiry exparte which was misconceived. Shè was not given any opportunity. Hence in view of the above it is avered that order dated 26-11-96 was illegal and the same is sought to be quashed with a claim for appointment to the post.
- 3. The claim was contested by the management respondent by filing written statement stating therein that the applicant workman has suppressed material fact. She started absenting herself from duty from 25-2-95 and produced medical certificates indicating backache. She was directed to appear before medical board for 2nd medical opinion vide letter dated 12-5-95. Applicant neither appeared before the board nor reported for duty. She was issued charge sheet dated 4-5-96 and she asked for two years further leave on the following grounds namely that her mother in law died; that there was no female member to look after her young children aged 4 years and 2 years and her father in law was too old. It is further stated that fair and impartial enquiry was held as per Statutory Regulations giving adequate and ample opportunity to the applicant; and the applicant was given copy of the enquiry report dated 16-8-1996 and Disciplinary Authority accepted findings of the Enquiry Officer and ordered termination of services of the applicant by order dated 26-11-96. Applicant filed an appeal before the Appellate Authority which was rejected. It is further admitted that the applicant was

appointed as Staff Nurse and regularised vide order dated 17-9-91. The contention that the applicant was made permanent by order dated 17-9-1991 is factually incorrect and denied. In view of the above reference is sought to be rejected.

- 4. Written statement was followed by rejoinder wherein the facts mentioned in the written statement were controverted and those of the claim statement were reiterated to be correct.
- 5. Therafter case was fixed for evidence of the workman after admission denial and framing of issues workman filed her affidavit in evidence and the matter was posted for cross-examination of the workman. As per order sheet workman filed her affidavit on 15-3-2001. Thereafter case was fixed for cross-examination of the workman on 2-3 hearings and thereafter case was fixed for crossexamination of workman on 8-2-2002 and on subsequent many hearings on 18-4-2002, 15-7-2002, 9-10-2002, 2-12-2002, 27-1-2003, 11-2-2003, 31-3-2003, 24-6-2003, 26-8-2003, 29-10-2003, 27-1-2004 and on 10-3-2004 when the workman was present with her A/R Shri Prem Parkash and thereafter case was again fixed for cross-examination on 6-4-2004 and then 16-6-2004, 13-7-2004, 30-9-2004, 20-12-2004 and on 4-4-2005 when father in law of workman Shri K. L. Gupta appeared and submitted that the workman would not produce herself as she had appeared previously herself. However he was unable to produce his authority letter. Hence case was again adjourned to 5-5-2005 for cross-examination of the workman but workman failed to appear for cross-examination and was proceeded exparte.
- 6. Penisal of the record shows that the workman was the employee of the management as she was appointed by the management respondent as Staff Nurse and have been regularised. She was employee of the management and even regularised by the Management. However, she remained absent from duty and for a very long period of more than two years and an enquiry was conducted against her and she was given amble opportunity. Enquiry report was also furnished to her according to the management and her services were terminated by disiplinary authority after conclusion of proper and fair enquiry. The burden to prove the issue in reference is on the applicant workman claimant that the action of her termination of service was illegal and improper but the workman has filed her affidavit dated 26-2-2001 in her evidence which cannot be read as she did not produce herself for cross-examination by the management. Therefore, under these circumstances, I have no option but to hold that the claimant workman has failed to prove or show that the action of the management in terminating her services is illegal or unjustified. In the absence of any evidence, the action of the management cannot be held to be unjustified i.e. to say that the action of the management respondent is held to be legal and justified. Award is accordingly passed. File be consigned to record room.

### **AWARD**

The Government of India, Ministry of Labour referred the following dispute for adjudication to Presiding Officer, CGIT-cum-Labour Court, Lucknow:

"Whether the action of the management of State Bank of Bikaner & Jaipur in terminating the services of Sri Veer Singh w.e.f. 8-3-1985 is legal and justified? If not, to what relief the workman is entitled to?"

The worker's case in brief is that the worker Veer Singh worked as Peon/Godown Watchman during 18-12-84 to 7-3-85 in Kaushalpuri branch of State Bank of Bikaner & Jaipur, Kanpur and his services were terminated on 8-3-85 without observing the provisions of I.D. Act. The worker moved an application before Asstt. Labour Commissioner (C) Kanpur and thereafter aggrieved from order of Asstt. Labour Commissioner (C) Kanpur the U.P. Bank Employees Federation including Sri Veer Singh filed a Writ Petition No. 45884/92. In the Hon'ble High Court of adjudicature at Allahabad, Hon'ble High Court passed a writ of mandamous and again the worker filed the application before Asstt. Labour Commissioner (C) Kanpur and thereafter the case has been referred vide order No. L-12012/237/2000/IR(B-1) dated 16-10-2000. Worker has alleged that he only reads and write and he was never sent any letter by the opposite party to take him back in the service. The worker has also alleged that juniors to him were retained in the service who also did not complete 90 days of work but they were put in service to complete 90 days and thereafter they were regularised. Worker has therefore prayed that court may declare that the termination order dt. 8-3-85 is illegal and improper. The worker has also prayed that he be reinstated back in service with all back wages.

The opposite party has denied the claim of workman that since the workman has not worked for 240 days in a year therefore the worker is not entitled to any benefit under section 25B of I.D. Act. The worker was appointed for a specific period and thereafter his services were terminated and there is no need to give any notice to the worker. The worker has never been appointed by competent officer instead he was appointed for specific period in absence of regular employee proceeding on leave. It is pointed out that the worker was not appointed after prescribed procedure and according to the procedure the names are invited from the Employment Exchange and after interview they are appointed on merit and without adopting above procedure no one can be employed in the subordinate cadre in the bank. It is also alleged that whenever the work increases in the bank and the permanent employee goes on leave in the circumstances to meet the administrative exegencies the bank is compelled to appoint some persons to meet the needs so that there is no adverse effect in the interest of customers and Bank. The worker's cade does not fall within the perview of retrenchment it is covered under section 2(00) (bb) in the I.D. Act. 1947. The worker does not get any right for regular appointment and in case the case of the worker is admitted it will violative of Article 14 and 16 of the Constitution of India. The opposite party has also alleged that the bank vide its letter No. per./42/87 dt. 23-4-87 provided the opportunity to all those temporary employees who were

engaged in the bank under the direction of the Govt. of India, Ministry of Finance, New Delhi and the bank also invited for the proposed test to all casual labours by publishing notice in Hindi and English News papers. published in the country and therefore the bank followed the provision of section 25H of the I.D. Act. After test the result was declared and the workers were appointed. Opposite party has also alleged that the claim is highly belated and the worker did not raise the dispute before the Tribunal. The Opposite party has alleged that it has not violated the provsion of section 25G and H of the I.D Act. It is admitted that the worker has not worked for 240 days and therefore the case of worker is not covered under section 25F and 25G of the Act. The dispute pertains to year 1984-85 where as the worker has filed the statement of claim after lapse of 16 years and in case the worker has any complaint he could have immediately approached to the court and since the claim has not been filed in time and therefore it is barred by time. The worker was never appointed on regular permanent post. It was made clear in the appointment letter that the period for which he was employed if the same is over, his services was automatically came to an end and no notice shall be needed for termination of service. The worker after understanding the contents of the appointment letter that his services for limited period, he joined the duties and now he can not raise the dispute. The worker has not filed necessary documents in support of his case and therefore it is not possible to reply the statement of claim fully. It is also stated that the worker in spite of the orders of the Hon'ble High Court passed in Writ Petition No. 45884/92 dt. 12-3-92 did not approached the competent officer within the stipulated period. It is denied that the Veer Singh was appointed on the post of Peon instead he was appointed as Godown Watchman during the period 18-12-84 to 7-3-85 when the watchman proceeded on leave. The worker never discharged the duties of the Peon. It is stated that the U.P. Bank Employees Federation was not authorised to raise the dispute of Veer Singh even then the bank vide their circular dt. 23-4-87 offer the opportunity to all causal and temporary employees to get them absorbed in the regular services. With a view to give information of test the bank notified the notice in all English and Hindi News Papers of the country and all those who completed 90 days of services after 1-1-82 but Sri Veer Singh was not qualified since he did not complete 90 working days. Regarding the details of the worker who were retained in service the Opposite party has alleged that in case the worker gives full evidence, the Opposite party can give appropriate reply. According the Opposite party has requested that the worker is not entitled to any relief.

The worker has filed the photo copies of the following documents;

1. Photo copy of appointment letter dt. 18-12-84 which shows his employment till 16-1-85.

- 2. Photo copy of appointment letter dt. 17-1-85 which shows the extension of his employment till 15-2-85.
- Photo copy of appointment letter dt. 16-2-85 which shows that his employment is extended up to 7-3-85.
- 4. Photo copy of statement of service of Veer Singh.
- 5. Photo copy of receipt dt. 25-6-87.

Opposite party has filed the photo copies of the following documents;

- Circular regarding recruitment in subordinate staff No. PER/27/78 dt. 16-5-78.
- 2. Circular of the Opposite party regarding temporary appointment dt. 1-11-79.
- 3. Circular dt. 30-3-01 regarding part time sub staff Sweeper on consolidated salary basis.
- 4. Circular No. PER/24/87 dt. 12-3-87 regarding subordinate staff age limitation for recruitment.
- Govt. of India, Ministry of Finance order No. F-3-2/ 104/87 dt. 16-8-90 regarding recruitment and absorption of temporary employees in public sector banks.
- 6. Approach paper on issue of temporary employees.
- 7. Circular No. PER/REC/Temp/6 dt. 20-10-90.
- 8. Facts regarding ex-temporary employees who had put 90 or more days after 1-3-82 with prescribed proforma English and Hindi.
- 9. Notice of the bank dt. 24-10-90.
- Circular No. PER/812/87 dt. 23-4-87 in English and Hindi.
- 11. Letter addressed to Manager (P&A) State of Bikaner & Jaipur, H.O. Jaipur.
- 12. Prescribed proforma of application form English & Hindi.
- 13. Circular PER -41/87 dt. 22-4-87.

The worker has produced his affidavit and he has been cross examined by the Opposite party. The Opposite party has filed the affidavit of Sri Brijender Lal Manager of State Bank of Bikaner & Jaipur, Kaushalpuri Branch, Kanpur, Sri Brijender Lal has also been cross examined.

Opposite party has also filed the photo copy of appointment letters and the statement of service.

Heard worker's representative. The opposite party's representative could not be heard and perused the record.

It is admitted fact that the worker has not put in more than 90 working days prior to his termination or during whole of his service. The appointment letters filed by the worker also prove that the worker Veer Singh was engaged as Godown Watchman and not as Peon. The photo copies of the appointment letters filed by the worker are best evidence of the nature of his appointment. The appointment letters proves that the worker's services came to an end on 7-3-85. The appointment letter dt. 16-2-85 makes it clear that the worker's appointment was purely temporary till 7-3-85 and his services were terminable without any notice whatsoever. It has also stripulated in the appointment letter that the bank reserves its right to terminate his services before as provided in the award. Veer Singh was directed to return duplicate of the memorandum duly signed by him as token of his acceptance on appointment on above terms and conditions. Section 2(00)(bb) defines retrenchment as under: "retrenchment" means the termination by the employer of the service of a workman for any reason whatsoever, otherwise than as a punishment inflicted by way of disciplinary action but does not include—

- (a) voluntary retirement of the workman; or
- (b) retirement of the workman on reaching the age of superannuation if the contract of employment between the employer and the workman concerned contains a stipulation in that behalf; or
- (bb) termination of the service of the workman as a result of the non-renewal of the contract of employment between the employer and the workman concerned on its expiry or of such contract being terminated under a stipulation on that behalf contained therein; or
  - (c) termination of the service of a workman on the ground of continued ill-health;

Section 25F defines conditions of retrenchment as under:

No workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until:

- (a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice wages for the period of the notice;
- (b) the workman has been paid, at the time of retrenchment, compensation which shall be

- equivalent to fifteen days average pay (for every completed year of continuous service) or any part thereof in excess of six months; and
- (c) notice in the prescribed manner is served on the appropriate government (for such authority as may be specified by the appropriate government by notification in the official gazette).

Terms and conditions of the 1st apointment letter dated 18-12-84 contains following facts:

- (a) The worker was for the fixed period of 30 days terminable on 16-1-85.
- (b) Appointment was for the fixed consolidated of Rs. 430 plus D.A.
- (c) The worker was appointed by the Branch Manager of the Bank.
- (d) Appointment contained the condition that the worker's services could be terminated before the fixed period by serving notice;
- (e) The worker shall return the duplicate copy of appointment with duly signed by him as token of his acceptance.

2nd appointment letter of appointment cum extension letter is refers to 1st one dt. 18-12-84, by which the appointment period is extended upto 15-2-85 with specific clause that the services shall be terminated without notice on 15-2-85. The said letter is followed by 3rd letter in the nature of extension of service till 7-3-85 with clear stipplated that his services shall be terminated on 7-3-85 without any further notice whatsoever.

Photo copies of appointment letter has been filed by the worker himself, the originals of which must be in his possession. From the above appointment letters it is proved that he worker was appointed as Godown watchman during the period of 18-12-84 to 7-3-85 for a total of 80 days only contrary to the documentary evidence it can not be believed that he was employed as peon as well. He has alleged that his services were terminated on 8-3-85.

The simple issue before the court is whether the termination is illegal & unjustified.

The worker has stated in the statement of claim at para 11 of the statement of claim that his employment illegal and unjustified on the following grounds:

(1) Bank is indulged in unfair labour practice by employing the class IV employees for a period of less than 90 days, so that the worker may not have opportunity to gain temporary status in the service under bipartite settlement.

- (2) The worker of peon & chowkidar is of permanent nature, but workers have been engaged as temporary on daily wage basis.
- (3) The worker was paid Rs. 1000 per month when as regular workers more wages.
- (4) Hon'ble Supreme Court has declared that the practice of employing the temporary worker is unfair labour practice.
- (5) That the juniors to the worker were allowed to complete 90 days work to get regularisation in service.
- (6) In case the worker did not complete 90 days work, they were employed to complete 90 days in other period.
- (7) Termination of service comes under unfair labour practice.

Worker has not claimed that he has been terminated even though he was completed the 240 days work prior to his disengagement.

Worker claims that he ought to have been engaged for 90 days.

The issue referred is not that whether the engagement of the worker for a period of 80 days illegal and unjustified & whether the non-employment of worker for 90 days is illegal or unjustified. This court has to confine itself to the issue referred to it by the government for adjudication. It is established law that the Tribunal can not go beyond the terms of reference made to it. Labour Court cannot travel beyond the reference made to it.

From the evidence on record it is proved that the worker was appointed by the Branch Manager, Kasuhal Puri Branch of the Bank. No instance has been shown that any one was engaged the said branch after the worker left the job on 8-3-85. From perusal of the initial appointment letter dt. 18-12-84, it is made out that it was on the application of the worker Branch Manager of Kaushalpuri appointed him for fixed period. There is no allegation to the effect that the worker after 8-3-85 applied to the Branch Manager, Kaushalpuri Branch for further engagement or he requested any other Branch Manager for engagement.

Manager of the bank Sri Brijendra Lal has in para 6 of affidavit stated that there has been no unfair labour practice on the part of bank management.

In para 7 of the affidavit stated that the engagement of workman was not made by adopting prescribed process or procedure for engaging or appointing an employee in the bank and as such on the basis of such engagement which may also be termed as back door entry. Cannot

confer any right upon the workman for claiming his permanent or regular employment or alleging termination. It is also pointed out in the affidavit that even names from Employment Exchange were not called although for making regular or permanent appointments such process is necessary. In para 8 of the affidavit the Manager has stated that it is always open to any person fulfilling the conditions & qualification etc. to apply for the post for which applications are invited. In para 9 of the affidavit it is stated that the exigency of work & also due to temporary increase in the work or on account of leave vacancy etc. engagements are made on daily wages or fixed wages or even in the regular pay scales for such period.

In para 10 of the affidavit Manager has stated that concerned workman had worked for temporary period of 80 days for which no procedure for regular appointment was adopted & the workman cannot equate himself with those who had applied against permanent post on regular basis and if any person after having gone through the prescribed procedure for regular appointment is appointed, there upon the workman cannot raise any grievance.

I have perused circular of the Bank PER/66/79 dated 12-11-79. By this circular the Head Office of the Bank has barred the Managers for appointing any employee for more than 80 days, as the Branch Managers were enabling some workman to complete 240 days.

Government of India, Ministry of Finance under its order F-3/3/104/87-IR dated 16-8-90 circulated approach paper to all public sector banks asking banks to utilise their existing panel of temporary employees and in case these employees were not taken from Employment Exchange the bank would be requested to approach to DGET directly seeking ex-employees. Government also directed that until the problem of existing temporary employees is fully redressal, no bank will be permitted to make temporary appointments. It was on the approach letter it was provided that those temporary employees who had put in minimum temporary service of 90 days more days after the cut off date i.e. 1-1-1982 will be eligible for considering under the scheme.

Thus the scheme was floated on the year 1990 & it was also after the 1990, that the workman thought that if he could have completed 90 days, he could have been eligible to get regular job. It is in these circumstances the worker after leaving the job kept silence. There appears to be nothing on the part of the management that it indulæged on unfair labour practice.

Manager of the bank has stated in para 13 of the affidavit that worker after having submitted to the terms and conditions of his engagement for a short period which comes to an end automatically, the workman is estopped from challenging alleged termination of his service w.e.f. 8-3-85. The workman also did not raise any protest at the time of acceptance of his wages after the termination of

service. Not a single question is put to manager to the above facts in his cross examination by the representative of the worker.

It is admitted by the workman in his cross-examination that his name was not forwarded by Employment Exchange for employment in the Bank. It is also admitted that he was not subjected to test or interview.

In the circumstances and discussions above it is explecitly clear that the worker was engaged by the Branch Manager for a fixed period as stated earlier and his services came to an end on the expiry of 7-3-85. His services were further not extended by the Branch Manager, Kaushalpuri branch of the bank had not authority to extend it further.

Following case law are relevant on the facts of the present case:

Hon'ble High Court of Allahabad in O.M. Writ Petition No. 953/86 decided between the Manager, State Bank of India, Kanpur and Presiding Officer of Industrial Tribunal (Central) Kanpur and others has laid down the principle that where a clerk/cashier was employed only for period of 75 days, in exigencies of work and additional requirement of the bank provisions of Section 25G & 25H would not be applicable (1990 Vol. 60 FLR 672).

In another case 2002 (95) FLR 533 Hon'ble Allahabad High Court between Mohd. Islam *Vs.* Presiding Officer, Labour Court Agra and others has held. After considering the respective cases evidence produced by the parties. Labour Court recorded the findings that workman was employed by the employer w.e.f. 3 July 1990 and on 9-3-91 he left the job as he already got the job of Asstt. Ward Boy where he is still working. Labour Court has further recorded the findings that workman has not disputed the aforesaid fact workman absented and did not come to join the job, employer has not terminated the services and also he has completed 240 days in the calendar year, thus he is not entitled for any relief under Section 6N and 25F of the I.D. Act, 1947.

In this view of the matter, the findings recorded by the Labour Court the workman has not completed 240 days in an celandar year and further the workman is not entitled for any relief is also affirmed.

Hon'ble High Court of Punjab & Haryana between Rajesh Sharma & Presiding Officer, Labour Court & another (2000/87 FLR 767) has held where petitioner was not appointed in accordance with rules governing recruitment but engaged on the basis of need of work, his dis-engagement can not be termed as retrenchment as he was appointed for specific period of 89 days. Facts were that the worker was appointed for 89 days from March 16, 1989 to 13 March 1989, on expiry of 89 days, his appointment was extended to further 89 days from 15th June 89 to Sept. 11, 1989 and on the expiry of this period his services automatically came to an end.

Hon'ble High Court of Kerala between President Peroorkada Service Cooperative Bank Ltd. Trivendrum and S. Sheena & others (2000 III LLJ 459) has held [(Sec 2(00)(bb)] engagement of person for casual work to audit & accounts on daily wages for intermittent period—Denial to such persons held, could not be held retrenchment.

Hon'ble Karnataka High Court (F.B.) between Narwdaya Vidayalaya Vs. Smt. K. R. Hemavalli (2000 Lab/C 3745) has held while dealing with Section 2(00)/bb), 25F of I.D. Act, has held that Clerk appointed on temporary basis under fixed term contract of service—Her discontinuation from service can not be treated as retrenchment even though she had worked for continuous period 240 days. While laying down the principle of law the Hon'ble Court referred following case laws;

- Bhiklm Ram Vs. Industrial Tribunal-cum-Labour Court, Rohtak 1995 Lab. I.C. 2448 (P&II): 1996 Lab. LR 259.
- M. Venegopal Vs. Div. Manager LIC of India AIR 1994 SC 1343.
- Anand Bitare Vs. Rajasthan SRTC 1991 Lab IC 494 AIR 1999.
- H.D. Singh Vs. Reserve Bank of India 198 Lab IC 1733; AIR 1986 SC 132.

Delhi High Court also in Amit Yadav & others Vs. Delhi Vidyut Board (2000 Lab IC 626) has held contractual appointment comes to an end by efflux of time on completion of fixed duration. Appointee has no right to remain as post beyond contract period.

Again Hon'ble Supreme Court in Harmohndeo Singh Vs. Kharga Canteen Ambala Cantt. (2001 Lab. I.C. 2391) has laid down "In Section 2(00)(bb) which expressly excludes termination of the service of a workman as a result of non renewal of the contract of employment between the employer and the workman concerned on its expiry of or such contract being terminated under a stipulated in that behalf contained there on". Contract of service for a fixed term are therefore excluded. This court in Uptron case (1998 AIR SCC 1447) 1998 SC/681: 1998 Lab. I.C. 1543: 1998 ALL LJ 1099 (Supra) has also held that the principle of natural justice are not applicable where the termination takes place on the expiry of contract.

In this regard it is necessary to high light the latest case law 2003 (99) FLR 97 of Allahabad High Court between State of U.P. & Presiding Officer, Labour Court, Agra & others has held while dealing with Sec. 2(00)(bb) of I.D. Act, 1947 that Non-renewal of contractual employment, does not amount to retrenchment.

Hon'ble Supreme Court in Escorts Ltd. Vs. Presiding Officer and another (1998 Supreme Court cases L&S 235) has laid down that since the service of the workman were terminated as per the terms of contract of employment it

does not amount to retrenchment under section 2(00) of the I.D. Act. the Labour Court was in error in holding that it constituted retrenchment & was protected by section 25F & 25G of the Act.

Similarly on there are following case laws have laid down that termination for non renewal of contract of employment is not retrenchment.

- 2000 (86) FLR 142 Kerla High Court (DB) between Manager Jai Bharat Printers & Publisher Ltd. Calcutta & Labour Court, Kozhikode & another.
- 2. 20003 Lab I.C. No. 70 (Ori) Divisional Manager Orissa State Cashew Development Corporation Vs. Presiding Officer, Labour Court.
- 2000 (84) FLR 410 Madhya Pradesh High Court, Indane Bench Between M.P. Electricity Board & Presiding Officer & others.
- 2001 (90) FLR 873 between M.P. Electricity Board & another and Dinesh Kumar Agrawal (Supreme Court)
- 2001 (90) FLR 528 Gujrat High Court between Naresh Kumar Man Lal Parmar Vs. ONGC Ltd. & another.

Worker Veer Singh was appointed by the Branch Manager, Kaushalpuri Branch of State Bank of Bikaner & Jaipur. In such circumstances Branch Manager Kaushalpuri branch of the bank became employer of Veer Singh. It has not been alleged that any one else in his place has been appointed as Godown Watchman. After his contractual employment came to an end. In case there was a single instance any one else has been appointed as Godown watchman after 7-3-85 Veer Singh could have a chance. In para 11(5) of the statement of claim that any others were juniors to him were retained in the service is not clear. The worker has example of Sham Nath. According to worker himself Sham Nath worked in 1980-81 and he was again employed on 1986-87. It is not disclosed to on what post and in which branch of the bank he was employed in 1980-81. On worker's own statement Sham Nath was employed in 1980-81 he can therefore be not junior to the worker Veer Singh. Worker has cited an example of Ram Chandra Savita and has stated the his 90 days worked was got completed in 1986-87 of Geeta Nagar branch of the bank. When Ram Chandra Savita was first employed is not mention more over it is not alleged that he was employed in Kaushalpur Branch of the bank.

Veer Singh has given example of some other persons in the same para but has not stated the relevant period of work. Even in the affidavit it is not alleged that any one else was appointed as Godown watchman after 7-3-85.

Worker Veer Singh although in para 2 of the statement of claim has stated that he worked w.e.f. 18-12-84 to 7-3-85 in para 3 of the statement of claim he has stated that he was terminated on 8-3-85 but in the cross-examination he falsely states "18-12-84 से 7-3-85" तक ही मैंने काम नहीं किया बल्कि अधिक दिनों तक किया"

Sir Brijendra Lal was produced by the management for cross-examination but the worker's representative did not give any suggestation that any one else was appointed in temporary capacity after 7-3-85.

It can not be said that the worker worked in any other capacity then Godown watchman during 18-12-84 to .7-3-85.

This is admitted fact that the worker was not appointed against any permanent vacancy of Godown watchman. The worker could not be believed that he worked as peon also.

The worker has admitted in the cross-examination that his name was not sent by the Employment Exchange neither he was subjected to test and interview where as the worker's are appointed by the bank after complying the prescribed procedure and no procedure for regular appointment was followed. From the evidence on record and I also come to the conclusion that the exigencies of work he was given contractual appointment.

On behalf of the worker 1997(76) FLR page 393 Oriental Bank of Commerce and Union of India & others hae been cited where in worker's case was that there was permanent vacancy of clerk on which they were appointed for idefinite period their appointment was to made the work of permanent nature those appointment was temporarily and they were entitled to continue of the post. The clerks worked in the bank 80 to 90 days. In that case it was proved that new hands were recruited in place of the clerk and no opportunity to the concerned workman was given and this fact was not disputed. In the present case firstly it is not a case of clerk but of watchman secondly it is not alleged nor proved that any one else was appointed as Godown watchman in the Kaushalpuri branch of the bank. In the circumstances the said case law does not help the worker. There are many case laws which have been cited above in page No. 10 to 12 by which guides us to conclude that worker's employment was for a fixed period & the services were terminable on 7-3-85 and it did not need. any termination order. Issue is accordingly answered. Worker is not entitled to any relief.

1. The Central Government in exercise of the powers conferred under Clause 'D' of sub-sections 1 & 2(A) to Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the 'Act') has referred the following industrial dispute for adjudication to this Tribunal which runs as under:—

"Whether for the union of full scale of wages to Shri Rajkumar working in State Bank of Bikaner & Jaipur at Shekhawat Branch, Sikar as PTS since 1-3-1992 is justified? If so, what relief the workman is entitled to and from which date?"

2. The applicant-union in its claim statement has pleaded that the workman Sh. Rajkumar is working with the non-applicant bank as a part-time Sweeper w.e.f. April, 1988 and in the year 1992, a bipartite settlement was held between SBBJ Employees Coordination Committee and the management of non-applicant bank and the norms for fixation of the wages were settled. The workman was discharging his duties as part-time Safaiwala on one-third pay-scale from April 1988 and after issuance of the circular by the bank management, his pay-scale was revised from one-third to three-fourth w.e.f. 1-3-1993. In terms of this circular, a Sweeper who has to clean an area of more than 5000 sq. ft. and has to work for more than 29 hours per week was made entitled to full-time Sweepers w.e.f. 1-3-1992. It is further stated that the workman was cleaning more than 5000 sq. ft. at the ground floor and the first floor of the branch regularly and is working for more than

- 29 hours a week, who is entitled to get the wages in full scale w.e.f. 1-6-2003. He has urged that the difference from the period 1-3-92 to 1-6-2003 be awarded to him.
- 3. Disputing the claim, the non-applicant in his written statement has stated that since the workman had not raised the demand before the management, therefore, he is not entitled to get the said relief. It has been further stated that the pay-scale of the workman was revised from 1/3 to 3/4 w.e.f. 1-3-93 which was accepted by the workman without any objection and after a lapse of about 6 years, he has raised the dispute. It has been denied that the workman was cleaning an area of more than 5000 sq. ft. and has stated that he never worked for more than 6 hours per day.
- 4. The case was fixed for filing the affidavit of the workman on 23-3-2005. On this date, none appeared on behalf of the workman and the case was again posted for filing the affidavit of the workman on 13-4-2005 and thereafter on 21-4-2005. On all these three consecutive dates scheduled for filing the affidavit of the workman in evidence, he did not put his appearance and no reason could be assigned for his non-appearance. Therefore, on 21-4-2005, his evidence was closed. The non-applicant has chosen not to adduce any evidence.
- 5. I have heard that ld. representative for the non-applicant and have scanned the record.
- 6. Evidently, the workman has not endeavored to bring any material on record to substantiate his plea and has not even filed his affidavit in the evidence. Therefore, it is a case of no evidence and the workman has failed to establish his right. Accordingly, he is entitled to no relief.
- 7. Consequently, the reference is answered in the negative against the workman and in favour of the management and it is held that the demand of the Union for full scale of wages to the workman Sh.Rajkumar since 1-3-1992 is not justified. The claim of the workman is dismissed. An award is passed in these terms accordingly.
- 8. Let's copy of the award be sent to the Central Government for publication under Section 17(1) of the Act.

# AWARD

- 1. The Central Government in exercise of the powers conferred under Clause 'D' of sub-Sections (1) and (2A) to Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the 'Act') has referred the following industrial dispute for adjudication to this Tribunal which runs as under:—
  - "Whether the action of the Northern Railway, Bikaner in removing from the services of Shri Karni Singh w.e.f. 12-3-1999 is legal and justified? If not, what relief the workman is entitled and from which date?"
- 2. The workman in his statement of claim has pleaded that he was appointed on 19-5-1980 as a Cleaner in the North West Railway, who was chargesheeted on 28-9-97 with the allegation that he remained on unauthorized leave w.e.f. 24-4-97 and after holding the disciplinary enquiry against him, his service was terminated vide order dated

- 12-3-99 Challenging his termination order the workman has further stated that he suddenly fell sick on 24-4-97 and it was intimated to the Station Superintendent, Suratgarh. After recovery of his illness he appeared before the Station Superintendent, Suratgarh and submitted his sickness certificate from 24-4-97 to 25-11-97, who was referred to the Divisional Medical Officer, Suratgarh, in whose treatment he remained from 3-12-97 to 15-5-98. When he reported for duty on 16-5-98 before the railway authority he was declined to join the duty and was orally intimated that his service was terminated. The workman has further averred that the charge levelled against him that he had never replied to the notices dated 18-6-97 and 3-7-97 is totally worng and it is stated that these notices were not served upon him. He has urged that his terminated order be set aside and he be reinstated in service with its cotinuity and all other consequential benefits.
- 3. Resisting the claim, the non-applicant in his written counter, has averred that the workman remained unauthorisedly absent from 24-4-97 without prior intimation to the authority and the disciplinary proceeding was initiated against him, whose service was terminated vide order dated 12-3-99. It has been further pointed out that during the period of his absence no residential address was furnished on behalf of the workman, who continuously absented himself from 24-4-97 and even did not put his appearance before the railway doctor on 15-5-98. Resultantly, he was discharged by the railway doctor and without any intimation to the railway authority he approached to the private doctor for his medical treatment.
- 4. In the rejoinder, the workman has reiterated the same facts as stated in the statement of claim.
- 5. After hearing both the parties on the preliminary issue of fairness of domestic enquiry, this Court vide its order dated 4-10-2004 declared the domestic enquiry to be defective and unfair. The management was permitted to lead the evidence to justify the chrages levelled against the workman.
- 6. On behalf of the railway, the affidavits of MW-1, Hussan Abbas, MW-2, Rajeev Balia, MW-3, Badri Prasad, MW-4, CR Kumawat have been brought on the record. The workman has submitted his counter-affidavit and has examined himself as WW-1. All these witnesses were cross-examined by the oppsite representatives respectively.
- 7. I have heard both the parties and have scanned the record.
- 8. The ld. representative for the non-applicant railway contends that the Station Superintendent Sh. Rajeev Balia had issued a letter to the higher authorities regarding the absence of the workman and the show-cause notice was served at his permanent address as well as it

was pasted on the notice board in the officer. The Ld. representative further contends that the charges levelled against him are fully proved and the earlier officer under whose the workman was posted has been retired. His submission is that MW-3, Rajeev Balia is fully aware of the facts of the case who has proved the charges. The next contention of the Id. representative is that the workman had never given any information regarding his leave and when he appeared before the concerned Station Master he was asked to get himself medically examined by the railway doctor, but he never turned up before him and the sickness certificates produced by the workman are afterthought.

- 9. Countering these submissions, the 1d. representative for the workman contends that two charges were levelled against the workman regarding his unauthorized absence from 24-4-97 onwards and that he had not replied to the notices of the railway management. His contention is that subsequent charge has not been proved on the count that the notices were not served on the workman. So far as the charge relating to unauthorized absence is concerned, the Ld. representative contends that the report dated 8-8-97 of the Station Superintendent has not been filed which was the basis of the charge and the then Station Superintendent, Suratgarh has also not been examined in support of the charges. His further contention is that the officers, who have been examined by the railway, are those officers under whose subordination the workman had never been posted. Thus, as per his contention the material documents and witnessses have not been examined. The Ld. representative then has contended that the workman in order to prove his defence plea that he was sick during this period, had filed his sickness certificates and this fact has been admitted by the non-applicant that he was ill. Lastly, the Ld. representative has contended that looking to the unblemished service record of the workman, the punishment of termination from the service imposed upon him is disproportionate.
- 10. I have given my anxious consideration to the rival contentions and have gone through the judicial verdicts cited before me.
- 11. The chargesheet dated 28-9-97 levels two charges against the workman. Firstly, that the workman remained on unauthorized leave w.e.f. 24-4-97 onwards and that had not replied to the show cause notices dated 18-6-97 and 3-7-97.
- 12. MW-1 Hussan Abbas is the Sr. Railway Clerk, Suratgarh Railway Station, who has stated that

- the workman absented himself from the duty w.e.f. 24-4-97 and the notice was pasted on the notice board on 28-9-98. MW-2, Rajeev Balia is the Station Superintendent, Suratgarh who has stated that the workman had worked under his subordination who absented homself from 24-4-97 without prior intimation and the report Ex-P-1 was submitted by him to the higher authorities. He has also deposed that the notices were pasted on the notice board in the office. In his cross-examination this witness has admitted that he is not personally aware of the facts of the present controversy. MW-3, Badri Prasad is the Traffic Inspector, Hanumangarh who was appointed as the Enquiry Officer in this case and who has deposed as to how the enquiry was conducted by him. His testimony has no relevancy since the domestic enquiry was declared defective and unfair by this Court. MW-4, CR Kumawat is the Divisional Railway Manager who has deposed that information Ex. M-1, in respect of the workman's absence was received in his office.
- 13. Thus, MW-1, Hussan Abbas, MW-3, Badri Prasad and MW-4, CR Kumawat are the formal witnesses.
- 14. So far as the service of the notices dated 18-6-97 and 3-7-97 on the workman is concerned, no material evidence could be led by the non-applicant railway indicating that these notices were served on the workman, In the absence of the service of these notices on the workman, he was not legally bound to reply them. Hence, this charge could bot be proved by the management in the absence of relevant evidence.
- 15. Now, I switch over the another charge regarding unauthorized absence of the workman.
- 16. Although the ld. representative for the workman has rightly contended that the report dated 8-8-97 of the Station Superintendent has not been brought on the record. yet on facts as narrated supra, it is not in dispute that the workman had absented himself from his duty w.e.f. 24-4-97 onwards. This fact has been categorically deposed by MW-2, Rajeev Balia who happens to be the Station Superintendent, Suratgarh and whose deposition is based on the official record.
- 17. Now, the next question which I am called upon to adjudicate is whether the workman has been able to render an explanation of his absence from the duty?
- 18. The workman's stand is two fold. Firstly, that he had addressed postcards to the concerned authorities

about his illness and secondly, that he has submitted the medical certificates to substantiate his plea that he was sick during the period in question.

- 19. So far as writing postcards to the concerned authorities is concerned, admittedly the workman has failed to bring any proof therof on the record. Regarding his illness the workman has submitted five medical certificates in his favour. Ex. W-1 is the certificate issued by one Vaidya named Sh. Vdyasagar of Bikaner, which says that he is sick from 23-4-97 to 2-5-97 and is fit report on duty w.e.f. 3-5-97. It does not carry the date of its issuance in it. The second medical certificate Ex. W-2 was issued by one doctor named Sh. Vasudev Singh, Physician and Surgeon at Bikaner, which indicates his sickness from 2-5-97 to 23-11-97 answas issued on 23-11-97. Ex. W-3, medical certificate was issued by Dr. Vasudev Singh on 22-2-2000 showing him to be ill from 27-12-98 to 22-2-2000 and the medical certificate Ex. W-4 issued by the same doctor exhibits the workmans's sickness from 16-5-98 to 22-2-2000. The period of both these certificates is nearly the same, which were issued by Dr. Vaudev on 22-2-2000 respectively. The last medical certificate Ex. W-5 was again issued by Dr. Vasudev Singh on 9-3-2000 showing the period of workman's illness from 1-3-2000 to 9-3-2000.
- 20. Thus, these certificates have been issued by the private medical practioners who have not been examined on behalf of the workman nor the workman has brought on the record the prescription slips and medical bills to strengthen his plea that he was ill during these spells. These medical certificates are also silent on the ailment the workman had suffered from. Therefore, these are shrouded with doubts and cannot be presumed to be genuine documents.
- 21. On behalf of the workman, it has also been contended that he had remained under the medical treatment of the medical officer, Suratgarh from 3-12-97 to 15-5-98. But in support of this plea, no sickness certificate/ fitness certificate issued by the medical officer, Suratgarh could be placed on the record on befalf of the workman. As stated earlier, the averment made by the workman in this respect has been denied on befalf of the railway management by categorically stating that he never turned up before the medical officer, Suratgarh for his medical treatment. The averment of the workman that he reported for duty on 6-5-98 but he was declined to join the duty, also stands uncorroborated from the record.
- 22. On an analytical examination of the materials available on the record, the workman has failed to satisfy

- the Court regarding his unauthorised absence from the duty w.e.f. 24-4-97 and he could not be able to render any reasonable explanation of his absence. Resultantly, the factual position of his unauthorized absence as depicted above, which is undisputed, stands proved against the workman.
- 23. Now, I advert to the question whether the punishment imposed on the wokman is disproportionate looking to the gravity of the misconduct levelled against him.
- 24. The ld. representative for the workman submits that the workman has unblemished service record and the punishment of termination is harsh and disproportionate. On the other had, the ld. representative for the non-applicant while referring to the decisions RLW 1998(3) Rajasthan 1479; 2001 (2) WLC (Rajasthan) UC 227 and 2001 WLC Rajasthan UC 780 has contended that the punishment of termination inflicted on the workman is not disproportionate looking to the nature of the misconduct levelled against him.
- 25 I have carefully gone through all these judicial verdicts wherein the Hon'ble Rajasthan High Court has considered the unauthorized absence of the workman from the duty as a grave misconduct and in these cases the punishment of the termination imposed on the peitioners was not interfered with. Hence, looking to the facts of the case the submission set forth on behalf of the non-applicant railway is supported by the views expressed by the Hon'ble Court in the decisions supra and no interference is warranted in the impugned punishment order.
- 26. On a carefully examination of the evidence and materials available on the record, the non-applicant railway has succeeded in establishing the misconduct of unauthorized absence from duty levelled against the workman and no interference is warranted in the punishment order.
- 27. Consequently, the reference is answered in the negative against the workman and in favour of the railway management and it is held that the removal of the workman from the service w.e.f. 12-3-99 is legal and justified. The claim of the workman is rejected. An award is passed in these terms accordingly.
- 28. Let a copy of the award be sent to the Central Government for publication under Section 17(1) of the Act.

#### SCHEDULE

"Whether the action of the management of All India Radio, Bhagalpur in terminating the services of the following workmen is legal and justified? If not, to what relief the workmen are entitled?"

- Laxmi Narayan Yadav
- 2. Haldhar Prasad Choudhary
- Bankim Chandra Sinha
- Anil Mehetar
- 5. Pavan Kumar Ram
- 6. Pradip Kumar Sah
- 7. Mahesh Paswan
- 8. Dilip Kumar Sah
- 9. Bhagwan Pandey
- 10. Pradip Lal
- 11. Charan Murmur
- 12. Basuki Mitra
- 2. The case of the concerned workmen according to the Written Statement submitted by them in brief is as follows:

It has been submitted that the concerned workmen viz. Laxmi Narayan Yadav, Haldhar Prasad Choudhary, Bankim Chandra Sinha, Anil Mehetar, Pavan Kumar Ram, Pradeep Kumar Sah, Mahesh Paswan, Dilip Kumar Sah, Bhagwan Pandey, Pradip Sah, Charan Murmur and Basuki Mitra were engaged by the management as permanent workmen against permanent vacancy w.e.f. 1-6-84, 1984, 1-2-87, 1985, 1989, 1987, 1980, August, 1987 November, 1988, June, 1989, 1985 and 1-12-1988 respectively. They submitted that since their joining under the management they worked continuously till 1-12-1990 and during the said period they put their attendance for more than 240 days in each calendar year. They alleged that management illegally and arbitrarily terminated their services orally w.e.f. 1-12-90 without assigning any reason and also without complying the mandatory provision of Section 25F of the I.D. Act, 1947. It has been submitted that after their termination they submitted representation to the management with prayer for their reinstatement in service but that went in vein. Accordingly they raised an Industrial dispute before the Conciliation Officer for conciliation but in the said conciliation proceeding no fruitful result yielded. Hence, the instant reference case was initiated. Accordingly the concerned workmen submitted their prayer to pass award directing the management to reinstate the concerned workmen with full back wages.

3. Management on the contrary after filing Written Statement-cum-rejoinder have denied all the claims and allegations which the concerned workmen asserted in their Written Statement. They submitted that the concerned workmen were engaged as daily rated workers as and when

required for performing casual nature of job and accordingly question of terminating their services never arose. They submitted further that they are not running any industry and the workmen employed by the management are bound by the terms and conditions as daily rated casual. They cannot take recourse to Industrial Disputes Act, 1947 and canot raise individual disputes on the pretext that they were not provided employment on regular basis and their services were terminated arbitrarily. Management further submitted that they engaged four casual workers viz. S/Shri Anil Mehetar (S. No. 4) Haldhar Prasad Choudhary (S. No. 2), Mahesh Paswan (S. No. 7) and Laxmi Narayan Yadav (S. No. 1) in the year 1984 for performing miscellaneous jobs of casual nature on daily rated basis. They disclosed that from 1984 to 1988 the establishment of All India Radio at Bhagalpur was located in a rented building and during that period the building of the establishment was under construction. They newly constructed building of the management was handed over by Contractor on 12-4-88 and thereafter necessary alterations, modifications of the building, shifting of materials from the hired building to the permanent building were carried on and in that process the concerned workmen were engaged on different casual nature of job on daily rated basis. They submitted that after taking possession of the permanent building of the establishment management engaged casual labours for digging soil, leavelling the grounds, growing grass for the lawns and for growing various plants in the garden for beautification and improvement of surroundings. In that process, the casual labourers were engaged on plantation jobs and various incidental jobs connected with plantations, making garden and lawn etc. After completion of all such jobs there was no requirement of engagement of a large number of casual labourers and as such all the persons could not be provided engagement sufficiently to enable them to earn their livelihood. They submitted further that they owned one outdoor Broadcast Van in the year 1992 and a diesel generating set for producing electricity. They disclosed that though there was no sanctioned post of diesel engine driver for operating Diesel Generating Sets as well as for driving the outdoor Broadcast van Dilip Kumar Sah (S. No.8) was appointed as Diesel Engine driver w.e.f. 25-11-1992 and he is continuing as such on regular basis. Accordingly there is no question of any grievance on his part against the management. They submitted that one Banarasi Ram was a regular staff under the management. As he died in harness his son Pavan Kumar Ram (Sl. No.5) applied for his employment on compassionate ground in place of his father and he was appointed as LDC w.e.f. 26-4-95 and still he is working under the management. Again Haldhar Prasad Choudhary (Sl. NO.2) was initially engaged as casual labour but subsequently was engaged as Peon to work as substitute during leave and sick vacancy of permanent peons. When a permanent vacancy of Peon occured in 1994 he was

selected and appointed as Peon w.e.f. 28-9-1994. He was the senior most casual labour engaged from 1984. Again Anil Mehetar (Sl. No.4) was engaged as casual Sweeper at Doordarshan Maintenance Centre and is still working there as casual sweeper. So also Mahesh Paswan (Sl. No.7) is working as Casual Peon at Doordarshan Maintenance Centre at Bhagalpur after establishment of that Centre was separated from All India Radio from 1992. They submitted that workman Charan Murmu (Sl. No.11) joined at Bhagalpur Head Post office as Class IV employee and he is still continuing his service there. He was relieved by the management and provided with the certificate for providing him as Class IV employee.

They disclosed that workmen Bankim Chandra Sinha (S.No.3), P.K. Sah (S.No. 6) and Bhagwan Pandey (S.No.9) were engaged for carrying temporary electrical works during the period from 1988 to 1990 as they possess Wireman's certificate. They disclosed that as they have competent technicians possessing diploma in Electrical Engineering as well as supervisory certificate and Wireman's permit they could not provide these three workmen on casual jobs and for which they were unable to engage them in their establishment. However, they are performing electrical jobs in the market regularly. They submitted that they did not terminate the services of these three electricians any day. They are not in a position to provide them jobs due to non-availability of the same. However, they consider their engagement if future jobs are available under them. The rest three workmen, they submitted, were purely unskilled labours who were engaged in daily rated basis purely for performing the jobs like digging earth, watering the plants and the grass and doing other miscellaneous jobs only at the initial stage of preparation of soil, ground and establishment of the garden. As they have permanent gardener and other stafff for doing day to day maintenance of the garden lawn and buildings the scope for their engagement is limited. However, there is no bar on their part to engage them in future if and when casual nature of job are available.

In conclusion they submitted that casual and temporary workers have no right for demand of regular employment and the management have no obligation to provide regular employment to such persons. As per conditions of employment they were provided jobs as and when available and some of them were engaged against future vacancies. They categorically denied the fact that they never terminated the services of the concerned workmen and for which the claim which they have made is not justified in the eye of law and for which they are not entitled to get any relief in view of their prayer.

#### 4. POINTS TO BE DECIDED

"Where the action of the management of All India Radio, Bhagalpur in terminating the services of the following workmen is legal and justified? If not, to what relief the workmen are entitled?"

- 1. Laxmi Narayan Yadav
- 2. Haldhar Prasad Choudhary
- 3. Bankim Chandra Sinha
- 4. Anil Mehetar
- 5. Pavan Kumar Ram
- 6. Pradip Kumar Sah
- 7. Mahesh Paswan
- 8. Dilip Kumar Sah
- 9. Bhagwan Pandey
- 10. Pradip Lal
- 11. Charan Murmur
- 12. Basuki Mitra

5. It transpires from the record that sponsoring union with a view to substantiate their claim examined one witness as WW-1 who is also one of the concerned workman. Management on the contrary in support of their claim examined three witnesses viz. MW-1, MW-2 and MW-3. Considering the facts disclosed in the pleadings of both sides and also considering evidence on record and also considering documents marked as exhibits I find sufficient ground to hold that all the concerned workmen were engaged as casual workers by the management. In the Written Statement submitted by the management it transpires clearly that in the year 1984 to 1988 the establishment of All India Radio at Bhagalpur was located in a rented building and during that period the building of the establishment was under construction. They newly constructed building of the management was handed over by the contractor on 12-4-1988 and thereafter necessary alterations, modifications of the building, shifting of materials from the hired building to the permanent building of the management were carried on and in that process the concerned workmen were engaged in different casual nature of job on daily rated basis. Therefore, these very facts disclosed in the Written Statement admits the claim of the concerned that they were engaged by the management as casual workers. It is also evident from the documents marked as Ext. M-2 and M-4 that the management called for the names of some persons from the Employment Exchange for their engagement as casual workers. In response to the said letters the Employment Exchange forwarded the names of some persons to the management which during evidence of MW-3 were marked as Ext. M-3 and M-4/1 respectively. From the list sent by the Employment Exchange I find names of some workmen. who were subsequently interviewed by the management marked as Ext. M-5 to M-5/6. It further transpires from the documents marked as Ext. M-6 and M-7 that management published a list of 22 workmen who had been selected for casual employment as casual labour (Technical) in the interview held on 19-12-88 at All India Radio, Bhagalpur. Out of these lists name of Bankim Chandra Sinha, Dilip Kumar Sah, Basuki Pd. Mitra, Bhagwan Pandey, Pawan Kumar Ram, Pradip Lai, Fradip Kumar Sah appears who have been considered as concerned workmen in this case. Order in respect of Laxmi Narayan Yadav (Ext.M-8) was issued seperately vide order dtd. 10-5-84. Laxmi Narayan Yadav was also one of the concerned workman in this case. From the selection list or from any other papers I do not find the name of Haldhar Prasad Choudhary, Anil Mehtar and Mahesh Paswan where they were engaged by the management to work as casual workers. Management in their written statement categorically admitted that the concerned workman Dilip Kumar Sah (Sl. No. 8) was appointed as Diesel Engine Driver w.e.f. 25-11-92 and he is very much in service under the management. Again Pawan Kumar Ram Sl. No. 5 was appointed as L.D.C. w.e.f. 26-4-95 and is working in that capacity under them. It has been further admitted by the management in para-12 of the Written Statement that Haldhar Prasad Choudhary was initially engaged as casual labour but was subsequently engaged as Peon to work as substitute during leave and sick vacancy of permanent Peon. Sebsequently w.e.f. 28-9-94 he was regularised as Peon. They further submitted that the concerned workmen Anil Mehetar (Sl. No. 4) and Mahesh Paswan (Sl. No.7) are attached to Doordarshan Maintenance Centre and they are ill working thereas casual sweeper and casual Peon respectively. Again in respect of concerned workman Charan Murmu (Sl. No.11). Management in para-15 of the Written Statement submitted that he joined at Bhagalpur Head Post Office as Class IV employee and he is continuing at that place. He was relieved by the management and provided the certificate for his regular employment at Bhagalpur Head Post Office as Class IV employee. Therefore, it is clear that excepting Charan Murmu five other concerned workmen named above are working under the management and also under Doordarshan Maintenance Centre. Only concerned workman Charan Murmu leaving the job of the management joined at Bhagalpur Head Post Office as Class IV employee and that has been affirmed by the management. Sponsoring union in course of hearing did not consider necessary to examine Charan Murmu to verify the statement of the management about his working at Bhagalpur Head Post Office as Class IV employee. As there was no rebuttal on that point there is sufficient reason to consider that Charan Murmu is now working at Bhagalpur Head Post Office as Class IV employee. In respect of other five concerned workmen whose names I have already mentioned above, management admitted that they are working under the management. Therefore, I think there is no scope to consider if they are entitled to get the Award in their favour or not. The representative of the sponsoring union in view of the facts admitted by the management submitted that in the circumstances it is to be looked into whether the rest six workmen viz. Laxmi Narayan Yadav (Sl. No.1), Pradip Lal (Sl. No.10) Pradip Kumar Sah (Sl. No.6), Bhagwan Pandey (Sl. No.9), Bankim

Chandra Sinha (Sl. No.3) and Basuki Mitra (Sl. No.12) are entitled to get any relief in view of their prayer or not?

6. It is seen from the documents marked as Ext.M-6 and M-7 that out of the six workmen four workmen viz. Pradip Lal, Pradip Kumar Sah, Bhagwan Pandey and Basuki Mitra were selected for casual employment as casual labour (Technical) in the interview held on 19-12-88 at All India Radio Bhagalpur. Considering the documents marked at Ext. M-2, M-3, M-4 and M-4/1 there is also no dispute to hold that the management not only called for the names from the Employment Exchange for appointment of casual workers but also Employment Exchange forwarded the names of suitable candidates including the concerned workmen as named above to the management in that regard. From the documents marked as Ext. M-8 it transpires that Laxmi Narayan Yadav got his appointment as casual worker by order dt. 10-05-84. Therefore, it is clear that four workmen named above while started working under the management as casual worker after 1988 one worker i.e. Laxmi Narayan Yadav started working under the management since June, 1984. It is the contention of the representative of the sponsoring Union since their engagement the concerned workmen worked under the management for more than 240 days in each year. It is seen that management in support of the attendance of these six concerned workmen submitted relevant document marked as Ext. M-1 to M-1/4. It is seen from the documents marked as Ext. M-1/3 to M-1/4 that the six concerned workmen worked more than 240 days in each year during the period in question. It is the specific allegation of the sponsoring union that the management illegally and arbitrarily terminated their services w.e.f. 1-12-90 without assigning any reason and without complying with the mandatory provision of Section 25F of the I.D. Act., 1947. It is the contention of the management that the concerned workman Bankim Chandra Singh (Sl. No. 3), Pradip Kumar Sah (Sl. No.6) and Bhagwan Pandey (Sl. No. 9) were engaged for carrying the temporary electrical work during the period from 1988 to 1990 as they happened to be the holders of Wireman's certificate. They submitted that they did not terminate the services of these three electricians but they are not in a position to provide them jobs due to non-availabelity of the same. However, they assured they will provide jobs in future if the same is available while in respect of other three concerned workmen i.e. Laxmi Narayan Yadav (Sl. No.1), Bankim Chandra Sinha (Sl. No.3) and Basuki Mitra (Sl. No.12) the contention of the management is that they were purely unskiled labours and engaged on daily rated basis purely for performing different jobs like digging earth, watering the plants and the grass etc., they disclosed that as they have permanent gardener for doing day to day maintenance of the garden, lawns and the building the scope of their engagement is limited and there is no bar for their engagement in future if and when the casual nature of job will be available. Therefore, considering statement of the management as made in para-

16 and 17 of the Written Statement it is clear that they appointed these workmen as casual worker. It is seen that end of them Laxmi Narayan Yadav was engaged as far back as in the year 1984. Therefore, if the allegation of the sponsoring union is taken into consideration in that case management stopped his work after his rendering service to the management since 1984 though it is evident that as casual worker he put his attendance for more than 240 days in each year from 1988. Other five workers also as per document marked as Ext. M-1/3 and M-1/4 put their attendance for more than 240 days during the period 1989-90. Considering the materials on record there is no dispute at all to hold that all these workmen were engaged by management officially after taking necessary interview when their names were sponsored by the Employment Exchange. In so many words management did not disclose that they have stopped their work w.e.f. 31-12-90 but if the evidence of the management witness and as well as the facts disclosed in the Written Statement submitted by them are tagged together in that case there is no dispute to hold that their works have been stopped by the management. The concerned workmen in view of documents as mentioned above were officially selected by the management after taking interview in view of their names sponsored by the Employment exchange. Section 25F of the I. D. Act speaks clearly that no workman employed in any industry who has been in continuous service for not less than one year under an employer shall be retrenched by that employer until-

- (a) the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of the notice;
- (b) the workman has been paid, at the time of retrenchment, compensation which shall be equivalent to fifteen days' average pay (for every completed year of continuous service) or any part thereof in excess of six months; and
- (c) notice in the prescribed manner is served on the appropriate Government (for such authority as may be specified by the appropriate Government by notification in the Official Gazette).

It is clear considering evidence of the management that before stopping work of the concerned workmen they did not serve any notice upon them.

7. Now the point for consideration is whether non-compliance of Section 25F of the Industrial Dispute act by the management should be considered as illegal or not? Representative of the concerned workman in course of hearing relied on the decision reported in 1982 Supreme Court Cases (L & S) 124, 1989 Lab I.C. 623 (Patna High

Court), 1976 L.L.J Page 478 (Supreme Court), AIR 1960 Supreme Court page 610.

In the decision reported in 1982 Supreme Court Cases (L & S) 124 Their Lordships of the Hon'ble Apex Court observed that even a casual or seasonal workman who rendered continuous service for one year or more cannot be retrenched on such ground without complying with the requisites of Section 25-F. In the decision reported in 1989 Lab I.C. 623 Their Lordships of the Hon'ble Court observed that even oral order of termination of service amounts to retrenchment and the workman so affected is entitled to reinstatement if the management fails to comply with the provision as laid down U/S. 25F of the I.D. Act. Again in the decision reported in 1976 LLJ Vol.I page 478 Their Lordships of the Hon'ble Apex Court observed to the effect that if the workman swims into the harbour of S. 25F, he cannot be retrenched without payment at the time of retrenchment compensation as prescribed therein read with S. 25B(2) of the I.D. Act., 1947.

The representative of the management during hearing submitted that as the management is not rendering any industry the workmen employed by them are bound by the terms and conditions of their employment as daily rated casual workers. They cannot take recourse of industrial Disputes Act, 1947 and cannot raise individual dispute on the pretext that they were not provided employment on regular basis and their services were terminated arbitrarily. Therefore, before coming into conclusion whether the concerned workmen are entitled to get any relief U/S. 25F of the I.D. Act it has to be taken into consideration whether All India Radio which the management runs is considered as 'Industry' or not. In this connection the decision reported in AIR 1960 SC 610 may be referred to. In the said decision Their Lordships of the Hon'ble Apex Court observed as follows :-

Section 25-F(b) of the Industrial Disputes Act, 1947, which provides that no workman employed in any industry who has been in continuous service for not than one year under an employer shall be retrenched by that employer until he has been paid at the time of retrenchment compensation which shall be equivalent to fifteen days average pay for every completed year of service or any part thereof in excess of six months lays down a mandatory condition precedent for the retrenchment of workmen. Therefore, failure to comply with the provision will render an order of retrenchment invalid and inoperative.

Though section 2(j) of the act defines 'industry' in very wide terms, a line would have to be drawn in a fair and just manner so as to exclude some callings services or undertakings. As a working principle, an activity systematically or habitually undertaken for the production or distribution of goods or for the rendering of material services to the community at

large or a part of such community with the help of employees, may be stated to be an undertaking falling within the defination. Such an activity generally involves the co-operation of the employer and the employees; and its object is the satisfaction of material human needs. It must be organised or arranged in a manner in which trade or business is generally organised or arranged and it must not be casual, nor must it be for on self, nor for pleasure. It is the character of the activity which decides the question as to whether the activity falls within Section 2(j); who conducts the activity and whether is conducted for profit or not do not make my material difference. In the case of a Government however, activities which can be properly described as legal or sovereign activities, viz. activities which a constitutional Government can and must undertake for governance and which no private citizen can undertake will be outside the scope of the definition of 'industry'.

The activity of a Government in running a group of hospitals for giving medical relief to the citizens and for imparting medical education will fall within the definition of 'industry' in Section 2(j) of the Act and would be governed by the provisions of the Act.

"Decision of the Bombay High Court reported as (1956) 13 F.J.R. 473 affirmed."

Therefore, if the observation of the Hon'ble Courts are taken into consideration carefully, I think there will be no dispute to hold that organisation of All India Radio which is operated by the management is to be taken as 'Industry' and the workers who work there should be considered as 'workmen' as per Section 2(s) of the I. D. Act., 1947. At the time of hearing argument Ld. Advocate for the management relied on a circular issued by the Director General, All India Radio wherein a guideline has been made out a procedure regarding engagement of the casual worker. In para-2 of the said circular it is observed as follows:—

"It has further been decided that existing vacancies of Group 'D' posts in the pay scale of Rs. 750-940 shall be filled from amongst such existing or former casual labourers of AIR who are eligible for such appointment in accordance with Department of Personnel instructions on the subject. The local employment exchange shall be requested to nominate persons for such posts only if no casual labourer is fournd eligible for appointment to these posts, under the Department of Personnel instructions regarding regular appointment of casual labourers.

Till the casual labourers are provided regular appointment to Group 'D' posts in the pay scale of Rs. 750-940 their casual service shall be paid for on the scale prescribed by the Department of Personnel and Training."

Therefore, if this circular is taken into consideration it will expose clearly that there is strict instruction that all future vacancies in Group-D posts shall be filled up from the causual workers in the pay scales as mentioned therein.

It is clear from the facts discussed above that the concerned workmen have been stopped from work w.e.f. 31-12-90 and why they did not consider to provide them in job have duly been explained in para-16 and 17 of their Written Statement-cum-rejoinder. The ground stated therein are far from satisfactory. In course of hearing management did not show any statistics that from the date of their stoppage of work to till date no vacancies in the Group-D post came into existence and for which in spite of their best efforts they could not follow up the circular in the matter of absorption of the concerned workmen who were engaged as casual workers by way of selection in Group-D post following the direction given in the circular issued by the Director-General, All India Radio. After careful consideration of all the facts and circumstances there is sufficient reason to believe that in complete violation of Section 25F of the I. D. Act., 1947 management stopped the work of S/Shri Laxmi Narayan Yadav Sl. No. 1, Bankim Chandra Sinha Sl. No.3, Pradip Kumar Sah Sl. No. 6, Bhagwan Pandey Sl. No. 9, Pradip Lal S.No.10 and Basuki Mitra Sl.No.12 and for which they should be reinstated in their job. It is the contention of the management that Anil Mehetar Sl.No.4 and Mahesh Paswan Sl. No. 7 are working at Doordarshan Maintenance Centre Bhagalpur as casual Sweeper and Casual Peon respectively. Their further contention is that Charan Murmur is working at Bhagalpur Head Post Office as Class IV employee leaving the service of Doordarshan Kendra. Management will be liable to reinstate the above named three concerned workmen along with six concerned workmen as named above if it is found in course of execution proceeding that their statement made in para 13, 14 and 15 are false.

The sponsoring union along with the claim of the reinstatement also placed their demand for back wages. It is admitted fact that the concerned workmen were engaged as casual workers. They were not appointed either as piece rated, time rated or monthly rated workers. Wages of those casual workers used to be paid as per daily rated basis *i.e.* on the basis of 'No work and no pay'. Engagement of casual workers depends on availability of work. It is not expected that when no work is available they will be entitled wages for the same. Therefore, if this aspect is considered demand of the sponsoring union claiming for back wages finds no basis and for which the same cannot be entertained.

In the result, the following Award is rendered:—
"The action of the management of All India Radio,
Bhagalpur in stopping the services of S/Shri Laxmi
Narayan Yadav Sl. No. 1, Pradip Lal Sl. No. 10, Pradip

Sah Sl. No. 6, Bhagwan Pandey Sl. No. 9, Bankim

Chandra Sinha Sl. No. 3 and Basuki Mitra Sl. No. 12 were not legal and justified. It is directed that management should issue the order of reinstatement of the above named casual workers within three months from the date of publication of the Award in the Gazette of India. It is further directed that management should consider their cases for regularisation as per Circular issued by the Director General, All India Radio which has been mentioned in the body of the judgement. Management also has to follow the same direction as given above in respect of concerned workmen viz. Anil Mehtar S. No. 4, Mahesh Paswan Sl. No. 7 and Charan Murmur Sl. No. 11 if it is found that their statement made in para-13, 14 and 15 of their Written Statementcum-rejoinder appears to be not correct."

#### AWARD PART-II

By Award Part-I dated 28-1-2002 my predecessor held that "the management was not justified to take recourse to Rule-15 (ii) of the Konkan Railway Corporation (Discipline and Appeal Rules). Management is allowed to lead evidence to justify its action."

The management challenged the said order before the Hon'ble High Court of Judicature at Bombay in Writ Petition No. 3220 of 2002. The Hon'ble High Court admitted the Petition and granted stay of the order of this Tribunal. The parties to the dispute filed minutes of this order in the said Writ Petition on 18-3-2005 wherein the workman agreed not to pursue the Reference pending before this Tribunal. Hence the Hon'ble High Court passed an order on 18-3-2005 as under:

- "1. The minutes of the order duly signed by the respective parties and their learned counsel, are placed on record. It appears that the present respondent has agreed not to pursue the pending reference registered as Reference No. CGIT-2/1954 of 1998 and therefore, the present petitioner-Corporation seeks leave to withdrawn the petition.
- 2. The minutes of the order are taken on record and marked as 'X' for identification and the undertaking given is noted.
- 3. Petition is disposed of as withdrawn."

On the basis of the above order of the Hon'ble High Court, the workman filed purshis (Ex. 35) and prayed for disposal of the Reference as withdrawn. the management has no objection for withdrawal of the Reference. Hence the order:

#### AWARD

By Order No. L-20012/114/99-IR (C-I) dated 18-8-1999 the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-sec. (i) and sub-section (2A) of Section 10 of the Industrial Disputes Act, 1947, referred the following dispute for adjudication to this Tribunal:

"Whether the demand of the Rashtriya Koyla Mazdoor Union to promote Sri P.K. Guha, Sri T. Sahay, Sri V.S. Choubey, Sri S. N. Dubey and Sri P.N. Singh from the post of U.D.C. to Sr. Clerk in line with their Junior Sri Awadhesh Pandey, w.e.f. 29-8-1985 is justified and proper? If yes, to what relief these workmen are entitled?"

- 2. In this reference case the written statement was filed on behalf of the workman on 21-11-2002. Thereafter several adjournments were granted but even to-day none is present on behalf of the workman to take further step in this case. It, therefore, appears that neither the sponsoring union nor the concerned workman is interested to contest the case.
- 3. In such circumstances, I render a 'No Dispute' Award in the reference case.

#### AND

The Assistant General Manager Union Bank of India Regional Office, Kashiya Road Gorakhpur

#### AWARD

The Government of India, Ministry of Labour has referred following dispute to the Presiding Officer, Central Government Industrial Tribunal-cum-Labour Court, Lucknow for adjudication.

"Whether the action of the management of Union Bank of India in terminating the services of Shri Ram Dayal w.e.f. 19-5-1999 is justified? If not, what relief the workman is entitled for?"

Shri Ram Dayal has filed the statement of claim alleging there in that he was employed against the permanent vacancy of sweeper in Nausar Branch of the Bank of India w.e.f. 1-11-95. The Branch Manager used to deploy him for the work of Safai Karmi, cash peon and water boy and in return he was paid Rs. 14/- per day through petty cash. However, afterwards he was paid Rs. 50/- per day. Last cash voucher was prepare on 11-5-99 which was subsequently torn up by the Branch Manager and promise him that payment shall be made afterwards. Worker demanded the remuneration on 18-5-99 but he was denied the payment and ordered him not to come for work on 19-5-99 on wards. Worker orally requested and even wrote a letter but decision was not replied. Worker has alleged that the bank has terminated him without any notice or compensation and instead employed someone else in his place. Worker's allegation is that from 95 to 98 he continuously worked for 240 days and thereafter he continued working till 19-5-99 but he was terminated without any reason notice and thus the bank has violated the provisions of Section 25 G and other provisions of the Act. The worker has therefore requested that he should be reinstated as sweeper w.e.f. 19-5-99 and be paid the arrears of wages.

In the rejoined the worker has stated that the carpet area of the accommodation, which the worker was sweeping, was 250 sq. ft. and he also alleged that the working hours were in 8 AM to 6 PM.

Denying the claim of the worker the bank management has stated in its written statement that there existed no relationship of employer and employee between the management and worker. It is alleged that Ram Dayal was never engaged as sweeper or on, any post at the Nausar Branch of the bank at any time. The bank have prescribed procedure for all recruitments in the bank including recruitment to sub-ordinate cadre and even substaff cadre cannot be recruited without following the prescribed procedure. The claimant never underwent the recruitment procedure in the Bank. He is, therefore, not entitled to be appointed in the bank and his claim is liable to be rejected, being devoid of any merit. It seems the dispute has been raised with some ulterior motive behind the same against the management. The reference order is bad in law because there is no cause of action available to the worker on any date including the date mentioned in the reference order. It is also bad in law because of joinder and non-joinder of parties. The bank has alleged that the contents of the opening paragraph under the heading written statement of the claim, are not admitted as alleged and claimed. However, the Government has made a reference to this Court and only reproduces the reference order. The reference order is baseless and is of no effect as the same has been referred by the Govt. without applying its mind to the fact of the case. The bank has stated that Ram Dayal was never appointed to the post of sweeper or any other post in Nausar Branch and there is no question of any assurance of any appointment letter.

The allegations are self sought, imaginary and concocted with ill motive. It is submitted by the bank that even if he worked for a few days, the same in no way caste any right upon him to claim the status or wages of employee of the bank in any manner whatsoever. For whatever work he performed, he was duly paid. The allegations of tearing out voucher by the bank manager is totally false and is concocted with ill motive. There is no question of any such payment. It is denied that Ram Dayal gave any letter to the management, which was not replied by them. Allegations about engagement of worker for 240 days and continuous working till 19-5-99 is also specifically denied and the management has said that the worker has filed the statement of claim on imaginary and baseless facts. The management has therefore submitted that the worker is not entitled to any relief.

The worker has filed the photostat copies of petty cash vouchers pertaining to year 95 to 98, page No. 4/3 to 4/97. The worker has also filed cash vouchers pertaining to dates 24-9-98, 24-10-98, 3-2-99, 27-3-99 and 17-4-99, which are in the names of the Branch Manager. He has also filed photo copies of unauthenticated audit report.

The worker has also filed photostat copies of unsigned and unacnowledged representations of Ram Dayal dated 10-9-98 along with photostat copy of postal receipts on which date is not legible.

The worker has also filed photo state copies of undated representation with photo copy of postal receipts having no postal stamps.

The worker has examined himself, whereas the opposite party has examined Branch Manager, Sh. B. D. Agarwal.

Heard the parties and perused the entire evidence on record.

The worker, Sh. Ram Dayal has stated on oath that he was appointed on the post of safai karmchari on 4-11-95. He has also stated that besides cleaning he also performed the duties of cash peon and provided drinking water and some times he also wrote cash supplementaries but on 19-5-99 he was terminated. The worker has stated that he continuously worked from his date of appointment, regarding remuneration he has stated that he was initially paid Rs. 14/- per day later he was from 50/- per day. He stated that he was not given any notice or compensation before termination of his service.

In cross examination the worker has admitted that he was not recruited through employment exchange nor he was given any appointment letter. On being question that how many days he worked in November, 95 he answered that he worked on 5-6 days, but he could not answer that for how many days he worked in December, 95. He also could not say in cross-examination as to what work he performed in different months. He could not reply as to whether any sweeper is working in the said branch of the bank. He also admitted that before appointment he did not give any application nor there

was any notification of vacancy in the newspaper. He admitted that the appointment authority is AGM of the bank but, he could not say that who was the AGM. In another question he has replied that in year 98 he was paid 3 days salary in one voucher and in 99 he was paid on cash voucher and this payment used to be for 20-25 days. In another question, in cross-examination the worker has replied that he was engaged by the Branch Manager not by the AGM. He has stated that besides vouchers he did not get any official letter from the Bank. He has also stated that he has worked for 497 days in all. He was asked that how many days he worked from June 98 to May 99, he stated that he has not counted the days. He has stated that he was appointed by Sh. B.D. Agarwal and was terminated by Sh. S.P. Chopra, Branch Manager. He has also stated that after being terminated he never went to bank. He has also stated that he is not aware whether anyone is posted on his place or not. He was specifically asked as what was carpet area of the bank. The worker replied that it was 500 to 1000 sq. ft. in the beginning and later on increased to 2000 sq.ft. The worker has admitted that while he was serving one person Jai Narayan was posted in the year 97 in the category of class IV employee as safai karmchari and peon and he has also admitted that D.P. Tiwari was Daftary who used to go for clearing and some times he (worker) also used

The bank has examined the Branch Manager whom the worker has alleged as his appointing authority. Sh. B.D. Agarwal has denied that he had any authority to appoint any worker. He has also denied that he was a regular worker. He has affirmed that name of Ram Dayal was not sent by the Employment Exchange. Sh. Agarwal has state that according to exigencies of work Ram Daval was engaged for providing water, tea and cleaning. He has stated that the contractor whose generator was on lease in the bank employed Ram Dayal as genereator operator and there as and when he was available he was called for work and was given remuneration/labour charges. The labour charges was either paid immediately or was given after 2-3 days and whenever any other person was available he was engaged. Sh. B.D. Agarwal has also stated that whenever regular peon used to be absent or got out for work, Ram Dayal was engaged and the labour charges were paid to Ram Dayal was depended upon nature of work and period of work. However, he has denied that worker was engaged regularly. He has denied that he has ever appointed Ram Dayal and according to his personal knowledge Ram Dayal never worked for 240 days in any year.

Sh. B.D. Agarwal stated that in 95-96 the branch was run in one room and its floor area was 400sq.ft. He has also stated that he never employed Ram Dayal as cash peon and writing supplementary. The Branch Manager has denied that any photostat copy of documents were permitted to be made nor he has any information. He has also stated specifically that he never

assured Ram Dayal that he will be regularised. He also stated that no casual labour is engaged by the Branch Manager and whereas the safai karamchari did not attend the duties, men were called from the market for cleaning the branch. It has also come in his evidence that in year 98 the branch of Nausar was shifted to other place due to the flood, due to which the records were spoiled. He has also specifically denied that Ram Dayal has worked for 3 years 6 months and 14 days regularly. In an specific question Sh. Agarwal replied that contract for providing generator facility was entrusted to Ram Chandra Gupta.

Sh. B.D. Agarwal while describing the procedure for payment to persons outside he stated that whenever someone is called from outside, he is paid in cash voucher or petty cash voucher. He also stated that photo state copy of petty cash voucher filed by Ram Dayal have been issued by his official and he admits it. He admitted that labour charges paid according to the quantum of work and rate, which are not fixed. Photo state copy of petty cash vouchers which are filed in the court are of petty amount of Rs. 10, 20 or 14/-, whereas, cash vouchers are of bigger amount which are in the name of Branch Manager and the payment is made to whose name is endorsed and the Branch Manager used to pay the persons as per the need.

The above is the entire evidence. I have carefully perused, the photo state copy of petty cash voucher. filed by the worker which shows that he has been paid in the following manner:

Yer	No. of working days
November, 1995	9
December, 1995	No work
January, 1996	5
February, 1996	. 3
March, 1996	. 11
April, 1996	19
May, 1996	14
June, 1996	22
July, 1996	20
August, 1996	17
September, 1996	18
October, 1996	23
November, 1996	21 .
December, 1996	3
January, 1997	22
February, 1997	23
March, 1997	No work
April, 1997	23
January, 1998	25
February, 1998	23
March, 1998	24

There is no cash voucher after 31 March, 1998 where it could be gathered that Ram Dayal was paid any amount.

Worker has filed the cash vouchers in the name of Branch Manager of following dates and amounts:

24-9-1998 for Rs. 2750/-24-10-1998 for Rs. 1050/-

3-2-1999 for Rs. 1450/-

17-1-1999 for Rs. 850/-

It cannot be gathered from these documents that amount received against the above cash vouchers was paid to the workman only.

Although the worker has stated in his reply to court question that he worked for 5-6 days in November 1995 but according to the vouchers field by him the working comes out to be 9 days. It does not prove that worker was engaged on 4-11-1995 as alleged by him. He has been paid Rs. 14/- for cleaning of the branch. Worker has not filed any voucher for the month of December, 1995, which goes to show that he has not been engaged in December, 1995 meaning these by that bank must have had some alternative. It is also noteworthy that worker has not been engaged from 16-11-95 to 30-11-95. In January, 1996 the worker has been engaged only for 5 days. Thereafter in February, 1996 the worker was engaged for only 3 days in March, 1996 the worker was engaged for 11 days. Therefore, it can be easily inferrred that the worker was not regularly engaged on each and every working day. For clearing of branch office situated in a room the Branch Manager must have availed services of some one who was not on the roll and carpet area of 400 sq. ft. needs hardly half an hour to one hour job for which bank could have got any out-sider for cleaning of the bank.

In April Ram Dayal was paid for 19 days in May 1996 for 14 days in June, 1996 for 22 days in July 1996 for 20 days, in August, 1996 for 17 days, in September, 1996 for 18 days, in October, 1996 for 23 days, in November, 1996 for 21 days, in December, 1996 for 3 days. It means that in December, 1996 the worker was not available for cleaning the area after 10-12-1996. The person who has been called for cleaning carpet area of 400 sq.ft. was paid @ Rs. 14/- per day has no responsibility to clean floor after 10-12-1996. However, in January, 1997 the rate for cleaning the floor area was increased from 14/- to 20/- Rs. and Ram Dayal was again paid for 22 days in February, 1997. He was engaged for 23 days in April, 1997 but from the vouchers it does not show that he was called for cleaning of the branch from 3-4-1997 to 9-4-1997 and 19-4-1997.

In January, 1998 he has cleaned the branch office for 25 days, February, 1998 for 23 days, March, 1998 for 24 days and thereafter there is not a single voucher to show that Ram Dayal was paid after 31-3-1998.

The worker cannot be relied that he was terminated on 19-5-99. If it is taken to be true that he was terminated on 19-5-99 then 12 months preceding this date come to be 18-5-98. It is pertinent to mention here that from 1-4-98 to

23-9-1998 there is not a single voucher which could show that worker, was paid a single penny. There is no cash voucher in November, 1998 December, 1998, January, 1999. Thereafter the next voucher is in the name of Branch Manager dtd. 24-9-1998, 24-10-1998, 3-2-1999, 27-3-1999 and 19-4-1999. This fact does not corroborate the story of the worker that he has continuously worked for 12 calendar months in a year preceding his date of termination, totalling to 240 days. It is not believable that whatever the Branch Manager drawn vide cash vouchers dated 24-9-1998, 24-10-1998, 3-2-1999, 27-3-1999 and 17-4-1999 were paid to the worker alone and no one else was called or the regular worker has not performed the work. It is the duty of the worker to prove that he worked full 240 days prior to his disengagement and worker's own testimony is not trustworthy to prove the said fact.

The way the worker has been paid by the Branch Manager of the bank shows that he was paid for branch cleaning and filling water in the cooler, providing water and rickshaw fair, shows that he had been paid job wise. The nature of the payments show that he was not on the rolls of the bank and there existed no relationship of employer and employee between the bank and Ram Dayal as Ram Dayal had no liability towords the bank. In the end I come to the conclusion that there was no relationship of employer and employee between Union Bank of India and Ram Dayal. It is pertinent to mention that admittedly the Branch Manager has no authority to recruit any one or appoint any one. It was AGM of the bank therefore the worker could not have been appointed as such. It is also pertinent to mention here that there was no appointment letter issued nor any termination letter issued to the worke and it could not have been issued by the Branch Manager, firstly, he was not appointing authority; secondly, because the bank hired him as and when exigencies needed and the worker was available. There is absolutely no continuity of service the worker has not proved that he has been terminated on 19-5-99 or he worked of after 1-4-98.

In the circumstances the question of termination does not arise. The issue referred therefore is answered accordingly and the worker is not entitled to any relief whatsoever.

#### AWARD

1. The Central Government in exercise of the powers conferred under Clause 'D' of Sub-section (1) of Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the 'Act') has referred the following industrial dispute for adjudication to this Tribunal which runs as under:—

"Whether the action of the management of Bank of Baroda in terminating the services of workman Shri Motilal Jain S/o Sh. Ladu Ram Jain w.e.f. 17-8-2002 was legal and justified? If not, what relief the workman is entitled to and from what date?"

2. The workman in his statement of claim has pleaded that he was employed by the non-applicant bank at its Nagar Fort branch on 27-5-1982 where he continued up to 1-6-85 and had completed a period of 105 days. Thereafter

he remained employed from 1-7-1993 to 31-7-1993 at its Nehru Place branch, Jaipur and lastly he was engaged in purusance of the circular dated 17-8-1993 as a temporary peon w.e.f 30-8-1993 to 16-8-2002 at Tonk branch. But his service was terminated on 17-8-2002 in contravention of Section 25-F of the Act. The workman has further averred that at the time of his termination the junior persons to him were retained by the bank in violation of Section 25-G of the Act and Rule 77 of the Industrial Disputes Rules (Central), 1958 and subsequent to his termination, fresh recruitment was made by the bank in violation of Section 25-H of the Act and Rule 78 of the Industrial Disputes Rules (Central), 1958. He has urged that his termination order be declared unjustified and illegal and he be reinstated in the service with all consequential benefits.

- 3. The non-applicants, in their written counter, have disputed the claim and have stated that the workman had never continuously worked with the bank from 30-8-93 to 16-8-2002, but have admitted that he had performed the work at Nehru Place branch, Jaipur. They have stated that the workman was engaged intermittently to perform the contingent work on contractual basis and have denied the applicability of Sections 25-F, 25-G and 25-H of the Act on the ground that the workman was not employed after following the prescribed procedure for appointment.
- 4. On the pleadings of both the parties, the following points for determination were framed:—
  - Whether the workman had worked with the non-applicant management for two terms as stated at para No. 1 of the statement of claim and thereafter he was employed by the management as Temporary Peon on 30-8-93, who continuously worked up to 16-8-2002 and whose service was terminated on 17-8-2002 in violation of the provision under Section 25-F of the Act.?
  - II. Whether at the time of termination of the service of the workman, his juniors were retained by the management in violation of the the provision under Section 25-G of the Act.?
  - III. Whether after the termination of the workman, the fresh hands were recruited by the management in violation of the provision under Section 25-H and Rule 77 & 78 of the Act?
    BOA

#### IV. Relief.

- 5. In the evidence, the workman has submitted his affidavit and in the rebuttal, the counter-affidavit of MW-1, Sh. K. C. hans, Sr. Manager (Personnele) was brought on the record. Both the witnesses were cross-examined by the opposite representatives respectively.
- 6. I have heard both the parties and have scanned the record. The point-wise discussion follows as under:—Point No. I
- 7. The ld. respresentative for the workman contends that the workman has constinuously worked from 30-8-1993 to 16-8-2002, whose servcie was terminated on 17-8-2002 without giving him one month's notice or pay in lieu of the notice and the retrenchment compensation.

His further submission is that the workman was employed as a temporary peon whose name appears at serial No. 5 in the list of temporary 4th class prepared by the department and the workman was employed on the basis of his biodata forwarded by the Manager. Tonk branch vide his letter dated 11-2-99. The ld. representative has placed his reliance upon the attendance cum-payment-register and the details of the working days of the workman shown on behalf of the bank and has argued that from the period 1994 to 2002, the workman has completed 240 days in each calendar year.

- 8. Countering the submissions, the Ld. representative for the bank contends that the workman was engaged intermittently on casual basis purely for attending the casual work in the branches of the non-applicant bank and that he was not engaged against the permanent vacancy. The ld. representative has admitted the documents placed on the record on behalf of the workman which pertain to the non-applicant bank.
- 9. I have bestowed my thoughtfull consideration to the rival contentions and have gone through the record.
- 10. Now, the question which calls for the determination is as to whether the workman has completed 240 days of actual work in each calendar year during the period in between 1994 to 16-8-2002 under the employment of the bank prior to his termination?
- 11. The workman's case is that he had performed the work during the following three spells under the employment of the non-applicant bank: (i) from 27-5-82 to 1-6-85 for 105 days at Nagar Fort branch, (ii) from 1-7-93 to 31-7-93 at Nehru Place branch, Jaipur and (iii) from 30-8-93 to 16-8-2002.
- 12. During the course of the arguments, the ld. representative for the workman has insisted upon the completion of 240 days of actual service in each calendar year during the 3rd spell of the employment of the workman. The bank in the biodata of the workman transmitted by the Branch Manager on 14-5-2001 to the Regional Manager, the working period of the workman has shown as commencing from 27-5-96 and ending on 31-3-2001.
- 13. On 7-5-2004, on behalf of the workman, the documents pertaining to his employment with bank were placed on the record, which have been admitted on behalf of the bank. According to these documents, it is revealed that a list of those daily wagers was complied on behalf of the bank who had completed over 90 days till 1990 with the bank and at serial number 5 figures the name of the workman. Thereafter vide letter dated 14-5-2001, the Manager, Tonk branch and transmitted the biodata of the workman along with the details of his working days to the Regional Manager and the period of work has been exhibited as commencing from 27-2-96 to 31-3-2001. Besides, the attendance-cum-payment register contains the details of the working days of the workman and the payments of the wages made to him from 20-1-94 to 31-3-2001. Hence, in the spell from January, 1994 to 31-3-2001, the workman has completed 240 days of actual

service in 12 calendar months preceding to his termination and in view of this factual position he will be deemed to be in continuous service of the employer in view of Section 25-B(2) (a) of the Act. The ld. representative for the non-applicants has fairly and gracefully admitted this factual position as narrated above. It is undisputed that prior to the termination of the workman, one months's notice or pay in lieu thereof and the retrenchment compensation were not paid to him. Accordingly, the workman is entitled for the benefits and protection under Section 25-B(2) (a) and Section 25-F of the Act. As such, this point is decided in favour of the workman and against the non-applicants.

# Point Nos. II & III

14. The ld. representative for the workman does not press both these points, which are accordingly decided against the workman.

#### Relief

- 15. For the foregoing reasons, the claim of the workman deserves to be allowed.
- 16. In the result, the reference is answered in the affirmative in favour of the workman and against the non-applicant bank and it is held that the termination order date 17-8-2002 of the workman is illegal and unjustified. The workman is entitled to be reinstated in the service with its continuity and 50 per cent of the back-wages. An award is passed in these terms accordingly.
- 17. Let a copy of the award be sent to the Central Government for publication under Section 17(1) of the Act.

#### AWARD

The Government of India, Ministry of Labour, New Delhi by its order No.L-12011/172/2004-IR (B-II) dated 2-2-2005 in exercise of the powers conferred by clause (d) of sub-section (1) and sub-section 2(A) of Section 10 of the Industrial Disputes Act, 1947 have referred the following dispute to this Tribunal for adjudication:—

# SCHEDULE

"Whether the action of the management of Corporation Bank in not regularizing the service of Ms. Rekha Bandodkar, Part Time Sweeper working at Pilerne Branch of the Bank in 1/3rd of scale wages is legal and justified? If not, to what relief the workman is entitled for?"

- 2. On receipt of the order of Reference from the Government notices were issued to the management and the Union (Ex.1). Both remained present on the date of hearing and filed a joint compromise memo duly signed by both the parties (Ex.3) mentioning therein that it has been agreed between the parties to mutually settle the dispute on the following terms and conditions:
  - (i) That Smt. Rekha Bandodkar shall be appointed on 1/3rd scale wages.
  - (ii) That the union shall not quote the settlement as a precedent in any of the case or before any forum, whatsoever.
  - (iii) That the settlement shall not purport to alter the existing rule position that for the purpose of determining the wages payable to Part Time Sweepers the total carpet area inside the branch/office premises shall only be reckoned.

- (iv) That the appointment of Smt. Rekha Bandodkar, the Part-Time Sweeper on 1/3rd graded scale wages shall come into effect from the date of passing of the Award by this Hon'ble Tribunal and no back wages or any service benefits whatsoever shall be paid for any previous period.
- (v) That the implementation of the mutually accepted settlement between the parties hereinabove is subject to the Hon'ble Industrial Tribunal being satisfied with the compromise settlement and passing of award accordingly thereon.

The parties pray for passing the award in terms of the above settlement.

In my view since the parties have agreed to settle the dispute mutually and both the parties to the dispute have signed the settlement the Reference will have to be disposed of accordingly in terms of the settlement (Ex.3) and hence the order.

#### **AWARD**

This reference was made by the Central Government of India, as per letter No. L-41011/36/94-IR B.I. dated 6-11-96. The dispute is between the Management of Southern Railway and their workmen.

## The dispute referred is:

"Whether the demand of the Ernakulam District Engineering and Industrial Workers Union Raised vide their strike notice dated 23rd November, 1991 (copy enclosed) is legal and justified? If so, what relief the concerned workmen are entitled to?"

2. The union filed claim statement raising the following:—

The union states that the workmen concerned in the above case belongs to the lowest strata of the work force engaged by the Railways for attending the work of essential nature such as maintenance of rail tracks, coubling and conversion of tracks, keeping of railway gate etc. They all started their service as casual labourers, who are indispensable in the Railway Organisation. Hence provisions have been made in the Railway Establishment Manual/Rules for granting them certain benefits on par with the regular staff doing the same work, such as grant of temporary status on completion of a specific period of employment (is after completion) of 120 days in respect of open line and 180 days in respect of project casual labourers wages at the rate of 1/30th of the minimum of the pay scale of the regular staff of equivalent category etc.

But the respondent Management herein has always adopted an indifferent and callowes attitude, disregarding the legitimate entitlement of these poor and almost illiterate work force who have been mercilessly exploited by the local supervisors and authorities according to their whims and fancies. A major chunk of the casual labour work force was exploited for years together without regularisation under the cover of project casual labour. Finally at the intervention of the Hon'ble Supreme Court in a number of land, ark cases (prominent among being Inderpal Yadav case) the Railways was compelled to introduce a scheme for regularisation of the casual labourers. Accordingly provisions were made in the Railway service books for granting temporary status and thereafter regularisation. Inspite of all these changes, the respondent Management herein did not care to redress the grievances of the workmen herein. The union have been agitating the issues to these workers for prolonged period without any positive result. In the above circumstances the union was compelled to issue strike notice dated 24-11-91 through the union, which culminated in the present I.D. The issues are as follows:

Issue No. 1

Grant of Temporary Status and attendant benefits:

The workmen arrayed at serial No. 1 to 21 and 26, 30 to 48 are aggreived of the non grant of temporary status as per extent rules, though they have fulfilled all the requirements for the same. The details of their service which started as casual labour and ended up in the regularisation were furnished in the Annexure to the strike notice. A true copy of the same is appended to the statement as Annexure—A1.

The workmen herein mentioned above are casual labourers, who were engaged continuously for more than six months. Hence they ought to have been treated as temporary employees entitled to get all the benefits as per Rule 2005 of Indian Railway Establishment Manual Vol II 1990 edition. However the respondents/management did not granted the benefits as admissible to the temporary status attained employee such as scale rate of wages including DA & HRA. It is submitted that the respondent did not comply with the provisions of the said rule on the plea that the workmen did not come under the category of open line casual labourers but were only project casual labour. As a matter of fact they were casual labourers under the construction department and not on project.

It is submitted that these workers were part and parcel of the construction department which is a regular establishment as held on union of India Vs. Basant Lal & others 1992 (2) Sec. 679. They cannot be called as project casual labourers. It is relevant to note that all the work cannot be called as project work. Therefore they are not project casual labourers. The service records clearly prove that they were engaged in construction work which does not come under project as held by the Hon'ble Supreme Court in the case of L. Robert D' Suza Vs. Executive Engineer Construction Southern Railway reported in AIR 1982 SC 854. Assuming without admitting it they are casual labourer then also they are entitled to get scale rate of wages 1/30 to of the time scale of wages after completion of 6 month service as per the order issued by the Railway Board No. PC/72/RGT/69-3 dated 12-6-74. Even this benefit also was not granted to the workers mentioned above. Therefore the Union prays that this Hon'ble Court may be pleased to declare that the workmen cited as item 1 to 21 26, and 30 to 48 are entitled to get temporary status and arrears of wages after completion of 120 days from the date of initial engagement.

### Issue No. 2 payment of gratuity:

1. With regard to the 2nd demand mentioned in paragraph 3 of the Ext. P1 notice, the disputes relating to

parties serial No. 22 to 25 the Union states that the gratuity amount has been paid subsequently. Therefore the union is not pressing this item.

#### <u>Issue No. 3 Non payment of awarded amounts:</u>

1. Withregard to the dispute, the workmen mentioned in serial No. 27 to 29 the Union submits that the awarded amount in the claim petition No. 47/74 has since been paid.

#### Issue No 4—Illegal termination of service:

- 1. With regard to the 4th issue which relates to the illegal retrenchment of the workers mentioned in serial No. 49 to 77, the union states that these workers were retrenched without adheraising to the procedure in the Industrial dispute Act. The respondent namely the Executive Engineer Construction/Southern Railway, Trichur and Executive Engineer Construction/ Ernakulam has not followed the provisions of the I.D. Act. These workers were retrenched from service while their juniors are working in the Railway. Hence the Management has violated section 25F and 25H of the Industrial Dispute Act.
- 2. The union is submitting the detailed statement regarding the retrenchment as follows:—

#### (a) Serial No 49 Sri. V.K. Dasan:

It is submitted that he was a casual labour under the Executive Engineer/Ernakulam, Southern Railway. The workmen had worked more than 180 days hence he is entitled to get temporary status as per the Railway Establishment Manual. He has also worked more than 240 days continuously. Therefore he is entitled to get the benefits under Industrial Dispute Act. The termination of the worker was without giving any notice or notice pay. He was initially engaged on 16-4-67. In the year 1971 he was called for an interview to appoint him as a gang-men as per memo No. P 564/CN/ERS dated 21-12-1977. On medical examination he was found unfit in particular class. It is submitted that a casual labour who was found unfit in a particular category are entitled be considered in a lower category requiring lower medical classification as per Circular No. PAB Circular No. 3/73 dated 13-12-1972. A similar issue has been considered by this Hon'ble Court ID 12/91(C) in which the workmen was directed to be reinstated in service with full wage. Against which an appeal has been filed before the Hon'ble High Court of Kerala's O.P. No. 13336/95 also in which this has been upheld by the Hon'ble High Court. Therefore in the above circumstances the workmen in serial No. 49 in the strike notice may be directed to be reinstated in service with backwages and continuity of services.

#### (b) Serial No. 50 P.K. Dhraw Kumari:

The union states that her service was terminated by the Executive Engineer Construction Southern Railway

on 23-8-1981. She approached the authorities concerned for re-engagement. But the management refused to take her back. It is admitted by the management that she has got continuous work for more than 285 days. Hence a notice under Section 25F is mandatory before terminating her service. Therefore the retrenchment is illegal and hence the worker may be deemed to be in service for all prupose including wages and may be directed to be reinstated in service.

# (c) Serial No. 51. K.K. Pushpavathy:

The union states that the workmen was initially engaged in the year 1971 and continued till 27-5-1979. She has also worked for more than 240 days. The termination of the workmen was without following the procedure laid down in I.D. Act. No. notice was served. Thereafter several juniors were re-engaged by the employer. She also submitted application as per the notification issued by the Railway. Hence it is humbly prayed that the workmen may be directed to be reinstated in service with full back wages and continuity of service.

# (d) Serial No. 52 K.C. Karthiyani:

The union states that the workmen belongs to a scheduled caste community. Her service were terminated in the year 20-7-1981. Her total period of service was more than 283 days. Hence before terminating her service the management has to follow the procedure under Section 25F of the I.D. Act 1947. It is scheduled caste casual labourers by issuing notification. This is also violation of Hon'ble Supreme Court judgment, i.e. to re-engagement of casual labourers can only be from the seniority list. Hence it is prayed that the workmen may be reinstated into service with full backwages and continuity of service.

# (e) Serial No 53—C. K. Bhanumathy:

Regarding the above mentioned workmen the union states that she has initially engaged in 1974 under PW1/TCR (conversion). Her service was terminated without following the procedure under I.D. Act. The service particulars are with the Management i.e. XEN/TCR.

# F. Regarding working in Serial No. 54 M. Padamini

This workman was initially engaged under the PW1/TCR in the year 1974. She was terminated from service without following the provision of I.D. Act 1947. The service particulars are with the employer namely XEN/TCR.

# G Regarding workmen in serial No. 56. K.N. Omana

The above mentioned worker was engaged as a casual labourer under the inspector of work/doubling Trichur from 30-9-1979 to 15-10-1980 under the control of XEN/TCR. She was subsequently reengaged on 20-5-1983 to 10-6-1984 under the construction department of Southern Railway. Her service was terminated without following Section 25F and 25H of the I.D. Act. Her position

in the seniority list is 807 as on 1-4-1985. Now the management has re-engaged persons junior to the above workmen. For example (1) N.M. Beevathu (Position in serial No. 900. 2 P.D. Salma position in the seniority list is 1020). Hence the management has violated the scheme for absorption.

#### H. Serial No. 58 Pathumma

The union states that the above mentioned worker was engaged on 31-1-1977 onwards under the PW1/Doubling TCR. Her service was terminated on 15-10-1979. Therefore she has completed more than 240 days with artificial break. She has submitted her claim as per the notification of Railway before 31-3-1987. Therefore she has to be reinstated in service with backwages.

# I. Serial No. 64. Neely, P. N.

She was a casual labourer from 4-9-1978 to 20-7-1983 under PWI/Trichur. She has completed more than 240 days. Service were terminated without following the provision of ID Act. Hence the worker has to be reinstated in service with backwages and continuity of service.

# J. Serial No. 65 P. C. Chinna

The above worker was a casual labour from 4-9-1978 to 20-7-1983 under the PW1/Trichur. Her service were terminated illegally without following the procedure under Section 25F and 25H of the I.D. Act. Therefore the management may be directed to reinstate her in service with backwages.

# K. Serial No. 66 C. K. Radha

The above worker was worker under the Railway from 1974 onwards. Her service were terminated. Subsequently the management has engaged juniors in service.

# L. Serial No. 68 K. Thankamany

By mistake shown as K.N. Thankamany in serial No. 68

The union states that she was engaged as women mazdoor and was working under the PW*/I/DL/TCR with effect from 8-4-1978 and finally terminated on 20-7-1981. She has continuously worked more for more than 240 days. Her service were illegally terminated without following the procedure under Section 25F of the I.D. Act. Therefore she has to be reinstated in the service with backwages.

# M. Serial No. 72 K. Ammu

The union that she belongs to scheduled caste community. She was intially engaged on 8-3-1971 under PW*/Trichur and continued to work till 20-7-1981. She was terminated without notice and without following the procedure as contemplated under Section 25F of the I.D.

Act 1947. The management has taken jumiors to the above workmen subsequently. Hence she is entitled to be reinstated with backwages.

Regarding the last item mentioned as Serial No. 77 A the union is not pressing this issue.

3. The management filed written statement raising the following contentions:—This written objection is filed by the Executive Engineer (Construction), Southern Railway, Ernakulam on behalf of the Management. In this connnection it is submitted that there is no office and officer as Executive Engineer (Construction) Trichur, (shown as 2nd Management in the I.D.), as at present. The said office has been wound up about an year back. The residual works under the said office, are not looked after by the Executive Engineer/Construction/Guruvayoor.

At the outset it is submitted that the above I.D. is not maintainable either in law or on facts. The locus standi and right of the union itself is challenged and denied. The claims raised are very old and stale claims. They are multifarious, ambiguous and vague. They are also not dispute coming within the purview of the term 'Industrial Dispute' as envisaged in the Industrial Disputes Act and Rules.

In this connection it may kindly be noted that there are specific provisions in Railway regarding recognition of Unions, their functioning and activities etc. Such provisions are contained in the Railway Establishment Manual. The above union which has raised the above dispute and which is styled as claimant herein, is not such a recognised union in Railway. Its constitution, nature of functions, membership details etc. are not known to the Opposite Parties. It is not admitted that the workmen shown in Annexure A1, in respect of whom the above I.D. is raised, were or are members of the union. The union is put to strict proof of the details regarding its constitution, registration, fanctioning, enrolement of members with date and continuancy of such memberships, Register regarding members etc.

It may kindly be noted that in the claim statement, the claimant has made reference to Annexure A1, Describing it as a strike notice dated 23-11-1991. Again Annexure 'A1' itself contain a list of 77 persons, and another person, with some brief demands in respect of them. Neither the claims statement nor the Annexure to the same contain the details of the persons referred to therein including their service details. The claims and demands made in the claim statement and the Annexure, are at varience also in respect of some aspect. Going by Annexure A1 notice styled as a strike notice issue by a Trade Union, Courts and other Authorities concerned would get the impression that it is a genuine strike notice by at least 78 serving employees in Railway, for some legitimate causes, However the fact remains that none of

them were employees working under the Executive Engineer/Construction/Ernakulam or Trichur in 1991 or 1992. From the vague details given in the claim statement itself, it can be seen that even according to the claimant, union, most of them have ceased to be employees in Railway, more than 10 years prior to 1991. Obviously it is without knowledge of the said factual positions and by suppressing it that the claimant union happened to get some orders regarding referring the disputes to this Hon'ble Court. It has been done without any opportunity to the opposite parties, to appraise the real factual position to the Courts and Authorities concerned. Even after the reference of the above I.D. to this Hon'ble Court the claimant union has not chosen to furnish any details capable of even identifying the individual workmen listed in the Annexure, and their service details. The claim statement would go to show that even the claimant union is not clear about the relief claimed in respect of the workmen collectively and individually.

In the nature of the multifarious and ambiguous nature of the claims and reliefs in the claim statement, as also the lack of details regarding the workmen in question, it has become difficult and impossible to give any specific reply to the claim statement, apart from furnishing some general details.

There are two wings in Railway in respect of the works of Construction, maintenance etc. of Railway lines and buildings etc. They are construction wing and open line Engineering Wing. The construction wing is meant for contracting new Railway Lines. construction of major bridges, Buildings etc. There are separate Chief Engineer (Construction) Deputy Chief Engineers (Consumer Executive Engineer (construction) etc. in the said wing. After the construction of the lines, buildings etc. are over, they are transferred and handed over to the Open Line Engineering Wing. The subsequent works, day to day maintenance etc. are done and looked after by the Open Line Engineering Wing with its staff. There are separate Chief Engineers, Sr. Divisional Engineers, Divisional Engineers, Assistant Engineers, etc. in the said Wing. There are senior subordinates such as Inspector of Works, Permanent Way Inspectors, Bridge Inspectors etc. subordinate to the Engineers under both the said wings. Casual Lábourers were being engaged by the said Sr. Sub-Ordinat according to the needs under their respective units and work load under them, with the sanction of Executive Engineers or Divisional Engineers, as the case may be. Such casual labourers were sent away also when the works in respect of which they are engaged, are over or on expiry of sanction for the work as the case may be. This was being done on the basis of Seniority and duly complying with the provisions under the I.D. Act also. Therefore the question of retrenching seniors by retaining juniors will not arise in the normal course. All the works under the Construction wing were and are termed as "Project Works,

and the casual labourers under the construction wing were and are termed as Project Casual Labourers. There was no provision for temporary status to such project casual labourers, however long they work. At the same time there was provision for temporary status to casual labourers who work in open line Wing, continuously for six months without any break, which was later reduced to 4 months. This difference was because of the distinction in the nature of works of casual labourers in both wings. Thus the work of casual labourer in Open Line Wing is of a permanent and regular nature. while that is not so is the construction wing. For, when the work of a Railway line or Building, etc are over in one place, the establishment there including casual labourers locally recruited is closed and the next work may be at another place. Whatever be, the distinction between Project Casual Labour (Construction casual labour) and Open Line Casual Labour continued.

The above position continued till the decision of the Apex Court in Indrapal Yadav case reported in 1995 (2) S.C.C. 648 directing to make some changes in regard the service conditions of casual labourers. On the basis of the directions contained in the said judgement, the Railway Board have issued order dated 11-9-1986, making provision for granting temporary status to Project Casual Labourers also. A true copy of the said order is produced herewith as Annexure 'M1'. Accordingly they were also granted temporary status and attendant benefits in a phased manner starting from 1-1-1981 onwards subject to satisfying the conditions contained in the said order. It is thus that project casual labourers were able to get temporary status for the first time. The provisions regarding temporary status for Project Casual Labourers (Casual Labourers working in construction wing) are distinctly incorporated in the 1990 Edition of the Railway Establishment Manual in Chapter XX.

In the order dated 11-9-86 of the Railway Board, referred to above, there is also provision made for preparing a comprehensive Divisionwise casual labour Register, arranged on the basis of number of days of work. In fact such a casual labour Register has been prepared and the persons contained in the said 'list' are engaged/absorbed in Railway according to vacancy position, or the basis of Seniority as contained in the said list in each Division of Railway. Future Engagements/absorptions are made strictly in accordance with the seniority as reflected in the said casual labour Register, except in cases where Courts/Tribunals order otherwise, and to the extent of such orders/directions only. In this connection it is also submitted that the said casual labour Register has been prepared by including a casual labourers as envisaged in the order dated 11-9-1986 of Railway Board, as modified by subsequent orders, if any, and also giving sufficient opportunity to all concerned and the Opposite Parties or construction wing have not done it. They are not enpowered to do it also. The said C.L. Register contain the list of all C.Ls who were in service under the Opposite Parties, as on 1-1-1981 as envisaged in the order dated 11-9-86 mentioned above.

Again, as regards the service details of casual labourers are concerned, it is submitted that the casual labourers themselves are the custodian of the same. As already stated above, the casual labourers are engaged by the senior subordinates such as Inspector of works, Permanent way Inspectors etc. according to the needs in his unit. There will be very many such Senior Subordinates under each Executive Engineer (Construction) or Divisional Engineers as the case may be. At the time of such engagement a casual labour card is opened, where in the name, address, father's name, age, signature, Thumb Impression, L.T.I. Number etc. are recorded. The details regarding the work in each wage period (month) is entered in the said card. When work under a Senior Subordinate is over or when the service of the casual labour is terminated. the casual labour card with such endorsement is handed over to the casual labour concerned. This is to facilitate it to be kept and used as permanent record of his service, experience etc. He can approach another senior Subordinate in the same Division or even in other Divisions, and get himself engaged there according to availability of work, duly showing the casual labour card with him. This procedure can be repeated any number of times. There will be casual labourers with casual labour cards with endorsements of a number of Senior Subordinates showing works done under each of them. It is by adding up the days of work done under each such Senior Subordinates, in a Division that the Seniority of a casual labourer is determined and entries made in the casual Labour Register maintained in the Division. This is done on the basis of the casual Labour card with the casual labourer concerned, which is the basic record. Only on the basis of the entries therein, it will be possible to verify the correctness etc. in it with records, if any, available in the office of the Senior Subordinate or Senior Subordinates concerned. Without such basic record (C.L. card) and the details therein, the verification of service details of a perticular person is next to impossibility. More so in respect of past details. In this connection it is also pertinent to note that as per rules regarding the subject, such records regarding working of casual labourers etc. need not be kept beyond 10 years. There is also the further fact that when a particular construction work is over, the records pertaining to it will be kept aside and the office of the Senior Subordinate concerned itself will be closed. As there were hundreds and thousands of casual labourers who have worked under Executive Engineers/Construction/Ernakulam and Trichur, over the years starting from 1971 onwards (from which date the claim in respect of some named workmen started, according to the claimant union) it will not be possible to get at the details, and even to make an attempt to get at the details, by

merely furnishing some names, as has been done by the claimant union.

Now coming to each of the issues, as contained in the claim statement, it is submitted as follows:

At the outset it may kindly be noted that even according to the claimant union, out of the 4 issues which were the subject matter of Annexure A 1 strike notice and strike in question, two issues/claims (issue Nos. 2 and 3) have already been satisfied and as such the same are not pressed. Thus it can be seen that the grievances as projected in the strike notice in question and which were the subject matter of consideration by Courts and other Authorities concerned, (in referring the above I.D.) have been substantially redressed.

The statements and allegations contained in paragraphs 3 and 4 of the claim statements are misleading and not fully correct. Separate provisions are made in the Railway Establishment Manual etc. in respect of regular employees, casual labourers in Open Line, Project casual labourers etc. as already detailed herein above. Thus there was provision for temporary status in respect of Open Line casual labourers and provision was made for granting wages at the rate of 1/30th of the scale rate of pay in respect of Project casual labourers. Project casual labourers were being paid scale rate of wages etc. accordingly as envisaged under the rules and orders. It is afterwards that the Hon'ble Supreme Court have decided Indrapal Yadav case in 1985, containing directions regarding grant of temporary status, regularisation etc. for project casual labourers also. It is in tune with the said decision and the principles therein that the order dated 11-9-1986 mentioned above was issued by Railway Board, for temporary status, regularisation etc. of Project Casual Labourers with effect from 1-1-1981 on the basis of the principles laid down therein. Accordingly all the eligible casual labourers under the Respondents have been granted temporary status and attendant benefits from 1-1-1981 onwards in a phased manner as envisaged in the said order of the Railway Board. The position being as above, the statements and allegations against the respondent Management, are without any basis or justifications. The statements and allegations to the effect that the Claimant Union have been agitating the issues of the workers for prolonged period etc. are also misleading, incorrect and are denied. The strike notice referred to are quite unrelated to the issues and causes as detailed in paragraphs 3 and 4 of the Claim Statement, such as temporary status, principles laid down in Indrapal Yadav case, its implementation etc.

The statements and allegations as contained in paragraphs 1, 2 and 3 under Issue No. 1 in the claim statement, are vague, misleading and without any basis. It is not in consonance with Annexure A1 strike notice and what has been stated earlier in paragraph 3 and 4 of the claim statement also. At some places under Issue No. 1,

the claimant union claims benefit of temporary status and at some other places it claims benefit of wages equal to 1/30th of scale rate of wages in tune with order dated 12-6-1974 of Railway Board. The strike notice annexed to the claim statement also refer to 1/30th of scale rate. In this connection it is submitted that all the eligible casual labourers under the Respondents 1 and 2 have been granted the benefit of 1/30th of scale rate of wages in terms of the said order dated 12-6-1974 of the Railway Board, as modified by later orders dated 21-10-1980, and 2-4-1981 etc. of Railway Board. True copies of the said orders dated 12-6-1974, 21-10-1980, and 2-4-1981 are produced herewith as Annexures M2, M3 and M4 respectively.

It can also be seen from the said orders that the provision regarding grant of benefit of 1/30th of scale rate of pay, is inconsistent with the claim for temporary status. The provision of Railway Establishment Manual 1990 Edition, referred to in the claim statement is also not applicable to the casual labourers who have been working under the Respondents at the relevant time, referred to by the Claimant union. In fact all the eligible casual labourers under the Respondents have been granted temporary status and attendant benefits, in terms of order dated 11-9-86 of Railway Board as already indicated above. The decision of the Hon'ble Supreme Court referred to in paragraph 3 under Issue 1 of the claim statement, are not applicable to the casual labourers in question. It is the decision in Indrapal Yadav case and the Principles laid down therein, which is applicable to casual labourers under the Respondents.

There is also the further fact that the claim for temporary status etc. are in any case unsustainable being barred by limitation and lapses. It is a stale claim. It can be seen that in paragraph 1 under Issue No. 1, the claimant union admits that all the casual labourers/workmen in question have been regularised in service on the basis of scheme evolved in terms of the directions in Indrapal Yadav case. However the union has not chosen to give the date of such regularisation, the place of their present work, Authority under when they are presently working etc. Again from the vague allegations in the claim statement, strike notice etc. it is to be inferred that the benefits claimed must be the benefits prior to the grant of temporary status in terms of decision in Indrapal Yadav case decision etc. Again as almost all the eligible casual labourers under Respondents 1 and 2 have been granted temporary status prior to 1-1-1984, the claim in question must be one prior to that. In this connection it is submitted that all the casual labourers under the Respondents have been paid wages etc. as per rules and orders prevalent from time to time. There is no grievance or objection raised by any of the person concerned on the claimant union regarding it. This being the position it is submitted that the claim raised for the first time in 1991, and repeated in the Claim Statement, are all per se a lapsed and stale claim, made as an after thought.

From what is stated above it can be seen that the claims as contained under Issue No. 1 of the claim statement, are unjust, ambiguous, vague, contradictory, baseless and liable to be dismissed. They also amount to stale claim.

The statements, allegations and averments contained in the various paragraphs under Issue No. 4, are misleading, baseless, unsustainable, mostly incorrect. and are denied. It contain multifarious claims regarding alleged termination of service of different persons named therein, under different circumstances, by different Authorities, and on different dates in different years. Even according to the vague statements and allegations of the claimant union, it would appear that each of the alleged termination is the subject matter of an independent Industrial Disputes, having no connection with the rest of the alleged termination of services. This is apart from the fact that Issue No. 4, as such is also unconnected with the other three issues and the subject matter dealt with therein. Thus, the above I.D. pertaining to the said Issue No. 4, is also liable to be dismissed in limine due to misjoinder of causes of action and subject matter, multifariousness multiplicity etc.

Over and above that there is also the aspect of ambiguity. Lack of details enabling identification of persons, service details etc. of each and every persons. There is also the aspect of inordinate delay, lapses etc. making the alleged disputes regarding termination, claim for reinstatement etc. a stale claim in all respects.

In this connection it is also submitted that casual labourers were being engaged under the Respondents in respect of specific work of construction of new lines, including conversion of existing metre gauge lines into broad gauge lines, laying of additional lines (Doubling) etc. When such constructions are tapering the casual labourers engaged for the work used to be retrenched duly complying with the provisions in the I.D. Act and Rules, regarding seniority etc. if there is no other work available for engaging them or continuing them. There are innumberable number of cases filed before the Hon'ble High Court and Hon'ble Central Administrative Tribunal, by the affected casual labourers both individually and collectively, challenging almost each of such retrenchments/terminations, and the Respondents have all along been doing everything in compliance with the directions and decisions in such cases also. It is not clear as to whether all the persons shown in the list were casual labourers working under the Respondents, whether they were retrenched, and if so when and under what circumstances, whether they have challenged it individually or collectively etc. etc.

Again on the basis of the decision in Indrapal Yadav cesse and consequent orders such as order dated 11-9-86 ci seliway Board etc. a live list of casual labourers. activiting all casual labourers who were in service as on 1-1-1981 and later retrenched/terminated, has been prepared by the Divisional Personnel Officer, Trivandrum as envisaged in the said order dated 11-9-86, and engagement/absorption etc. is made on the basis of seniority as contained in the said list, except some changes to be made on the basis of individual court decisions etc. If the names of any of the workmen concerned, are included in the said Live Casual Labour Register in the Division. they will be considered for engagement/absorption according to the order maintained therein. As already submitted above, such live casual labour Register have been prepared and maintained by the Divisional Personnel Officer of Trivandrum and Palghat, in respect of all casual labourers who were serving in the areas under the said Divisions. This was done with due publicity and duly calling for objections etc. Engagement absorptions from the said list are done by the Divisional Authority. The fact being as above, the various allegations under Issue No. 4 of the Claim statement regarding terminations/retrenchments in violation of the provisions of I.D. Act and Rules, are denied. Again, statements and allegations regarding medical fitness of casual labourers. their entitlement for appointment in categories requiring lesser medical fitness etc. as contained in Claim Statement. are denied in general. The Respondents are not able to say anything regarding individual details regarding the matter as given in the claim statement, as they are perfect. vague and not capable of identification and details required for that purpose. Anyway, on the basis of the informations indicated in para 2 (a) under Issue No. 4 it can be seen that it pertain to a project casual labourer who has been engaged in 1975 or so and sent out of employment in 1977, due to medical unfitness.

In this connection it is submitted that there was no provision for engagement of casual labourers under Respondent (Project Casual Labourers) as regular gangmen in 1977, and that too a casual labourer with such a short service. Even in the case of regular open line casual labourers, the employment and regular appointment as gangmen, was possible only after about 10-15 years service in the normal course. From this itself the improbability of the story of the Claimant/Union will be self evident. It is also submitted that the Circular No. 3/73, or the decisions in I.D. 12/91, and O.P. 13336/95 referred to by the Claimant are not at all applicable to the instance as pictured by the Claimant/Union. Thus there are no orders or rules requiring engagement of any person who is medically unfit, as casual labourer in Railway. Of course, when casual labourers are urgently required, they may be engaged locally without previously conducting such medical examination. But it does not mean that such casual labourers should be

retained even if they are found medically unfit, on subsequent medical examination. The more fact that the medical examination has been conducted only later, will not give such casual labourers to be retained in service simply because they have worked for some period in spite of medical unfitness. However if the medical examination is unduly delayed for long number of years and till they attain sufficient long service for empanelment as regular gangmen, and medical examination is made only at the time of empanelment, some concessions are allowed as envisaged in the Circular No. 3/73 referred to by the Claimant/Union. This is also on the reasoning that due to such long service, a casual labourer who was medically fit at the time of initial engagement, might have become unfit, due to his continuous arduous work in Railway, also. There are no such contigencies in the instance case in question even as pictured by the Claimant/Union. Even the Union has no case that there were any representations, requests for re-medical examination etc. by the workmen concerned at any time. Thus it is self evident that the claimant/union has been trying to resurrect a stale claim after about 14 years in 1991. It is also pertinent to note that even in 1991, the Claimant/Union itself has no case that the alleged termination is due to medical unfitness etc. (as would be self evident from Annexure A1 itself).

Again it would appear from Annexure A1/W1 that the Claimant/Union had two more claims, such as non-implementation of order of the Hon'ble CAT/Madras, in O.A. 485/89, and non-payment of pensionery benefits to a gangmen by Divisional Personnel Officer, Palghat. However nothing is stated about it in the claim statement. Thus it can be seen that out of the six claims which were projected as subject matter of strike and strike notice, the Claimant/Union itself virtually concedes about satisfaction of 4 claims. From what has been detailed herein above regarding the other two claims, it can be seen that they are per se unsustainable, vague, ambiguous, stale etc. and the Claimant/Union have raked up them without any bonafides and justification.

For the reasons stated above, it is respectfully prayed that this Hon'ble Court may kindly dismiss the above I.D.

- 4. Union filed rejoinder refuting the contentions in the written statement and reiterating the averments in the claim statement.
- 5. Evidence in this case consists of the testimony of WW1 to WW4 and Ext. W1 to W40 on the side of the union. The management has not adduced any evidence.
  - 6. The following points that arise for consideration:
  - 1. Whether the demand of the union (Ernakulam District Engineering and Industrial Workers Union)

- raised vide strike notice dated 23rd November, 1991 is legal and justified?
- 2. What relief the concerned workmen are entitled to?
- 7. Point Nos. 1 & 2:—Even though the union has raised disputes of 77 workers, the union has raised the disputes regarding the workers V.K. Dasan (Sl. No. 49), P.K. Drawkumary (Sl. No. 50), K.K. Pushpavathy (Sl. No. 51), K.C. Kartheyani (Sl. No. 52), P.K. Vasantha (Sl. No. 55), K.N. Thankamani (Sl. No. 68). Even though name of Vasantha Sl. No. 55 is included in the list of workers containing 77 workers.
- 8. The learned counsel for the management would argue that this industrial dispute is not maintainable due to the lapse of locus standi for the union, ambiguity lapse and delay etc. and cited a decision in the case Nedugadi Bank Ltd. Vs. K.P. Madhavan Kutty reported in 2001 LLJ S.C. 561 to substantiate its argument with respect to delay. The learned counsel for the union would argue that the issue raised by the workman in the above cited case and in the instant case are entirely different and therefore the principle laid down in that case is not applicable in the present case. The grievance of the workman serial No. 49 in the present case is violation of Sections 25F, 25H and 25G of the Industrial Disputes Act and the circular No. 3/ 1973 and the grievance of other workers are violation of Sections 25F, 25H and 25 G of the Industrial Disputes Act. In the above cited case the termination pursuant to misconduct extrenuous the workman's right of continuation in service. But in the present case, due to right of the workers under the Indian Railway Establishment Manual for re-engagement in preference to other fresh job signatories and due to violation of Section 25F which calls for reinstatement as a normal rule with proved. And therefore the workers have a continuing right to be reengaged as and when vacancy arises. In the above cited case the termination of workman was subsequent to prove misappropriation of money and falsification of account. Therefore the termination in the above cited case is a punitive measure while the termination of the workman in the present case is not consequential of any criminal offence. The workman in the above cited case was served with notice after framing charges against him. While the workman in the present case were terminating without any notice as mandated by Section 25F of the I.D. Act. Termination being punitive in nature in the above cited case, the workman has no right to continue in service whereas in the present case the workman have a continuing right until their termination is incompliance with Section 25F. The continuing right being violated, as fresh period of limitation begins to run at every moment of time their rights continued to be denied. Therefore the contention of the management that the I.D. is not maintainable due to

delay is not sustainable. The other contention of the management that the workman involved in this I.D. are not members of the union also will not stand since the union has raised the dispute of the workman involved in this case it is irrelevant whether the workmen are the members of the union.

9. V. K. Dasan (Sl. No. 49) was a casual labourer in Railway from 16-4-1965 to 27-12-1973. Ext. W1 is the service card of the workman V. K. Dasan, Ext. W2 is the certificate dated 23-1-1997 issued by the Inspector of workers Southern Railway, Ernakulam which shows that Dasan was a Khalasi on 23-1-91 and Ext. W3 certificate dated 23-5-1971 shows that he was an applicant for the post of gangman. Ext. W3 dated 21-12-1971 is the call letter for interviews. Ext. W5 is the emergency duty pass issued to the workman on 17-6-1973. Ext. W2 to W5 would show that the workman V. K. Dasan was in service till 1973. The workman V. K. Dasan was examined as WW1 in this case. He has deposed that he had put in continuous service from 1961 to 27-12-1973 and that fact remaining no disputes in cross examination which also corporates the documentary evidence of W1 to W5 that he was in continuous service for more than 240 and 360 days therefore he could be retrenched only after compliance of the requirements laid down under Section 25F of the Industrial Disputes Act. But the management has not complained any of the requirements laid down under Section 25F of the I.D. Act to retrench the workman V. K. Dasan. Therefore the termination of the workman Sri. V. K. Dasan is illegal. The learned counsel for the union would argue that the reinstatement to juniors like Pavithra, Kuriakose etc. no non-absorption of the workman V.K. Dasan who is much senior to them, is against the provision under Section 25G of the I.D. Act. The learned counsel for the union also argueat that the termination from service without considering for the post of requiring lower medical category is illegal. Circular No. 3/1973 stipulates as follows: "Such of the casual labourers as are found on medical examination to be unfit for the category for which they are sent for medical examination, despite the relaxed standard prescribed for re-examination, may be considered for alternative category requiring a lower medical classification subject to their suitability for the alternative category being adjudged by the screening committee, to the extent it is possible absorption against alternative posts requiring the lower medical classification." Hence the workmen, when found unfit for B1 category, ought to have been considered for alternative posts requiring lower medical classification. Therefore the termination of service of Sri. V. K. Dasan without considering for the lower category is violative of the above provisions in the circular and hence the termination is illegal. Even though the workman was found unfit for one category. Ought to have been considered for alternative posts requiring lower medical classification. Therefore the termination of service of Sri. V. K. Dasan without considering for the lower category is violative of the above provision in the circular and hence the termination is illegal. Even though the workman was found unfit for one category, his unfitness for that particular category does preclude his right to continue in his previous status. Had he not been illegally terminated, by virtue of continuous service more than 360 days he would have been attend temporary status, in permanent Service. It is held in the case reported in (1992) 20 ATC 328 it was held that termination without complying with requirement of Section 25F of the I.D. Act and without considering for alternative posts requiring lower medical category is illegal. Therefore the workman V. K. Dasan Sl. No. 49 is entitled to reinstatement with continuity of service to a post and alternative category requiring lower medical category. The learned counsel for the union has submitted that due to over age of the workman he is not present for reinstatement. But the workman may be adequately compensated. Therefore I am of the view that the workman V. K. Dasan is entitled to get a total compensation of Rs. 25000/- from the management.

10. Sl. No. 50 Drawkumari was engaged as a casual labourer since 31-1-1977 and continued up to 23-8-1981. On 8-8-1981 she took 15 days leave for her marriage but due to severe sickness of her mother-in-law she was forced to stay back and look after their 2-1/2 months. When reported on duty she was told that she will be re-engaged as and when required. Ext. W8 casual labour service card proves her continuous service from 11-9-1980 to 20-6-1981. Having completed 240 days of continuous service her temination with compliance of Section 25F of the I.D. Act is illegal. Moreover, she has registered her name for inclusion in the live register and her name is reflected in the seniority list. Therefore the contention of the management that the workman Drawkumari has abandoned her service and she is not entitled for re-engagement if for unsustainable. Since there is no compliance of Section 25F of the Industrial Disputes Act, the termination of the worker Drawkumari Sl. No. 50 is illegal and therefore she is entitled to be reinstated with continuity of service but without backwages.

11. The worker, K. K. Pushpavathy Sl. No. 51 has enagaged as a casual labourer in the year 1971 and continued her service still 27-5-1979. The fact which is proved by Ext. W11 service card and admitted by the management in page 2 of the reply filed before the conciliation officer that Smt. K. K. Pushpavathy was a women Mazdoor under the permanent Way Inspector, Trichur from the year 1971 to 27-5-1979 by virtue of her 240 days continuous service she is entitled to the right under Section 25F of the Industrial Disputes Act. Moreover she had registered her name as per the direction of the Hon²ble Supreme Court before 31-3-1987 and her name appears in the seniority list which is not disputed by the management. The learned counsel for the union also would argue that juniors of the workman are engaged without

considering her seniority in violation of Section 25G of the Industrial Disputes Act. Therefore the worker K.K. Pushpavathy. Sl. No. 51 she entitled to reinstate with continuity of service but without backwages.

- 12. K.C. Karthiyani, worker Sl. No. 52 joined as a casual labourer on 3-4-1978 and continued upto 20-7-1981. In the year 1978 itself she is completed 147 days and in the year 1979 she has completed 120 days in open line of the railway. Ext. W13 is the service card to that effect. She completed 252 days of continous service from 1-11-1980 to 20-7-81. Therefore she is entitled to get temporary status as prescribed as open line casual labourers and right under Section 25F of the I.D. Act. She was examined as WW4 in this case. WW4 has deposed that she is a member of the scheduled caste and in the year 1990, the management absorb scheduled caste labourers by issuing notification ignoring her case. She has registered her name in the live register as per the notification issued by the railway in pursuance of the decision reported in 1987 S.C. 1153. On enquiry she was informed that her name is in the seniority list. Considering all these aspects I am of the view that she is entitled to be reinstated with continuity of service but without backwages.
- 13. The worker P.K. Vasantha Sl. No. 55 was engaged as casual labourer from 8-3-1977 to 2-7-1984 in the railway. Her evidence by her service card which is marked as W 40. She has completed 130 days continuous service in open line from 22-2-1984 to 2-7-1984. As such she is entitled temporary status on completion of 120 days continuous service as per chapter 2001 (b) of Indian Railway Establishment Manual. Once temporary status acquired by virtue of completion of 120 days the worker are entitled to notice on termination under Section 25F of the Industrial Disputes Act. She has also registered her name in the live register for re-engagement and her name is in the seniority list. Therefore she is entitled to be reinstated with continuity of service but without backwages. The learned counsel for the union would argue that K. N. Thankamani No. 68 was engaged as casual labourer on 3-4-1988 and continued till 20-7-1981. But no piece of evidence is produced before court to show that the worker K.N. Yhankamani Sl. No. 68 was engaged as casual labourer in the railway. But there is no evidence to prove that She was engaged as casual labourer in the railway. The worker K.N. Thankamani failed to prove that she was engaged as casual labourer and work more than 240 days continuous service. Therefore the worker K.N. Thankamani Sl. No. 58 is not entitled to get any relief.

In the result, an award is passed directing the management railway to pay compensation of Rs. 25000 to the workman Sri. V. K. Dasan Sl. No. 49, instead of reinstatement. The management is also directed to reinstate Drawkumari, Sl. No. 50, worker K.K Pushpavathy Sl. No. 51, the worker K. C. Karthiyani Sl. No. 52 the workman

V. K. Vasantha Sl. No. 55 as temporary casual labourers with continuity of service but without backwages. The serial No. 68 T. N. Thankamani is not entitled to get any relief.

This award will take effect one month after its publication in the Official Gazette.

### **AWARD**

This reference was made by the Central Government of India as per letter No. L-41012/107/93-IR(BI) dated 5-5-95. The dispute is between the

Management of Southern Railway and their workman. The dispute referred is:

"Whether the action of the management of Executive Engineer (Constn). Southern Railway, Podannur in terminating the services of the workman viz. Shri R. Kaladharan working under PW/Palghat WEP 3-7-84 without complying the provisions of the I.D. Act, 1947 & Indian Railway Establishment Manual is justified? If not to what relief the concerned workman is entitled to?"

2. Union filed claim statement raising the following: The concerned workman Shri R. Kaladharan was employed as casual labour under permanent way Inspector Cochin/Palakked (PWI/CN/POT of Southern Railway. His services were uninterrupted and continuous ever since the date of appointment on 22-12-1983. he was drawing Rs. 780/- per month. While working so on 2-7-84 his service were terminated by management without stating any reason. No represtation or no notice pay was offered to the workman at the time of termination of service. No allegations were raised against the workman at any point of time. Hence the action of the management terminating the services of the workman is unjustified unsustainable and against the existing provisions of industrial disputes Act.

The workman is not alternatively employed any where. Since that date of termination. He is finding if very difficult to pull or his huge family without any earnings.

It is therefore respectfully prayed that this Hon'ble Court may be pleased to pass an award directing the management to reinstate the workman with full backwages and continuity in service.

3. The management filed written statement raising the following contentions:—It is submitted that Sri. R. Kaladharan, Project Casual Labour under this respondent, on daily rate of pay Rs. 13/-per day with effect from 22-12-83 and he was retrenched from service on 2-7-84 along with the other 379 such daily rated casual labourers for want of work with L.T.I. No. 426.

In O.P. No. 7570 of 1987 the Hon'ble High Court of Kerala defined that it is well established principle of Industrial Law. Industrial Court, Tribunal Authorities do not entertain stale'claims. According to the above decision the maximum period of entertaining a stale claim is 4 years. As such this stale claim is 10 years old thus the claim is liable to be dismissed in 'limini'. The photocopy of the said order of the Honourable High Court of Kerala is produced herewith and marked as Exhibit R.I."

The applicant of Sri. R. Kaladharan Project Casual labour hed filed a claim petition at Labour Court/Kozhikode vide No. 49/88 (Central) for the arrears of the Ty. status after completion of 120 days of continuous service i.e. from 1-5-84 to 2-7-84. The respondent Railway has rejected the claim through the counter statement and submitted that the applicant was only a project casual labour and he was in employment in this project only for a period of 190 days. As such he is eligible for monthly rate of pay plus

Dearness allowance for two days only as envisaged in the Railway board letter No. E (NG) 11/83/1-6/5-4 of 6-6-83. The Hon'ble Labour Court has agreed and passed an order dated 29-1-88 Exhibit R.II to pay the difference amount of Rs. 37-90 to the applicant. The same has also paid to the applicant. The photocopy of the said order of the Hon'ble High Court of Kerala is produced herewith and marked as Exhibit R. II.

It is humbly submitted that the above applicant is not eligible for Temporary status on completion of 190 days of service as per with other open line casual labourers. The administration has accepted the difference in wage of two days Rs. 37-90 (i. e.) the difference of daily rate and monthly rate after completion of 180 days.

Further, the applicant has filed a written petition to the Assistant Labour Commissioner,. Ernakulam for the completion of 120 days cotinuous service, he must be allowed for Temporary status as per order of Government Labour Court/Kozhikodevide C.P. No. 49/88. And also his termination was made without any not and said notice was not given to him and the termination is illegal.

It is submitted that, the petitioner was initially engaged as a project casual labour. Project casual labours are not eligible for Temporery Status/CPC scale after completion of 120 days service. They are eligible only for temporary status only in the wake of Hon'ble Supreme Court 1985 (2) 648, W.P. No. 147320-69, 559 in Indrapal Yaday and others and Railway Board Lr. No. E (NG) II/84/ CN/41 of 11-9-86 Exhibit R.III. The above project casual labour has not come under the purview of the above said order, he was in employment of 190 days of service only. Hence he is not eligible for retrechment compensation and notice of termination. It is clearly seen from the Railway Board order No. E (II) 8/AT/10/1-8 dated 23-2-82 that the workman (regular or casual) should be deemed to have completed continuous service for one year under an employer if he has worked for 240 days (calculated in terms of section 25 B (2) of the I.D. Act) in a period of 12 months proceeding the date with reference to whose calculation is to be made. Even though he might not have been in service of the employer for one whole year.

The project casual labour of Sri, R. Kaladharan has completed only 190 days only in service processing the date of his retrenchment. Hence he is not eligible even for temporary status and notice of termination and retrechment compensation.

In the view of the above, it is submitted that Sri. R. Kaladharan, project Casual Labour has worked only 190 days. He had already been given monthly rates of scale after completion of 180 days and difference also paid. The Hon'ble Labour Court had not ordered to given temporary status to the petitioner and only accept counter of administration as per rules.

Hence he is not eligible for any temporary status/ retrenchment compensation and notice of termination. It is also submitted that the action of this management to terminate the service of Sri. R. Kaladharan, Project Casual Labour with effect from 2-7-84 is as per the provision of I.D. Act, 1947, Indian Railway Establishment Manual. He is not eligible for any relief as per I.D. Act. Under the above circumstances it is humbly prayed that this Hon'ble Court may be please to dismissed the claim petition with cost to this respondent.

4. The management has also field additional written statement raising the following contentions.—The Management deny all the material allegations made by the applicant except that are expressly admitted herein.

At the outset the respondent deny the existence of an Industrial Dispute between the applicant and the respondent.

The applicant cannot be taken as workman within the meaning of section 2(s) of the Industrial Dispute Act, 1947. The definition of a workman as per the I.D. Act, 1947, is reproduced hereunder:—

"workman—means any person (including an apprentice) employed in any industry to do any manual unskilled, skilled technical, operational, clerical or supervisory work for hire or reward whether the terms of employment be expressed or implied and for the purpose of any proceeding under this Act in relation to an Industrial dispute, includes any such person who has been dismissed, discharged or retrenched in connection with, or as a consequences of, that dispute, or whose dismissal, discharge or retrenchment has led to that dispute, but does not include any such person etc.

The attention of the Court is invited to the definition itself implies that the workman must be employed that the industry to do (may please be noted, the stress on present tence) i.e. should be working or has been dismissed/discharge/retrenched and whose dismisal/discharged/retrenchment has led to the dispute.

It is clear that the applicant was a workman under the respondent, but not workman now as he has not been dismissed/discharged/retrenched which has led to any dispute (The applicant has only asked for payment of assumed arrears of wages which were supposed to be due to him, and not challenged anything regarding dismissal/discharge/retrenchment). Therefore, the applicant is not a workman as per I.D. Act 1947 and can not file a claim under I.D. Act.

The applicant was a workman under the respondent have been retrenched in the normal circumstances adopting the establishment rules and regulations.

The definition of industrial dispute as per I.D. Act 1947 is not reproduced hereunder.

Industrial Dispute means any dispute or difference between employees and employers or between employers workman, or between workman and workmen, which is connected with the employment of non-employment of the terms of employment or with the conditions of labour of any person.

This also clearly says that the Industrial disputes means and dispute between employer and workman which

is connected with employment or non-employment or terms of employment or that the conditions of labour of any person.

It is brought out that there is no evidence that the applicant as aggrieved workman ever made a representation to the respondent and it has been refused by the respondent which is necessary condition for existence of an Industrial Dispute to a be adjudicated by an Industrial Tribunal or Labour Court. Under the I.D. Act the payment of assumed arrears of wages that too based on a court verdict in an incomparable case cannot be assumed to have a nature of Industrial Dispute.

The text for industrial dispute could be that the aggrieved party should be either workman or employer treated as a group. The dispute should be about the employment or non-employment of the terms of employment or with the conditions of labour during the course of employment or immediately after retrenchment for termination if the retrenchment or termination itself is disputed. The present application does not fall in any category of employment or non-employment. At the best it comes under terms of employment. Since the applicant has been working under the respondent with terms of employment and is not challenged it during the course of his employment it is clear that there is no dispute that existed, during the course of employment. Only it is raked up now after a court verdict in an incomparable case with the applicants themselves have ceased to be workmen.

The question at large is not connected with the employment or non-employment the terms of employment or the conditions of labour as provided in the definition of industrial dispute, but only payment of assumed arrears of wages for persons who are not workman and the respondent(s) of the opinion that the Honourable Court is not the appropriate forum to discuss the issue as neither it is coming under the category of Industrial Dispute nor the applicant is workman nor any dispute existed or exists between the workman and the employer and on these grounds alone the application is liable to be dismissed.

Section 33-C(2) of the I.D. Act under which the notice has been issued to the respondent also is limited by the wording of the section itself in that the amount at which such benefits should be computed may, subject to any rules that may be made under this Act be determined by such labour court. In as much as the applicant is not workman and there is no dispute as defined in the I.D. Act, Section 33(C) (2) of the I.D. Act also is not applicable.

In spite of the objection made out in the above paras the respondent submit further that the applicant was engaged as casual labour in projects. He has claimed the relief by his application for consideration of which, the normal time limit, has already lapsed. It is brought to the notice of the court that the time limit for preservation of the records for casual labourers as per the rules of this department is only 10 years. But the applicant is claiming his relief for a period before 10 years on the dates of application. The notice of the court is drawn to verdict of the Hon'ble High Court of Kerala in its OP No. 7970 of

1987. In which it is clearly stated that it is a well established Industrial law and industrial courts, tribunals and authorities do not entertain such stale claims. Even the Industrial Dispute Act, 1947 specifies a maximum period of 1 year for making claims with a provision for relexation. But there is no sufficient grounds made out by the applicant for relaxation. According to Supreme Court the maximum period of entertaining even such claims for relaxation is only four years. Therefore the claims made by the applicant is stale as per the above court verdicts and on these grounds alone the application is liable for dismissal as in limine.

It is also brought to the notice of the court that the applicant was engaged in projects in the territorial jurisdiction of Tamil Nadu. His pay drawing office is also situated in Tamil Nadu.

The relief if granted, is also to be granted by General Manager/Southern Railway/Madras whose office is at Madras. The Div. Personnel Officer, Palghat is in no-way connected with the claims and the first respondent and his superior officer are also situated in the territorial jurisdiction of Tamil Nadu. Even if any relief is granted by the court if it will be executed the first respondent and his superiors in the territorial jurisdiction of Tamil Nadu only. Therefore the applicant has filed case without jurisdiction and on this ground also the application can be dismissed as 'without jurisdiction'.

It is also brought to the notice of the court that all the casual labourers who are working in Railways are issued casual labour cards which is an authentic record to establish their claims. It is requested that the applicant is to be directed to produce C.L. cards for considering his application which is Issued to him.

It is also brought to the notice of the court that the period of preservation of Master host for the casual labourers are only ten years and the applicant has filed his claim after the stated period of preservation, has expired, with an expectation that the Railways may not be in a position to produce any records at such as distant date and there is a possibility of getting benefits of doubt to the applicant.

In spite of the fact that the above objections outlined in above paras himself is adequate to dismiss the application the respondent wish to submit further that:—

The applicant was engaged as casual labour on projects (for definition of-Project Casual labourers refer below) The claims made by the applicant is on the following grounds.

- (a) Claiming scale rate of wages after completion of 6 months of casual labourers service.
- (b) Claiming temporary status after completion of 6 months of casual labourers service.
- (c) claiming leave salary on granting of temporary status.

# (d) Claiming interest and cost of litigation.

All the above claims revolves around the rules & procedures governing the terms of employment of project casual labourers and it is necessary to bring to the notice of the court and also the applicant the rules regarding terms of employment of project casual labourers in Railways. The respondent take this opportunity to brief the court & also the applicant about the terms of employment of project casual labourers in Railways.

The casual labour refers to 'Labour put on employment which is essentially intermittent, aporadic, and extend over short period. Labour of those kind is normally recruited from the nearest available source. The casual labourers in Railways are of two categories namely, open line casual labourers (these who are engaged and utilised for maintenance & operation of Railway line) and project casual labourers 'those who are engaged in projects of Railways).

Project casual labourers are defined as seasonal labours who are deputed for specific work of less than a month duration or on projects. Projects include construction of new lines, major bridges, restoration dismantling lines and other major improvement line works like doubling widening of tunnels, bridges etc.

The Project casual labour engaged in Railway projects as defined above, are eligible for 1/30 of appropriate scale rate of wages with Dearness Allowance on completion of a month of continuous service in the same type of work with effect from 1-6-74 (or) on the date from which & months continuous services is completed whichever is later by authority of Railway Board letter No. P. 372/RLT/69-III dated 12-6-74 copy of this order enclosed as R.I.

The scheme for granting temporary status to casual labourers in Railways were introduced with retrospactive effect from 1-1-81 based on the decision of the Supreme Court rendered in the case of Indrapal Yadav & Others versu Union of India. Copy of judgment is enclosed as R-2.

The project casual labourers on attainment of temporary status will be eligible for the following benefits:

- (a) Period of notice for termination of service subject to provision of Industrial dispute Act, 1947.
- (b) Scale of rate of pay.
- (c) Compensatory & loval allowance.
- (d) Attendance
- (e) Leave Rules.
- (f) Provident Fund & Gratuity.
- (g) Allotment of Railway accommodation & recovery of rent.
- (h) Railways Passes.
- (i) Advances or any other banefits specially authorised by Railways.

(j) The qualifying service for pension & gratuity purposes will be taken as 1/2 of total temporary status service.

In brief the Project casual labourers will be eligible for scale rate of wages on completion of 6 months of continuous service on or after 1-6-74 (repeat on or before 1-6-74 only and they will eligible for temporary status on or after 1-1-80 as per the following scheme."

- (i) Those who have completed 5 years of service as on 1-1-81 treated temporary from 1-1-81.
- (ii) Those who have completed 3 years of service but less than 5 years of service as on 1-1-81 treated temporary from 1-1-82.
- (iii) Those who have completed 360 days but less than 3 years of service as on 1-1-81, treated temporary from 1-1-83.
- (iv) Those who hav completed 360 days of service on or after 1-1-84, treated temporary from 1-1-84 or the date on which 360 days are completed whichever is later.

The benefits as outlined in Para 16 will accrue to casual labourers only after attaining temporary status and not before and this in any case cannot occur before 1-1-81, repeat this in any case cannot occur before 1-1-81.

It is clear that none of the project casual labour were granted the temporary status prior to 1-1-81 and none of the project casual labours were granted scale rate of wages before 1-6-74. If at all any arrears is admissible it will only for the period beyond the above mentioned date and not before and also it is subject to the continuity of service.

While verifying the available records it is seen that the above project casual labour of Sri R. Kaladharan was engaged on 22-12-83 with LTI No. 426, had worked under PW1/CN/PGT. The above project casual labour had worked in this construction organization for 190 days and retrenched on 2-7-84. Hence, he is not eligible for temporary status and notice of termination. It is also clearly seen from Railway Board Letter No. E(II) 8/A7/ID/1 dated 23-2-1982 that a workman (regular or casual) employed for a period not less than 12 calender months and an employer during these 12 calendar months he had worked for not less than 240 days (calculated in terms of Section 25F(2) of the ID Act) in a period of 12 months preceding the date with reference to whose calculation is to be made, even though he might not have been in service of the employer one whole year.

The respondent has also carefully pursued and submitted that Sri R. Kaladharan project casual labourer had worked only 190 days and he had already been given monthly rate of scale after completion of 180 days and difference also paid upto 2-7-84 as per the provision of ID Act, 1947 and Indian Railway Establishment Manual. Further, he is not eligible for any relief as per ID Act.

Further, it is humbly stated that in reply to award passed by the Labour Court, Ernakulam in ID No. 3/95(C) the respondent had filed O.P. No. 15479/97 dated 28-8-97.

It is respectfully stated that the same type of temporary status cases (after completion of 6 months continuous service) has been dismissed by labour court, Kozhikode. (44 Joint terial cases, common order No. CP(C) 82/93 to 38/93 and 7 joint trial cases common order No. CP(C) 10/94 to 24/95—dismissed on 29-8-97 (copy enclosed) (R.I.).

In spite of the fact that the application is time barred, without jurisdiction, not following the established procedure. Invalid contentions, still the respondents have verified the application and found that the claims made are not sustainable as per the rules and provisions of railways elaborated in the proceeding paragraph and therefore, request that the application may please be dismissed. It is respectfully stated that the supreme Court of India civil appeal No. 4643 of 1992 clearly stated that after completion of 360 days, the project casual labourers are eligible for Tv. status (copy enclosed) LR II and marked as further it is clear that the applicant has made infructous and stale application without jurisdiction which had put the railway in hardship. The railway for obeying the orders of the court has to bear the cost of filling counters. Legal fees, and other management expenses. It is clear that the applicant willfully filed this petition knowing fully well that his claim is stale and invalid without jurisdiction and as the railways have been put to tremendous hardship by such stale, inconsequential and invalid claims it is requested that the court should take notice of such attempt being made by ex-casual labourers of Railways and direct the applicant to pay the cost to Railways. Such an order will put a full stop to such stale, inconsequential and invalid claims and relieve the Railways from attending to infructous work and concentrate on it is main duty to the public namely giving an efficient transport to the public.

- 5. The evidence in this case consists of the testimony of WW1 and Ext. W1 to W3 on the side of the union and the testimony of MW1 and Ext. M1 to M6 on the side of the management.
  - 6. The point that arise for consideration are:
  - 1. Whether the action of the management terminating the service of the workman Sri R. Kaladharan is justifiable?
  - 2. If not what relief the workman is entitled?
- 7. Points Nos. 1 & 2.—The workman joined in the management Railway on 22-12-1983 as a casual labourer under the Permanent Way Inspector, Cochin—Pkd. He work up to 2-7-1984. On 2-7-1984 his services were terminated without stating any reason. No. notice pay or retrenchment compensation was offered at the time of termination. Therefore, the termination of employment amounts to illegal retrenchment U/s 25(f) of the I.D. Act and the provisions of the Indian Railway establishment manual. The contention of the management is that the workman was only a project casual labourer and so he is not entitled to get temporary status as he is not completed 360 days continuous service but there is no evidence to show that the workman was project labourer. The unions

case is that the workman was working in the open line and was doing the packing and other allied works. WW1 has deposed as follows:—

# [MATTER NOT CLEAR]

The evidence in this case would show that the workman had worked in the open line. Therefore he is entitled to get temporary casual labour status. So the termination without payment of notice pay and retreachment compensation is illegal. Therefore, the termination of the workman from the services of the management Railway is liable to be set aside. During the pendency of the case the union produced office order No. J/W/1/18/2004 dated 30-7-2003 of the Divisional Office of the management railway which is marked as Ext. W3. As per Ext. W3 office order, the management Railway appointed the workman Sri Kaladharan as temporary track man on Rs. 2510 in the scale of Rs. 2610-2540 and posted to the Kgo Station w.e.f. 23-7-2004 in the terms and condition mentioned in Ext. W3 order.

In the result, an award is passed holding that termination of the service of the workman Sri Kaladharan from the management Railways is set aside however during the pendency of this case the management appointed the workman as temporary trackman. There is no incontrial dispute pending at present for adjudication.

This award will take effect one month after its publication in the Official Gazette.

1. The Government of India by the reference order No.L-12012/166/2003-IR(B-1) dated 12-9-03 had referred the following issues for adjudication:

**AWARD** 

"Whether the action of the management of the Federal Bank Ltd., Head Office, Alwaye, Kerala in dismissing the services of Shri M. S. Koshy, Bankman of Kavumbagom Branch, Thiruvalla, Pathanamthitta District, Kerala with effect from 22-8-2002 is proper and justified? If not, to what relief Shri M. S. Koshy is entitled to?

- 2. The workman concerned was working as a subordinate staff in the management Bank. Disciplinary proceedings were initiated against him on certain misconducts. He was served with a memo of charges on 2-11-2001 and that reads as follows:—
  - ." (a) On 11-4-01 Shri Koshy received a sum of Rs.11,716 from the Cashier for remittance of electricity charges of the branch premises as ther spot bill for the month of April 2001. Shri Koshy had signed on the back of the cash debit voucher dated 11-04-01 for having received the cash. On the same day, he produced cash receipt No. 57 of Book No. 668 for Rs. 11,716/- so as to appear that he had remitted the electricity charges. Again on 19-6-01 Shri M.S. Koshy received Rs. 896 from the cash section for remittance of electricity charges for the month of June 2001 by signing on the back of the cash debit vocuher. For the above remittance he produced cash receipt No. 115 of book No. 34652 for Rs. 9,896. Material alterations were apparent on the above receipt produed by Sri. Koshy. He altered the consumer number, amount, date etc., to make it as if the receipt was related to the banks payment. the electricity bill for the month of August, 01 was collected by Shri. M. S. Koshy from the Electricity Department staff when they came for issuing the spot bill; however this was not known to the branch and electicity charges for August, 01 was not remitted. On 3-9-01 Asst. Executive Enginneer telephoned to the branch and requested to check up whether the electricity bills were paid up to date. then the receipts submitted by Shri Koshy were taken out from the GEO file and were sent to the electricity office. It was then revealed that the bill amounts were not till then accounted in their books. The Asstt. Excecutive Engineer informed that the receipt for Rs. 11,716 was from their original book, but they had made a remark of having lost the particular receipt from their book. He also informed that the receipt for Rs. 9,896 was not related to their office and it was found to be a bogus receipt. The Asst. Executive Engineer, Thiruvalla has given in writting that cash receipt No. 57 of Book No. 668 is the blank receipt lost from their office and no payment had been received at their office against the receipt. During the course of investigation, it was found out that the electrical consumer number of Shri. M.S. Koshy is 8150. On verification of the remittance made into this consumer number KSEB official at Thiruvalla office informed that a remittance of Rs. 44 was made on 4-12-2000 towards electricity charges of consumer number 8150. Receipt No. 115 of Book No. 34652 was issued from their office for the above remittance. Hence it became clear that Sri Koshy remitted Rs. 44/- on

- 4-12-2000 towards electricity charges of his residence for the month of December 2000. He corrected the consumer number from 8150 to 2417 and amount from Rs. 44/- to Rs. 9,896/- and put the date as 19-6-01 and produced the receipt to the branch evidencing his remittance of banks electricity charges for June 01. The Asstt. Executive Engineer, Electrical Major Section, Thiruvalla has given in writting the cash receipt No. 115 date 4-12-2000 for Rs. 44/- contained in Book No. 34652 issued from their office is related to the payment of electricity charges of consumer No. 8150, Thiruvalla for December 2000.
- (b) Cheque No. 733674 dated 30-5-01 for Rs.70,00 issued by Sri M.S. Koshy fabouring Sri. Surendran Nair was returned on 20-9-01 with the reason "Funds insufficient". According to the complaint letter of Sri Surendran Nair, Sri. Koshy had taken a loan of Rs. 70,000/- for a period of one month. As security for the same, he obtained a cheque for Rs. 70,000/- drawn by Sri Koshy on his SB account with Branch Kavumbhagom. The amount was not repaid within the agreed period. Since the validity period of the first cheque was over, it was returned to Sri. 'Koshy and a fresh cheque was otained. Again one more cheque was obtained replacing the second cheque. Sri Koshy had assured to repay the amount on several occasions, but he could not fulfil his assurance. Total amount repaid by Sri Koshy so far is Rs. 7.060/- that too by a number of installments. Finally when Sri. Surendran Nair realized that the chances to get back the money were very remote, he presented the cheque No. 733674 issued by Sri Koshy at Br. Kavumbhagom on 20-9-01. The cheque was returned for the reason "Funds insufficient". Subsequently, he issued a lawyer's notice demanding amount within 15 days. Sri. Surendran has already initiated steps to file criminal complaint."
- 3. The remaining allegations were regarding unauthorized absence from duty for the period from 6-8-01 to 8-8-01 and also irregular borrowing of money from customers of the Bank. The charges levelled against him were confined under the following heads of misconducts as envisaged in Bank's disciplinary codes:
  - "(1) doing any Act predjudicial to the interest of the bank and
    - (2) remaining unauthorized absent without intimation continuously for a period exceeding 30 days.
    - (3) breach of rule of business of the bank or instruction for running any department.
    - (4) absence without leave and
    - (5) incurring debts to an extend considered by the management as excessive."

- 4. On the Charges levelled against the workman, an elaborate domestic enquiry was conducted. The Enquiry Officer concluded the enquiry by accepting the oral and documentary evidence of the management. Based on the enquiry report and the findings, the workman was punished for serious misconducts stated to be proved. The punishment awarded was dismissal from service.
- 5. In the statement of claim filed by the workman, he practically disputed all the allegations. Very serious attack was also made against the domestic enquiry conducted. Because of that, the issue relating to the validity of the enquiry was treated as a preliminary issue and both sides were permitted to adduce evidence to substantiate their contentions on the validity of the enquiry. The preliminary order extracted hereunder will give the details of pleadings for and against the validity of the enquiry and therefore I am not repeating those contentions. The prelimanry order passed by this tribunal on 21-2-2005 is extracted hereunder in full:

#### PRELIMNARY ORDER

- 1. The Government of India by their reference order No. L-12012/166/2003 IR (B.1) dated 12-9-2003 had referred the following issues for adjudication.
  - "Whether the action of the management of the Federal Bank Ltd., Head Office, Alwaye, Kerala in dismissing the services of Shri M. S. Koshy, Bankman of Kavumbhagom Branch, Thiruvalla, Pathanamthitta Dist. Kerala with effect from 22-8-2002 is proper and justified? If not, to what relief Shri M. S. Koshy is entitled for?"
  - 2. Both parties entered appearance and filed detailed statement in support and against the punishment imposed on the workman. In the claim statement filed by the worker it is alleged that he was suspended from service on the allegation of temporary misappropriation of bank money. According to him entire money alleged to have been misappropriated by him was paid and therefore the charges framed against him based on which enquiry was conducted and punishment imposed were not sustainable. Regarding the domestic enquiry it is alleged that it was only a formality and the entire enquiry proceedings were completed in the first day of enquiry itself viz., on 17-4-2002 by taking only 3 1/2 hrs. The Enquiry Officer completed the oral examination of two management witnesses and marked all the documents at their side within that time. When that process was goingon, the workman was simply keeping as mute witnesses in the enquiry. Nobody had asked any question to him regarding the charges levelled against him. Even the union representatives who was expected to help him in the enquiry was also behaving like the other officer of the management who were trying to establish charges against him. In order to help him in the enquiry, he made request for the help of the union's secretary Mathew George and Vice President C.M. Devassy, but against his will one Assistant Treasurer of the union P.I. Bose has represented him in the enquiry. It is also alleged that the Enquiry

Officer did not give him any documents prior to the enquiry. The workman was also unaware about the identity of the Enquiry Officer himself. Therefore according to the workman the entire enquiry proceedings were vitiated as the same was conducted in violation of the principles of natural justice. He thus makes plea for declaration that the entire enquiry proceedings were null and void.

- 3. The management in their written statement has disputed all the allegations raised against the enquiry. According to them, the workman was charge sheeted for misconduct which were prejudicial to the interest of the Bank. His unauthorised absence without intimation for a period exceeding 30 days and incurring of debts by him to such an extent which is considered by the management as excessive are also the other misconducts noticed. On the basis of charges levelled against him he was suspended from service by an order dated 10-10-2001. One Sri M.A. Thomas, Manager (Administration P & IR) Head Office, Aluva was appointed as Enquiry Officer. The Enquiry Officer conducted the enquiry in compliance with all the principles of natural justice. In the enquiry the workman was assisted by the Assistant Treasurer of the union in which the workman was also a member. The list of witness and copies of documents produced on the side of the management were given to the delinquent in advance. The defence representative had cross-examined all the management witnesses and later opportunity was also given to the workman to adduce his evidence. It was informed by the delinquent workman and his representative at that time that they would have no witness to be examined and no documents to be marked in evidence. After recording that submission, the enquiry was closed. Based on the evidence a report was submitted later finding the workman guilty of the charges. As there was no illegality of any kind, no interference at the hands of this Tribunal is called for. As per the service regulation applicable to the management, for doing any act prejudicial to the interest of the bank, the punishment of dismissal even without notice can be inflicted. Similarly for unauthorized absence exceeding 30 days also, similar punishment can be given. As the workman had fully participated in the enquiry, there is no justifiable ground to interfere with the domestic enquiry conducted. The defence representative who was helping the delinquent workman was an office bearer of the union and in the course of enquiry no request had come from the delinquent's side seeking the assistance of any other office bearer for defending him in the enquiry. On the other hand the workman himself had made request to the enquiry officer to permit him to seek the assistance of P.I. Bose, Assistant Treasurer of the Federal Bank Employees Union.
- 4. On the preliminary issue, the management had examined the Enquiry Officer and marked in evidence the entire enquiry proceedings as Ext. M1. The workman himself tendered evidence after filing a

- proof affidavit on the preliminary issue. In the crossexamination he has admitted that he was offered to seek the assistance of any of the union representatives or even the Lawyer with the permission of the management. It is also admitted by him that his request for adjourning the enquiry on two occasions was allowed by the Enquiry Officer. To a question whether he had raised any objection against the appearance of P.I. Bose on behalf of him in the enquiry he deposed that he did not raise any objection, because, nobody had asked anything about that. We had also admitted that he had not raised any complaint for not giving copies of documents before the starting of enquiry. The enquiry files shows that at the time of domestic enquiry the delinquent workman was present throughout. Both management witnesses were cross-examined by the defence representative. After the cross-examination of two witnesses on the side of the management, it was informed that they would have no further evidence, when the turn of the delinquent workman came, he made only a brief submission and that was recorded by the Enquiry Officer in Malayalam. In the concluding portion he has stated that if anything untoward had happened from his side, the same may be excused and he may be exonerated him from the charges.
- 5. In view of the above, it cannot be said that the domestic enquiry was vitiated and it was conducted in violation of the principles of natural justice. The contention that delinquent had not been given adequate time to prove his innocence on the charges levelled against him is also of no basis. In the result it is held that the domestic enquiry conducted against him is valid and there is no reason to interfere on it. Moreover nothing has been pointed out at the time of hearing to conclude that the findings were perverse and not supported by sufficient evidence. With the available evidence on records, both oral and documentary, it cannot be said that the findings are perverse and not supported by any logic. Therefore it is declared that the domestic enquiry conducted against the workman was fair and proper and it was conducted after giving enough opportunity to the workman. Thus the enquiry is sustained. If the workman has got any case that the punishment of dismissal was imposed on him is highly excessive and highly disproportionate to the gravity of the offence alleged and proved against him, he would have liberty to argue on such matters. For hearing on the propriety of the punishment, this dispute shall be posted on 21-2-2005."
- 6. After the passing of the preliminary order on the properiety of the punishment awarded, the both parties were heard in detail. The learned counsel for the workman vehemently argued by canvassing the position that the workman was totally innocent in all the charges levelled aginst him. According to the learned counsel, on the basis of entrustment of money to him by the Bank for paying the same towards electricity bill charges, the workman actually paid the same; but there was only a few days

delay in making payment. For that delay caused in remitting the money, the workman shall not be visited with the maximum punishment of dismissal from service. The learned counsel further argued that if at all there was any irregularity in the matter of payment and production of bogus receipts showing payment of money, that was on purely on account of the irregularities committed in the office of the Kerala State Electricity Board where electricity bills are accepted. It is further stated that entire money said to have been lost to the bank was fully compensated because of the payment of entire amount. According to learned counsel, an amount of Rs. 22,756/- was paid on behalf of the workman by his wife. Regarding the borrowing and issue of cheques for fabulous amounts and disowning of the same by Bankers, no explanations were given by the learned counsel appearing for the workman. On the allegation of availing of excess leave without prior permission, the learned counsel was very vehement in his argument that if at all the workman had availed any leave, that was only because of the fact that enough leave was available in his leave account and in view of that it cannot be said that serious misconduct was committed by the workman. However the workman does not have any case that before availing leave for more than 30 days, prior applications for leave were submitted. Nor was there any explanation how the delay happened in submitting applications. Therefore, even if enough number of days of leave were available in the credit of the workman, the manner in which he was trying to avail leave was not at all in line with the ordinary practice or permitted by Bank

Even assuming that no loss was actually caused to the bank, his involvement in the misappropriation of money coming to Rs. 11,760/- cannot be ruled out. His conduct is very suspicious in nature. The evidence is to the effect that the workman had received cash from the Bank on 11-4-01 for bill payment. On the same day he produced in the branch a cash receipt No. 57 from the book 668 of Electricity office concerning the payment of Rs. 11,716/-. But later, the Electricity Board had informed the concerned Branch of the management Bank that such payment was not actually received in their office. How and in what manner receipt in that behalf could be obtained from the KSEB Office is not properly explained. According to the learned counsel for the workman, the manipulation of records or defalcation of money was really at the KSEB Office and the workman had no role in it. Ext. ME2 document produced in the course of domestic enquiry is the concerned payment receipt from the KSEB and that does not contain any kind of correction. Moreover none of the Officers of KSEB had tendered evidence to the effect that Ext. ME2 receipt is not a leaf from the receipt book maintained at the KSEB's Office at Kavumbhagom. The information furnished by the KSEB is that ME2 receipt is the one which was missed from their receipt book and against such a receipt, no amount was received in the account of KSEB. Therefore the only conclusion possible is that misappropriation must have been a collusive act of the workman and somebody handling cash in the KSEB. If there was no involvement by the workman, the receipt would not have reached in his hand. Even assuming that the workman was totally innocent in that first transaction involving an amount of Rs. 11,716/- and he had no role in the defalcation of that amount, the second charge levelled against him and proved against him will only lead to a conclusion on his very suspicious conduct on the first transaction also. In the second transaction, an amount Rs. 9,896/- was received by him from the Bank on 19-6-01. To show the payment of that money in the KSEB, what he produced was a bogus cash receipt No. 115 for Rs. 9,896/ -. (Ext. ME3). The ME3 receipt marked at the time of enquiry would show that there was alteration in the consumer number, in the amount and in the date also. Subsequently after verification, the KSEB informed the management Bank that receipt No. 115 from book number 34652 was relating to their office at Thiruvalla and that showed only the remittance of Rs. 44/- on 4-12-2000 towards Electricity charges. That receipt was initally received by the delinquent workman and that contained his domestic consumer number (8150), Ext. ME3 would show very visible corrections or defacing or erasing so as to make it appear that the payment was made by the workman in respect of Electricity charges payable by the management Bank. According to me this is clearly a criminal act with the ulterior intention of misappropriating the money of the Bank. Even if he or his wife had paid the amount after a few days or month, that will not be little the gravity of the offence. Therefore according to me this proved charge alone will sufficient for awarding the punishment of dismissal. This particular charge which was clearly proved, his antecedents, his irregularities in money transaction with the customers and outsiders are only suggestive of the factors which make him quite unfit to continue as an employee of a Bank who will have to handle cash frequently. Therefore according to me he does not deserve any kind of consideration or sympathy. There is no justification for taking a contrary view by holding that the punishment awarded was quite disproportionate to the gravity of the offence committed by the workman.

8. The reference is answered against the workman and award is passed accordingly.

#### **AWARD**

1. The Central Government in exercise of the powers conferred under Clause 'D' of sub-section 1 to Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the 'Act') has referred the following industiral dispute for adjudication to this Tribunal which runs as under:—

"Whether the action of the management of All India Radio in terminating the services of Shri Rajendra Prasad S/o Shri Ram Swaroop Vaishnay, Ext Beldar at their establishment at Ajmer w.e.f. 7-8 1987 is legal and justified? If not, to what relief the workman is entitled?"

- 2. This industrial dispute was received in this Court on 10-1-2005 on its transfer from the Industrial Tribunal, Jaipur as per the direction of the Ministry of Labour vide its corrigendum dated 1-10-2004.
- 3. The workman in his claim statement has pleaded that he was employed as a helper (Beldar) on 1-1-85 by the Installation Officer at Radio Station, Gangwana, District Ajmer, who continuously worked there, but whose service was terminated on 7-8-87 by an oral order in violation of Section 25-F of the Act. He had continuously worked for a period of two years and on his termination he issued a notice (Ex. W-1) to the non-applicant establishment. It is further averred that when he came to know that a post of 4th Class is lying vacant with the establishment on account of retirement of one Sh. Prabhu Dayal on 31-10-1994, he submitted his application Ex. W-4 before the concerned authority, but he was not appointed. The workman has urged that his termination order dated 8-8-87 be declared illegal and unjustified and his service be regularized with all consequential benefits.
- 4. Resisting the claim, the non-applicants in their written counter have averred that the workman was employed in a project for installation of the radio center at Gangwana and on completion of the project the workman left the job on his own, that he was never employed as a Beldar by the establishment and that the vacant posts are filled after following the prescibed procedure for recruitment.
- 5. In the evidence, the workman has submitted his affidavit and on behalf of the non-applicant, the counter-affidavit of Sh. Sunder Lal Sharma, the Station Engineer has been placed on the record. Both the witnesses were cross-examined by the opposite representatives respectively.
- 6. I have heard both the parties and have gone through the record.
- 7. The Ld representative for the workman contends that the workman was employed by the non-applicant establishment on 1-1-85 who continuously worked up to 7-8-87 and had thus completed two years and seven

months of actual service with the non-applicant establishment. But his service was terminated in violation of Section 25-F of the Act and the notice Ex. W-1 was. served upon the non-applicants which could not be replied. The Ld. representative submits that the workman has thus completed more than 240 days of work without any break and in this context, the certificate Ex. W-7 was issued by the non-applicant establishment. The Ld. representative has also relied upon the gate passes ex. W-8 to W-16 issued by the non-applicant establishment. The Ld. representative adds that the establishment could not be able to produce any document in rebuttal whereas all record was in their possession and the sole witness Sunder Lal Sharma has been examined who was not posted at the relevant time at Gangwana. Why the record was suppressed from the Court could not be shown on behalf of the non-applicant and adverse inference should be drawn against the establishment. The Ld. representative has also assailed the impugned termination order of the workman on the ground that at the time of terminating the service the junior persons were retained by the establishment and on behalf of the establishment, whose names have not been disclosed by the establishment. It has also not placed the connected record before the Court. The next point urged by the Ld. representative is that after the retirement of Sh. Prabhu Dayal no opportunity of employment was given to the workman and the establishment has not followed the provision under Section 25-H of the Act. The Ld. representative has referred to the various decisions in support of his submissions which are discussed hereunder.

- 8. Per contra, the Ld. representative on behalf of the non-applicant contends that the workman was employed by the Installation Officer in the project, whose service was not terminated by the establishment, but on completion of the project work, the workman left the job on his own. His next submission is that local people were hired on daily wages basis to discharge the work under the project and the certificate Ex. W-7 has been issued by the Installation Officer and not by the establishment. The Ld. representative submits that basically the workman was employed by the Installation Officer and when the project was completed, the work came to an end, which was not of the permanent nature. The Ld. representative has also referred to the judicial decision in support of his submissions.
- 9. I have bestowed my anxious consideration to the rival contentions and have carefully gone through the judicial decisions referred to before me. Out of the rival contentions, the following points emerge for determination:—
  - (i) Whether the workman has completed over 240 days of actual work in a calendar year preceding to his termination whose service was terminated in violation of Section 25-F of the Act?

- (ii) Whether at the time of terminating the service of the workman the junior persons were retained by the non-applicant establishment in contravention of Section 25-G of the Act?
- (iii) Whether after terminating the service of the workman, fresh hands were recruited by the nonapplicant establishment without following the provision under Section 25-H of the Act?

# Point No. I

- 10. The workman's case is that he was employed as a helper by the non-applicant establishment on 1-1-85 who continuously worked up to 7-8-87 and has completed 240 days of actual work with the non-applicant establishment. As against it, the non-applicant's stand is that the workman was employed by the Installation Officer under the project for installation of the radio center at Gangwana and on completion of the project, the work came to an end and the workman left the job on his own. Thus, the non-applicants have sought to invoke the provision contained under subclause (bb) to 2 (00) of the Act which lays down that if the service of the workman is terminated as a rdsult of the non-renewal of the contract of employment on its expiry or such contract being terminated under a stipulation, the termination would not tantamount to retrenchment. Obviously, the non-applicant establishment in support of its plea that the workman was employed under the project has not led any documentary evidence on the record.
- 11. The workman's averment is that be had worked during three spells with the non-applicant establishment, viz., (i) from 1-1-85 to 7-8-87 as a beldar, (ii) from 1-4-89 to 31-10-89 as a 4th Class, and, (iii) from 1-2-92 to 31-3-92 again as a 4th class.
- 12. So far as the first period of employment is concerned, the workman to substantiate his plea of appointment by the non-applicant establishment has mainly relied upon the certificate Ex. W-7 issued by the Installation Officer which says that Sh. Rajendra (workman) has been working at this installation since 1-1-85 as daily wages/beldar. It was issued on 15th April, 1985. The non-applicant has not disputed this period, but his stand is that the workman was employed by the Installation Officer for the project work. The only document in this context adduced on behalf of the workman as already pointed out is certificate Ex. W-7. In his cross-examination, the workman has admitted that neither any appointment letter nor any termination order was given to him. His further admission is that the Installation Officer had employed him for setting up the transmitter and on installation of the transmitter, the project work was put to an end. He has further admitted that on completion of the installation work, all the concerned employees were disengaged. Thus, it is the clear admission of the workman that he was engaged by the Installation Officer as a casual worker under a project whose employed was disengaged

- on completion of the installation work. Even if he has completed more than 240 days of actual work, he rendered his services to the Installation Officer under the project and there is no evidence gathered on the record which could show that he was employed in the establishment in the capacity of helper/beldar. The plea put forth on behalf of the non-applicant establishment has thus been admitted by the workman in his cross-examination. Therefore, his employment during the spell commencing from 1-1-85 and ending on 7-8-87, was for the project work and is attracted by the exception under clause (bb) to Section 2 (oo) and it is established on the basis of the documentary as well as the oral evidence that the workman was employed on contractual basis for a specified period and for a specified job i.e. for discharging the functions under the project whose service was terminated automatically when the project work came to an end. In view of these facts his termination on 7-8-87 does not amount to retrenchment.
- 13. Now, I dwell on the remaining periods of employment of the workman by the non-applicant establishment. Evidently, neither the workman has completed 240 days of actual work during the spell from 1-4-89 to 31-10-89 nor in the last period from 1-2-92 to 31-3-92. He has only completed 204 days in the second spell of engagement. Secondly, the workman has failed to produce on record any documentary evidence to prove this fact that he was employed as a 4th class during both these periods. He has produced the gate passes Ex. W-8 to W-16 which pertain to the period of his first employment. Thus, neither the workman has been able to brought on the record any documentary evidence in support of his plea, nor he had completed 240 days of actual work in a calendar year during these two periods. Hence, he is not entitled to get the protection under section 25-F of the Act.
- 14. The Ld. representative for the workman has referred to the following decisions in support of his submission, but they do not bear the resemblance with the present controversy: (1981) 3 SCC 225; 1998 (1) RLR 209; RLR (1998) 266; 2003 (1) SC service Law Judgments 349; RLR 2002(1) 518; RLR 2001 (3) 812.
- 15. Contrary to it, the Ld. representative for the non-applicant has placed his reliance upon (2004) 8 SCC 246, the facts thereof are that the workmen were employed for the purpose of digging pits for erecting electric poles in the course of drawing electric wire and their employment was discontinued and intermittent during the period in question. On these facts, the Hon'ble Apex Court has observed that the nature on work could not be construed as a permanent job and the employment of the people in that local area for the limited job cannot be construed as an employment for a continuous and regular work of the Board. The Hon'ble Court further goes on to say that the employment of the workman was on a job requirement basis and was not for any continuous service required by

the establishment. The present controversy is squarely covered by this decision and the submission made on behalf of the non-applicant that the employment of the workman was for the project work and after its completion the work came to an end, is fortified by the judicial pronouncement supra.

16. Accordingly, the workman's termination does not tantamount to retrenchment an he is not entitled to get the protection under Section 25-F of the Act. This point is, therefore, decided against the workman.

### Point No. II

17. Now, I switch to the next point as to whether the non-applicant establishment has acted contrary to the provision under Section 25-G of the Act by retaining the junior persons at the time of terminating the service of the workman?

18. It is difficult to be persuaded by the submission advanced on behalf of the workman that the non-applicant establishment has not brought on record the documents disclosing the names of those workmen who were employed along with the claimant. It is fairly settled law that the onus lies upon the workman to prove this factum and to indicate the names of those junior persons working in the establishment whose services were retained by the management at the time of terminating his service, But no such plea has been noted in his claim statement nor the names of such junior persons have been disclosed therein. This submission raised on behalf of the workman that on account of the non-production of such documents before the Court, the adverse interference should be drawn against the non-applicant establishment is not sustainable in view of the Hon'ble Supreme Court's observation made in (2004) 8 SCC 246. wherein the Hon'ble Apex Court has propounded that in the absence of the specific plea made on behalf of the workman, no adverse inference can be drawn against the establishment. Thus, the workman has failed to discharge the burden of this issue which is decided against him accordingly.

#### Point No. III

19. Lastly, the Ld. representative for the workman has also submitted that on 31-10-94, one employee named Sh. Prabhu Dayal retired on attaining the age of superannuation and the workman had submitted his applications Ex. W-3 and W-4 before the establishment for appointing him to this vacant post of 4th class. The ld. representative, therefore, contends that since the workman was a retrenched worker, an opportunity of employment ought to have been afforded to him by the non-applicant establishment, whereas this post was filled by recruiting another person. The submission has been sought to be countered on behalf of the non-applicant by stating that the regular appointment by the establishment is made by following the prescribed procedure.

- 20. Under point no. I, it has been concluded that the workman was engaged on contractual basis in the project at 1 m completion of the project work, his service matically came to an end. On these facts, the workman cannot be considered to be a retrenched employee since the provision under exception (oo) to Section 2 (bb) is attracted in the present controversy. Apart it, the workman has failed to disclose the name of any such person who was appointed by the establishment. His plea is therefore, vague and indefinite. Hence, the workman cannot avail the protection under Section 25-H of the Act. The submission made on behalf of the workman, therefore, is repelled.
- 21. For the foregoing reasons, the workman has failed to establish that be is entitled for the protection under Sections 25-F, 25-G and 25-H of the Act. Accordingly, be is entitled to no relief.
- 22. In the result, the reference is answered in the negative against the workman and in favour of the management and it is held that the action of the management of All India Radio in terminating the service of the workman w.e.f. 7-8-1987 is legal and justified and the claim of the workman is rejected. An award is passed in these terms accordingly.
- 23. Let a copy of the award be sent to the Central Government for publication under Section 17(1) of the Act.

1. The Central Government in exercise of the powers conferred under Clause 'D' of sub-Sections 1 to Section 10 of the Industrial Disputes Act, 1947 (herein after referred to as the 'Act') has referred the following industrial dispute for adjudication to this Tribunal which runs as under :-

> "Whether the action of the management of Station Director, All India Radio, Jaipur in terminating the services of Sh. Kailash Chand is just and fair? If not, to what relief the workman is entitled to?"

- 2. The workman in his statement of claim has pleaded that he was initially appointed as a helper on 1-9-90 by the non-applicant establishment who continuously worked up to 1-11-91, but his service was terminated on 2-11-91 without giving him one month's notice or pay in lieu of the notice and retrenchment compensation in violation of Section 25-F of the Act. He has further stated that he had completed 240 days of continuous service under the employment of the non-applicant establishment and at the time of terminating his service the junior persons to him, viz., Sh. Kalyan Sahay and Sh. Raju were retained in violation of Section 25-G of the Act. He has also pleaded that after his termination one Sh. Radheyshyam was engaged by the establishment in contravention of Section 25-H of the Act. The workman has urged that he be taken back in the service with its continuity and other consequential benefits.
- 3. Disputing the claim filed by the workman, the nonapplicants in their written-counter have averred that the workman was engaged as a casual labour to meet out the casual works in the establishment, who was not appointed as a helper by following the prescribed procedure may against the sanctioned post under the rules. It has been further denied that his service was ever terminated on

- 2-11-91, but the workman stopped working on his own without any prior intimation to the authorities. Retention of junior persons to the workman has also been denied on behalf of the non-applicants and it has been categorically stated that the workman has never completed 240 days of continuous service with the establishment.
- 4. In the rejoinder, the workman has reterated the facts as stated in the statement of claim.
- 5. On the pleadings of both the parties, the following points for determination were framed:-
  - Whether the workman was appointed on 01-09-1990 to the post of Helper on daily wages by an oral order by the non-applicant, who continuously worked up to 01-11-1991 and whose service was terminated in contravention of the provision under Section 25-F of the Act?
  - II. Whether at the time of terminating the service of the workman the junior persons to him viz. Shri Kalyan Sahay and Raju were retained by the management in violation of Section 25-G of the Act?
  - Ш. Whether after the termination of the workman the fresh hands viz. Shri Radheyshyam was engaged by the management?
  - IV. relief, if any.
- 6. In the evidence, the workman has submitted his affidavit and on behalf of the non-applcants, the affidavit of MW-1, Sh. Om Kumar Sharma, the Station Engineer, has been brought on the record. both these witnesses were cross-examined by the rival representative respectively.
- 7. I have heard both the parties and have scanned the record. The point-wise discussion follows as under:—

### Point No. I

8. The ld. representative for the workman contends that the workman had continuously worked w.e.f. 1-9-90 to 1-11-91, but his service was terminated w.e.f. 2-11-91 in contravention of the provision under Section 25-F of the Act. The ld. representative for the workman has also explained the delay caused in raising the industrial dispute by stating that the workman had moved an application before the Central Administrative Tribunal, which vide its order Annexure 2 dated 18-11-95 was disposed of with a direction to raise the dispute before the Conciliation Officer. Accordingly, he approached the Conciliation Officer who refused to refer the dispute and aggrieved with it, he preferred the writ petition before the Hon'ble High Court, which by its order dated 19-11-2003 Annexure 3 directed the competent Government to refer the industrial dispute to the competent forum. The ld. representative further contends that the workman had completed 240 days of continuous work with the non-applicant establishment and the ld. representative has relied upon the affidavit of the workman and the notice Ex. 1 issued by the workman to the non-applicants.

- 9. Responding to these submissions, the Ld. representative for the non-applicants submits that the workman had never completed 240 days of continuous work with the non-applicant establishment, who stopped working on his own and he was simply employed on casual basis to meet out the casual work in the department. It has also been urged on behalf of the non-applicants that the workman was working on a project.
- 10. I have bestowed my thoughtful consideration to the rival contentions.
- 11. Now, the question which calls for the determination is whether the workman has completed 240 days of actual service in a calendar year preceding to this date of termination?
- 12. To substantiate the plea of completion of 240 days of actual service, the workman has submitted his affidavit and the notice Ex. Annexure 1 dated 12-11-91 which has been addressed to the Station Director, All India Radio, Jaipur. It says that the workman was engaged to the post of helper on daily wages basis on 1-9-90, who worked upto 1-11-91 and had completed 240 days of continuous service in the calendar year and who was terminated without complying with the legal requirements. Besides it, no documentary evidence has been led by the workman to prove his submission that he had completed 240 days of continuous service.
- 13. The workman in his cross-examination has admitted that he was orally engaged as a casual labour and his service was terminated orally.
- 14. As against it, MW-1, Om Kumar Sharma has denied the factum of completion of 240 days of continuous service of the workman with the non-applicant establishment and has categorically stated that the notice Annexure 1 was not received by the establishment and has emphatically denied that the workman had not worked from 1-9-90 to 1-11-91 under the employment of the department.
- 15. Thus, the workman has failed to bring out any cogent evidence on the record to substantiate his plea that he had completed 240 days of actual work in a calendar year preceding to his date of termination. On this point he has led his oral evidence only which could not be supported by any documentary evidence and his oral evidence is of feeble nature which cannot be relied upon in the lack of some definite and positive evidence. The ld. representative for the non-applicants in support of his submission that merely on the basis of the oral testimony of the workman, it cannot be presumed that he had completed 240 days of actual work with the establishment, has referred to the decision reported in (2002) 3 SCC 55. The Hon'ble Supreme Court in this decision has propounded that when the claimant pleads that he had completed 240 days in the year preceding to his termination, which was denied by the appellant, then it was for the claimant to lead the evidence to show that he had in fact worked for 240 days in a year preceding to his termination. The Hon'ble Court further goes on to say that filing his affidavit only is his own evidence in his favour and it cannot be regarded as sufficient evidence for any

Court to come to the conclusion that the workman, in fact, had worked for 240 days in a year. In the referred case, the workman also failed to produce any proof of receipt of salary or wages for 240 days or order of engagement. The present controversy is squarely covered by the decision supra and after examining the facts and circumstances on the record, it is held that the workman has failed to discharge the burden of this issue. Accordingly, it is decided against the workman and in favour of the non-applicants.

#### Points No. II

- 16. The ld. representative contends that at the time of terminating the service of the workman the junior persons named in the affidavit were retained by the establishment. Again, the ld. representative has relied upon the affidavit of the workman on this point also. On behalf of the non-applicants, this submission has been opposed by arguing that no junior person was retained by the non-applicant establishment.
- 17. The workman in his affidavit has stated that while terminating his service the junior persons to him, viz., Raju and Kalyan Sahay were retained by the non-applicant establishment. But no documentary evidence could be led on this point which could suggest that such persons were also employed by the non-applicant establishment along with the engagement of the workman. This fact has been denied by MW-1, Om Kumar Sharma in his cross-examination who has deposed that at the relevant time i.e. at the time of disengagement of the workman no such person were working with the establishment. Hence, the workman could not be able to produce any trustworthy evidence on this point. This point, therefore, is decided against the workman and in favour of the non-applicants.

#### Point No. III

18. The workman in his claim statement has named Sh. Radheyshyam who was engaged as casual labour by the establishment subsequent to the termination of the workman. But in his affidavit, he has not reiterated his name and no documentary evidence could be led on this point too. As such no evidence is available on the record which may substantiate the plea of the workman that subsequent to his termination, fresh hands were recruited by the establishment without giving him an opportunity of employment. As such, this point is decided against the workman and in favour of the non-applicants.

#### RELIEF

- 19. For the foregoing reasons, the workman is entitled to no relief.
- 20. In the result, the reference is answered in the negative against the workman and in favour of the management and it is held that the action of the non-applicant establishment in terminating the service of the workman is just and fair. The claim of the workman is rejected. An award is passed in these terms accordingly.
- 21. Let a copy of the award be sent to the Central Government for publication under Section 17(1) of the Act.

- 2. Learned counsel for the management submitted that in this case the workman is not taking any interest despite several notices were issued even one through Regd. A.D. On 14-4-05 Shri D.R. Kainth, Advocate appeared but he also did not appear thereafter, for the workman, court notice was issued on 15-3-05 for today. Today neither the advocate nor the workman appeared despite registered notice. The management advocate Shri Babbar submitted that workman appears not to be interested, hence reference may be returned for want of prosecution.
- 3. In view of the above submission and may perusal of the court file, I found that workman put his appearance firstly on 22-4-02 through one Vijay Kumar, Thereafter none appeared for workman on 17-1-03. 5-5-03. As none appeared on behalf of the workman on 21-7-04, again on 28-1-05 and workman also not appeared on 14-2-05. Though Shri D.R. Kainth noted the date once. Thereafter no one appeared on 15-3-05 for workman and again on 4-5-05 for the workman despite registered A.D. notice. It appears that workman is not interested in persuing his case. #### Passed on 5-5-2005

Central Govt. vide Notification No. L-14012/54/2000/ IR (D.U.) dated 30th of October, 2000 has referred the following dispute to this Tribunal for adjudication:

"Whether the action of the management of Military Farm, Ambala Cantt, in terminating the services of Shri Sham Lal'son of Mam Chand, w.e.f. 17-11-1998 is just, and legal? If not, to what relief the workman is entitled?"

2. Brief facts of the case are that workman filed claim statement stating that he was appointed as regular employee of the respondent management through employment exchange and was selected by a duly constituted selection committee and joined on 10-4-95 and worked continuously and regularly as shed cleaner when his services were abruptly terminated on 17-11-1998 after about three and half year. Dispute was raised by the workman in March, 1999 and on failure of conciliation, the matter was referred through the present reference. That the workman was recruited alongwith Balbir Singh and Nasib Singh and their cases were also pending in this court and were decided in settlement on the assurance by the management. The workman has completed more than 240 days of service in accordance with the provisions of the I.D. Act 1947. That the management has issued repeated intructions to dispense with the services of those workman who had not been recruited through/sponsored by the employment exchange, but instead of terminating the services of those employees the management terminated the services of the workman despite the fact that C.A.T. Chandigarh vide their decision dated 21-4-95 in OA No. 1224/HR of 1993 had quashed the order of regularization of service who were recruited other wise than through employment exchange. The management had not regularize the services who were through employment exchange. The Management has framed and circulated standing orders governing the conditions of service of the workmen and according to these standing orders, recruitment of casual workmen has to be made through employment exchange and such recruited employees are to be brought on regular establishment after six months. The workman was also granted temporary status but those employees who were not recruited through employment exchange and had not granted temporary status and yet retained in service. The name of some of them are Sham Dev, son of Bandhu, Doodh Nath son of Suder, Ramesh son of Swarna, Smt. Poonam, Surinder Kumar son of Sadhu Ram, Kans Raj son of Kampta Parshad, Man Bahadur son of Sher Bahadur, Chajju Singh son of Baishakhi Singh, Baldev Singh Son of Karam Singh, Gurdev Singh son of Moti Singh, Dharam Raj son of Sadhu Singh, Smt. Bimla wife of Nath, Krishan Kumar son of Jai Singh.

3. Thereafter, after filling the claim statement by the workman, the management did not file the written statement on several dates and the management was proceeded exparte on 15-10-2001 and the case was fixed for exparte evidence. Thereafter the management inoved an application for setting aside exparte order passed by my learned predecessor and the application of the management vide order dated 25-9-02 was dismissed holding that on perusal of the file it is very clear that the rep, of the management has for the first time filed his letter of authority on 5-3-02 and on the date i.e. 15-10-2001 Shri K.K. Thakur was not the authorized representative of management. The application filed by the management has also not been supported by any affidavit on behalf of the management. Thus I find no ground to set-aside the exparte order dated 15-10-01 and the application to this effect is rejected. The case is at the stage of evidence of the workman.

Put up on 6-3-2003 and the management was through out exparte without written statement. The management also did not file any affidavit in this case.

- 4. The workman in his exparte evidence produced himself as WW1 and proved his affidavit as Ex. W1.
- 5. I have heard the arguments advanced by both the parties. Learned counsel for the workman Mr. Madan Mohan submits that there is no evidence of the management in this case to rebut the claim and evidence of the workman. The management did not file their affidavit and the application of the management for setting aside exparte order was also dismissed by the learned predecessor of this Court. Hence there is the rebuttal of the evidence of the workman. The workman by his own affidavit and other documents filed which were given to the management which are Ex. W2 list of selected candidates which include the name of the workman, Ex. W3 information to the employment exchange regarding selection and engagement of the workmen as casual labour (shed cleaner), Ex. W4 policy of casual industrial and non industrial employees issued by the Army Headquarter, New Delhi. Ex. W5 is letter dated 6-6-92, Ex. W6 are the standing order for casual labour in Central Government. Ex. W7 is the judgment of CAT which quashed the order of the management in similar cases. Ex. W8 is the copy of letter dated 31-3-93, Ex. W9 and Ex. W10 are the orders of CAT dated 19-7-2000 and Ex. W11 is retrenchment order of Nasib Singh. Learned counsel for the workman

also referred to judgement 1979 SLR page 223, a judgment of our own High Court wherein it is held that workman is entitled to backwages with reinstatement with continuity of service and it if for the employer to raise and establish the circumstances necessitating departure, (ii) 1995 SSC (L&S) between Swadeshi Cotton Mills Vs. Labour Court-I, Kanpur and others wherein it is held that workman demand for creation of post and fixation of his salary in that post and there was a denial of such pay to the workman and it is held that labour court has the jurisdiction to create the post of designer sprayman, (iii) 1995 Supreme Court Cases L&S 193 Manorma Verma Vs. State of Bihar wherein the Hon'ble Supreme Court has held that once termination if found to be illegal consequential order for grant of wages must follow unless there are reasons justifying a departure from normal order i.e. appellant not gainfully employed elsewhere during the period of termination and entitled to back-wages from the date of termination till reinstatement (iv) 2003(3) SCT Maninder Kaur Vs. Statement of Punjab wherein it is held that engaging daily wager on casual basis is one of the recognized source of employment and non availability of sanctioned regular posts/vacancies is no ground to deny such right to workers.

- 6. Learned counsel for the workman while summing up his arguments submitted that in view of the law referred by him above and that management is exparte and even written statement is not on record and that management by compromising in two cases Nasib Singh and Balbir Singh, and giving her benefits the workman is entitled for reinstatment and backwages with all consequential benefits as the workman has completed more than 240 days and he obtained status of permanent workman and his abrupt retrenchment is a violation of Section 25F of the I.D. Act 1947. He submitted that there is no evidence of the management on record. The workman was appointed after following the due procedure and his name was sent and sponsored by the employment exchange and a duly constituted committee interviewed the workman and other candidates and found him fit and selected him and also informed the employment exchange for removing the name of the workman from the employment seekers from the employment exchange. He also submitted that workman in his affidavit on oath had stated that he has not been gainfully employed since his services were terminated. Despite his best efforts he has not been able to procure any regular job and his name has been struck off from the employment exchange and he has now become over age and he has been maintaining himself by doing odd jobs as and when available without any regular source of income and that he has support of his father. Learned counsel for the workman submits that workman has proved his case and reference may be answered in his favour.
- 7. On the other hand learned counsel for the management Shri K.K. Thakur submits that although the

management is exparte, but the workman has failed to prove his case. The workman has not completed 240 days of service in a calendar year. The workman was engaged as a casual labourer on as and when required basis through employment exchange and temporary status was granted to the workman erroneously. As per instructions status can be granted to only those who are in service on 1-9-93 and have rendered continuous service of at least one year (they have been engaged for 240 days) as on 1-9-93 i.e. those who have not completed 240 days are not entitled to such benefits. He submitted that workman is not entitled to any relief. He submitted that workman was gainfully employed and temporary status was withdrawn. The workman has not legal and vested right to continue in service if no regular post is available. The workman was engaged on daily wage as and when required basis and there was no work available with the management and as such the workman is not entitled to any relief and reference may be answered in favour of the management.

8. In view of the above submissions and my perusal of the evidence and documents on record filed by the workman and which were not disputed I am of the considered view that there is no pleadings of the management, no written statement was filed and the management was proceeded exparte and thereafter exparte. evidence of the workman was recorded. The management has taken a stand in the arguments that workman is not entitled as he has not completed 240 days whereas the workman stated that he has completed 240 day and that he got the status of permanent workman and that he was duly appointed through a regular process and his name was called from employment exchange and employment exchange sponsored his name and thereafter a duly constituted committee of the management interviewed the workman and other candidates and ultimately selected the workman. After his selection he joined services on 10-4-95 and since then continued to work and as the management abruptly terminated his services from 17-11-1998 and upto that time workman worked continuously for the period of three years and seven months and has completed 240 days. Learned counsel for the workman has submitted that neither management gave any notice retrenchment compensation as required U/S 25 of the I.D. Act 1947. In view of the above, I am of the considered view that when a person joined through the process of employment exchange and after through interview by a duly constituted committee was found fit and he joined duty on 10-4-1995 and after working for three years and seven months as completed 240 days processing one year from 17-11-98 was terminated from service without notice and retrenchment compensation, of violation of Section 25 of the I.D. Act, 1947. In view of the violation of mandatory provisions mentioned above and without following the process terminating his services and other who were not appointed through employment

exchange were kept in service is quite illegal and in my view such order of termination is illegal and liable to be set-aside. I found that in view of the law referred by workman if the termination if found illegal, against the provisions of I.D. Act 1947, he is entitled for full back wages from the date of termination till his reinstatement when workman has also proved that he is not gainfully employed and was getting odd jobs without any source of regular income. In the circumstances Management is through out exparte, there is no plea of the management and no rebuttal of the evidence of the workman, I find that workman has proved that the action of the management of Military Farm Ambala Cantt, in terminating the services of Sham Lal w.e.f. 17-11-1998 is not just and not legal and he was not gainfully employed till date.

- 9. Therefore, as the termination of workman is illegal and not just as held by me above, I further hold that workman entitled to be reinstated from the date of his termination to the post he was holding on 17-11-1998. Hence the workman is hereby ordered to be reinstated from 17-11-1998.
- 10. As regards other financial benefits i.e. back wages. I find that workman has proved that he was not gainfully engaged throughout and doing odd work and living on with the help of his father, he is therefore, entitled to full service benefits with back wages from the date of termination till the date of passing of the award. Accordingly the reference is answered in favour of the workman. Central Govt. be informed. File be consigned to record.

# **AWARD**

1. The Central Government in exercise of the powers conferred under Clause 'D' of Sub-sections 1 & 2(A) to Section 10 of the Industrial Disputes Act, 1947 (hereinafter referred to as the 'Act') has referred the following industrial Dispute for adjudication to this Tribunal which runs as under:

"Whether the action of the management of the Bank of Rajasthan Ltd., Jaipur for not accepting the pension option of Smt. Bimla Kumari Gupta, Retired employee is fair and justified? If not, what relief the applicant is entitled to?"

2. The workman in her statement of claim has pleaded that she was appointed as a Clerk on 11-3-64 in the nonapplicant bank, who was promoted to the post of the Head Clerk in the year 1982 and on attaining the age of superannuation, she was retired on 31-10-2003. She has further stated that both the parties are governed by the Bank of Rajasthan Ltd. (Employees) Pension Rules, 1996. which are applicable to those employees also who were in service as on 31-10-93 and that while she was posted as a Head Clerk in the Bani Park Branch of the bank, she had opted for the pension prior to the stipulated date i.c. 26-1-96. According to her averments, her signatures were verified on the pension form by the then Branch Manager wherein she had clearly mentioned that the countributory Provident Fund plus its interest be transferred in her pension fund. She has also stated that on 10-5-2000, she addressed a letter to the Assistant General Manager, Salary Cell Pensions that in her application opting for pension she had mistakenly mentioned the date of its presentation as 20-2-96 in place of 20-1-96 which may be treated as 20-1-96 for further action. But the bank *vide* its letter dated 27-5-2000, declined his request. Thereafter several representations were made by her, but ultimately the bank *vide* its letter dated 17-9-2003 intimated her that she had not submitted the option form within the stipulated period. The claimant has urged that the refusal made on behalf of the bank for grant of her pension be declared as unjustified and illegal and the non-applicant bank may be directed to provide him the pensionary benefits.

- 3. Resisting the claim of the workman, the nonapplicant in his written-counter has averred that the present dispute is not covered by Section 2(A) of the Act, which has been raised individually by the workman and has not been espoused by the Union and, therefore, it is not an industrial dispute under Section 2(k) of the Act. It has been further stated that the claimant had not given the option for the pension, that the last extended date of submission for the option was 14-12-98 and till that date, no option for pension on behalf of the workman was received in the bank. It is alleged by the non-applicant that the workman for the first time had presented her option form with her letter dated 5-5-2000 before the bank, wherein she had narrated that on 20-2-96, she had submitted the option form to the bank. It is also pleaded in the writtencounter, that despite the fact that the bank was contributing in her provident fund, she had not brought into the notice of the bank that she had opted for the pension till her date of retirement and on her retirement after availing the retiral benefits including the provident fund, she has mala fidely raised this dispute.
- 4. On the pleadings of both the parties, the following points for determination were framed:—
  - I Whether the claimant Smt. Vimla Kumari Gupta is entitled to get the pension as a retired employee of the non-applicant bank?

    BOA
  - II. Whether the instant dispute is not covered under Section 2-A the of LD. Act? BONA
  - III Relief, if any.
- 5. The workman was afforded ample opportunity for adducing her affidavit in the evidence but she failed to submit it before the Court and on 11-4-2005, on account of her non-appearance, her evidence was closed. The non-applicant has chosen not to produce any evidence.
- 6. I have heard the ld. representative for the non-applicant have scanned the record. The point-wise discussion follows as under:—

#### Point No. I

7. Needless to state that no evidence has been led on this point on behalf of the workman. The ld. representative for the non-applicant has contended that when the evidence has not been brought on the record on behalf of the workman, the Court cannot dispose of the lis

between the parties upon the pleadings and has relied upon 2004 FJR-Reports AP 844.

8. In the present case, as is evident, the workman has not even filed her affidavit to substantiate her plea that she is entitled for the pension, therefore, she has failed to establish her right. The submission made on behalf of the non-applicant is fortified by the judicial decision supra. Accordingly, this point is decided against the workman and in favour of the non-applicant.

### Point No. II

- 9. The ld. representative contends that undisputedly the dispute has been raised by the workman herself which comes under Section 2(A) of the Act and the present dispute could only be raised by a number of workman or by the Union, therefore, according to his contention, the dispute is not tenable in view of Section 2(k) of the Act.
- 10. Section 2(k) of the Act defines the Industrial Dispute as any dispute between employers and employers, between employers and workmen and between the workmen and workmen, which is connected with the employment of any person. Section 2(A) says that where any employer discharges, dismisses or terminates the service of an individual workman, any dispute between that workman and his employer shall be deemed to be an Industrial Dispute. It, therefore, follows that the individual workman can raise his dispute only regarding his discharge, dismissal or termination from service.
- 11. Thus, the requirement of Section 2(A) is that when a workman is discharged, dismissed or terminated from the service, then in such an event a dispute can be raised against the employer by the workman himself, whereas the requirement of Section 2(K) is that if a dispute has arisen between the employer and a number of the workmen, it can be raised by such workmen or by the Union for individual workman. Evidently, the present dispute relating to the grant of pensionary benefit to the workman is not espoused by the Union. Therefore, in the individual capacity the claimant cannot raise such industrial dispute and it is not tenable in view of the aforestated legal position. As such, this point is decided in favour of the non-applicant bank and against the workman.

#### RELIEF

- 12. For the aforestated reasons, the workman is entitled to no relief.
- 13. Consequently, the reference is answered in the negative against the workman and in favour of the management and it is held that the action of the management of non-applicant bank for not accepting the pension option of the claimant is fair and justified. The claim of the workman is rejected. An award is passed in these terms accordingly.
- 14. Let a copy of the award be sent to the Central Government for publication under Section 17(1) of the Act.
